- (a) the provisions of this document operate subject to the ASIC instrument.
- (b) if relief from the provisions of the Corporations Act is given by an ASIC instrument on condition that this document includes specified provisions, then, while the condition applies, the provisions:
 - (i) are taken to be included in this document; and
 - (ii) prevail over the other provisions of this document to the extent of any inconsistency; and
- (c) if the relief is granted by class order (rather than specifically for the Trust), the ASIC instrument applies, and the specified provisions referred to in clause 1.5(b) are included in this document, unless the Manager otherwise states in writing.

- (a) The Manager has all the powers of a natural person over the Assets and the Trust.
- (b) The Manager may exercise any of its powers in relation to the Trust as it considers necessary or desirable.
- (c) The Manager may, subject to its obligations at law, exercise any of its powers in relation to the Trust even if it has a personal interest in the mode or result of exercising the power.

- (d) The Manager may, subject to its obligations at law, do whatever it thinks proper in the management and operation of the Trust.
- (e) Without limiting the operation of clause 3.3, and without prejudice to the Manager's obligations under this document, the Manager has the following powers in respect of the Trust:
 - (i) to make, purchase and sell any Authorised Investment for cash or upon terms;
 - (ii) to borrow and incur liabilities and obligations of any kind either unsecured or secured (and acquire Derivatives relative to borrowings), and in no circumstances will the Manager be liable to satisfy any rights in respect of any matter undertaken in respect of this power out of any funds, property or assets other than the Assets;
 - (iii) to enter into contracts of all kind, including contracts of guarantee and indemnity; and
 - (iv) all the powers necessary or desirable for the performance of its duties in respect of the Trust (including its obligations under the document).
- (f) The Manager need not perform any acts for which it considers it may not have a right of full indemnity from the Trust, other than to the extent it is required to act under the Applicable Standards.

3.4 Investment power

Subject to the Applicable Standards, the Manager may:

- (a) invest or apply the Assets as it thinks fit; and
- (b) purchase on-market Units or Options which are Officially Quoted, following which it must cancel the Units or Options purchased.

4.2 Holding of Assets

All Assets must be held:

4.3 Custodian holding Assets

The Custodian of any Assets must hold it either:

- (a) directly in its name; or
- (b) indirectly by any asset title, transfer or holding system approved by the Manager.

5 Trust divided into Units

5.1 Units

- (a) The beneficial interest in the Trust will be divided into Units. Subject to the provisions of this document, each Unit represents an undivided part of the beneficial interest in the Trust.
- (b) The Manager will create and issue Units.
- (c) Subject to clause 8, Units must be issued at the Issue Price.
- (d) While Stapling applies, the number of issued Units at any time must equal the number of each type of issued Joined Securities, but disregarding Units which are not Ordinary Units.

5.2 Interest conferred by Units

A Unit in the Trust confers on its holder an interest in the Assets as a whole and does not confer any interest in any particular part of the Trust or in any particular Asset.

5.3 Consolidation and division

- (a) The Manager may, subject to the Applicable Standards, consolidate or divide the Trust into any number of Units, but must maintain the same relativity between Unitholders as immediately before the consolidation or division and the same relativity between the amount unpaid and the amount paid up on a Partly Paid Unit.
- (b) While Units are Stapled, a Unit may only be consolidated or divided if each Joined Security is also consolidated or divided in the same manner and at the same time.

5.4 Classes of units

- (a) The Manager may create and issue Units with different rights and restrictions as set out in the terms of issue (**Class**). Subject to the terms of issue, each Unit confers on its holder identical rights to those conferred by each other Unit of that Class.
- (b) The Manager may divide issued Units into different Classes.

5.5 Rights issue

- (a) The Manager may, subject to clauses 8 and 9, Offer further Interests to all Members registered on a date set by the Manager (under the Applicable Standards if relevant) but if Stapling applies, Ordinary Units are only offered to Unitholders if there is a corresponding offer of an equal number of Joined Securities.
- (b) A Member may renounce its entitlement to any Interests Offered under clause 5.5(a) in favour of another person, unless the issue is expressed to be non-renounceable and provided that, while Stapling applies, that Member also renounces in favour of the same person, its entitlement to an equal number of Joined Securities offered to it.
- (c) Nothing in clause 5.5(a) or 5.5(b) prohibits the Manager from making a rights or entitlement offer under the first Disclosure Document for the Trust to any person or persons who are not currently a Member, but if Stapling applies, a right or entitlement offer of Ordinary Units must be accompanied by a corresponding rights or entitlement offer of an equal number of Joined Securities.

