

ASX ANNOUNCEMENT

1 August 2014

Operating Results Upgrade

Hansen Technologies Limited (ASX: HSN) is pleased to announce an upgraded outlook to its operating results for the full year to 30 June 2014.

Andrew Hansen, CEO of Hansen Technologies said, "I am pleased to advise that our strong performance in the first half of this fiscal year has continued throughout the second half resulting in record revenues and operating performance this year".

Hansen advises that the revised expectations for the operating results for the Fiscal year ended 30 June 2014 are:

- **Operating revenue of approximately \$86 million, representing a 34% increase on the previous year,**
- **EBITDA of approximately \$24 million, a 52% increase on the previous year,**

This outlook is still subject to finalization and completion of the Audit process.

Further details regarding the company's performance for Fiscal 2014 will be provided with the formal release of the financial results, currently targeted for 26 August 2014.
