Dear Ms Mai

Request for Voluntary Suspension - Transpacific Industries Group Ltd ("the Company")

We refer to the Company's request for a trading halt on 13 August 2014.

The Company is continuing to review the adequacy of its provision for remediation of landfill assets, following a review of these provisions initiated by Management.

The Company expects it will be in a position to make an announcement on the adequacy of the provisions, together with the release of its financial results for the year ended 30 June 2014, by no later than commencement of trading on Tuesday 19 August 2014.

The Company is working to finalise these matters as quickly as possible in order to minimise the period in which its securities remain in suspension.

The Company requests an immediate voluntary suspension of its securities, to enable the Company sufficient time to complete its review of the adequacy of the provision, and provide a complete announcement to the market.

Yours sincerely

Kellie Smith

Company Secretary