5.6 Fraction of Units

- (a) Units may be issued in fractions at the discretion of the Manager, and the value of, and all rights and obligations attaching to, a fractional Unit will be in proportion to those of a whole Unit.
- (b) Where a holding comprises more than one fraction of a Unit, the Manager may consolidate such fractions.
- (c) The Manager may consolidate or split the Units and the Manager must in respect of any consolidation or split:
 - (i) immediately amend the Register to record the consolidation or split;
 - (ii) notify the Unitholder within 30 days of the consolidation or split; and

- (iii) ensure that each Unit is consolidated or split on the same basis as each other Unit.
- (d) Subject to any law or Listing Rule or the Applicable Standards, the Manager may split Units pursuant to clause 5.6(c) to create additional Units of the same class or to split the Units according to rights or characteristics attaching to those Units so that two or more additional classes of Units are created comprising a sub-set of rights attaching to the split Units.
- (e) Notwithstanding clauses 5.6(a) to 5.6(d), while the Trust is listed the Manager cannot issue fractions of Units which are Officially Quoted.

5.7 Rounding

Where any calculation done under this document or the Applicable Standards would otherwise result in the issue or redemption of a fraction of a Unit or an Option (and the Manager has decided not to issue fractional Units or Options):

- (a) the number of Units or Options to be issued or redeemed must be rounded down to the nearest whole number; and
- (b) the excess Application Money or other property which results from rounding becomes part of the Assets.

6 Members

6.1 Limited Entitlement of Members

Subject to this document, an Interest does not entitle a Member to:

- (a) interfere with the powers of the Manager;
- (b) exercise any right or lodge any caveat or other notice affecting an Asset or claim any interest over any Asset; or
- (c) require the transfer to it of any Asset.

6.2 Members bound

This document binds each Member and all persons claiming through each of them as if each Member was severally a party to this document.

6.3 Term of membership

A person becomes the holder of a Unit (**Unitholder**) or the holder of an Option (**Optionholder**) on the date Units or Options are issued to that person, and ceases to be a holder of the Unit or Option when the person sells the Units or Options or the Manager redeems the Units or the Option is exercised or expires in accordance with its terms.

6.4 Joint tenancy

Where two or more persons are registered as the holder of an Interest, they hold it as joint tenants and not tenants in common unless the Manager otherwise agrees.

7 Application for and issue of Interests

7.1 Application

- (a) The Manager may seek and receive Applications in a form which it approves and which are under the Applicable Standards.
- (b) Subject to the Applicable Standards a person wishing to subscribe for an Interest must complete an application form (**Application Form**) and lodge it with the Manager in the manner determined by the Manager. Whilst Stapling applies, an Application for Ordinary Units must be accompanied by an application for an equal number of Joined Securities.
- (c) Unless the Applicable Standards provide otherwise, any Application Form must be accompanied by:
 - (i) the relevant Application Moneys (which may comprise a reinvestment of Distributions under this document); or
 - (ii) if the Manager proposes to issue the Interests in satisfaction of the whole or part of the purchase price of an Authorised Investment, by an effective transfer of the Authorised Investment to the Manager or the custodian appointed by it and, where the Trust is not Registered, accompanied by a recent valuation of the property acceptable to the Manager if the Manager requires.
- (d) In the case of clause 7.1(c)(ii):
 - (i) a contribution is taken to be the value of the asset established under clause 7.1(j) or, if the Trust is not Registered, as decided by the Manager;
 - (ii) the application for an Interest cannot be accepted unless the asset is vested in the Manager or its custodian.
- (e) No Interests may be issued in the circumstances mentioned in clause 7.1(c)(ii) unless the person to whom the Interests are issued completes an Application Form, which may be conditional on completion of the agreement under which the Authorised Investment is to be acquired by the Manager. Whilst Stapling applies, an Application Form relating to Ordinary Units must also be accompanied by an application for an identical number of Joined Securities made under the governing document of each Stapled Entity.
- (f) If the Manager acting on an Application does not receive clear title to the Application Money, or other consideration paid in lieu of Application Money, within a period decided by the Manager, the issue of Interests under the Application is void and the Manager may reverse any entries on the Register made in relation to the issue.
- (g) Application Moneys must be paid by cheque, bank draft, telegraphic or electronic transfer into an account nominated by the Manager (or any other method the Manager accepts).
- (h) For the purposes of clause 7.1(c) and subject to clause 8:
 - (i) payment for a Unit must be an amount equal to the Issue Price; and
 - (ii) if property is transferred to pay the Issue Price, the property must have a value equal to the Issue Price plus any costs associated with the transfer of the property incurred or likely to be incurred by the Manager.

