About Data#3

Data#3 Limited (ASX: DTL) is one of Australia's leading business technology solutions companies servicing customers across a wide range of industries throughout Australia and the Asia Pacific.

The company was established in 1977 and listed on the ASX in 1997.

Working with customer's business and technology teams, Data#3 addresses the **Hybrid IT** environment from **on-premise to outsourced to cloud**, through its software, infrastructure and managed solutions. These solutions leverage market-leading technologies from global vendors and Data#3's knowledge, expertise and experience to accelerate the achievement of customer business objectives:

- Software Solutions: for software licensing and deployment; asset management; and business productivity
- Infrastructure Solutions: for hardware lifecycle management; maintenance; and datacentre, network and desktop infrastructure
- Managed Solutions: for staffing; outsourcing; essential support; 'as a service'; cloud brokerage; and consulting.

Data#3 reported revenues of \$771 million in FY13 and \$399 million in 1H FY14. The company has approximately 900 employees, is headquartered in Brisbane, and operates from 12 locations across Australia.
