Dear Sir/Madam

## **GREENCROSS LIMITED (ASX: GXL) Announcement Update on Acquisition of City Farmers**

On 16 June 2014, Greencross Limited ("Greencross") announced it had agreed to acquire CF Group Holdings Pty Ltd ("City Farmers"), a specialist pet care retailer with a leading position in Western Australia, from Quadrant Private Equity and other shareholders ("Acquisition").

The Australian Competition & Consumer Commission has informed Greencross that it intends to undertake a merger review of the Acquisition.

Greencross does not consider that the Acquisition raises competition concerns in any relevant market.

Greencross intends to complete the acquisition, as scheduled, on 17 July 2014.
