**Energy One Limited enters into multi-year agreement for the provision of its
Energy One Trading platform.**

Energy One Limited (ASX: EOL) is pleased to announce it has executed an agreement with a major Australian integrated, generation-and-retail energy company, to supply, implement and provide multi-year support of Energy One's *Energy One Trading* platform, for the management their wholesale energy contracts.

Energy One Trading is a best-of-breed Energy Trading and Risk Management (ETRM) and was selected after a competitive process, demonstrating its credentials as a leading ETRM system for the Australian market.

Over the last two years, Energy One has been investing in, expanding, marketing and installing its range of industry leading solutions. The Company is pleased with this development, which further demonstrates its success in developing and delivering quality enterprise business tools to major energy sector clients.