- (i) If the Manager does not require payment of costs under clause 7.1(h)(ii), any costs associated with the valuation and acquisition of the asset are payable or can be reimbursed out of the Assets.
- (j) Where the Manager accepts property (other than money) for the issue of Interests and the Trust is Registered, the property must first be valued by an Approved Valuer.
- (k) The minimum amount of Application Moneys to be lodged with an Application is the amount set by the Manager or, whilst Stapling applies, the amount determined by the Manager and each Stapled Entity and apportioned to the Ordinary Units under clause 8.14.
- (l) Despite any other provision in this document, every Application is deemed to contain an acknowledgment that:
 - (i) the Application is subject to the terms and conditions of this document; and
 - (ii) the Manager gives no warranties and makes no representations about the Trust or the future price of Interests, or the income payable on Units, other than as set out in any Disclosure Document under which the Interests are issued.
- (m) Subject to the Applicable Standards and this document, Applications may not be withdrawn unless the Manager agrees and, while Stapling applies, the application for Joined Securities is also withdrawn.

7.2 Discretion to accept or refuse

- (a) The Manager may, subject to the Applicable Standards, reject any Application in whole or in part and is not required to give any reason for the rejection.
- (b) The Manager must make the decision to accept or refuse any Application within the time required by the Applicable Standards, or if no time is required, promptly after the receipt of the Application.
- (c) If an Application is rejected in whole or in part by the Manager, the Manager must promptly return the Application Moneys or proportional part of them to the applicant, less any costs, expenses or Taxes the Manager is entitled to retain under the Applicable Standards.
- (d) Interest earned on Application Moneys until the Application is:
 - (i) accepted and Interests issued; or
 - (ii) rejected and Application Moneys refunded under clause 7.2(c),

must be treated in the manner disclosed in the Disclosure Document, which may include being added to the Application Moneys for the purpose of issuing Interests or, while Stapling applies, Stapled Securities; paid to the Applicant; retained as an Asset; or paid to Manager, however if the treatment of interest is not specified in the Disclosure Document the interest must be retained as an Asset or, while Stapling applies, retained as an Asset, retained an asset of the Stapled Entities, or both, as determined by the Manager and Stapled Entities.
- (e) Without limiting clause 7.2(d), the Manager may deal with the interest by:
 - (i) adding it to the Application Moneys for the purpose of issuing Interests;

- (ii) paying it to the Applicant;
 - (iii) retaining it as an Asset; or
 - (iv) paying it to the Manager.
- (f) If the treatment of interest is not specified in the Disclosure Document the interest must be retained as an Asset.
- (g) Notwithstanding the other provisions in clause 7.2, while Stapling applies and subject to the Applicable Standards the Manager must reject any Application for Ordinary Units in whole or in part if an Application for an equal number of Joined Securities is not made by the applicant at the same time.

7.3 Receipt for Application Moneys

- (a) The Manager may issue a receipt (**Receipt**) for Application Moneys received.
- (b) A Receipt is not evidence of the issue of an Interest or title to it.

7.4 Date of Receipt and issue

- (a) An Application for Interests is taken to be received when the Manager exercises its discretion to accept the application.
- (b) Subject to the Applicable Standards and clause 7.4(c), if the Application is accepted by the Manager, the Interests are to be issued on the date set by the Manager.
- (c) Units issued on a reinvestment of Distributions are taken to be issued on the day the application for those Units is deemed to be received.

7.5 Underwriting of issue

- (a) The Manager may decide that an issue of Interests or, whilst Stapling applies, the Stapled Securities is to be underwritten and all management fees, underwriting commissions, sub-underwriting fees, brokerage, handling fees and other amounts payable in connection with the underwriting (including where payable to any Associate of the Manager) and, when Stapling applies, applicable to the underwriting of the Units, Options or both (as determined by the Manager and Stapled Entities) must be paid out of the Trust Fund as an Expense.
- (b) The Underwriter or its nominee may subscribe for Interests or, if applicable, Stapled Securities under the relevant underwriting agreement at an Issue Price not less than that at which the Interests or Stapled Securities were Offered under the relevant Disclosure Document.
- (c) Subject to the Applicable Standards, the Manager may issue Interests to an Associate as an Underwriter under clauses 8.3, 8.4 or 8.5, if:
 - (i) the issue is made under an underwriting or sub-underwriting agreement between the, as applicable, Manager and, while Stapling applies, the Stapled Entities or the Underwriter and the Associate that is entered into on terms that are no more favourable to the Associate than terms that would be reasonable in the circumstances if the, as applicable, Manager and, while Stapling applies, the Stapled Entities or Underwriter and the Associate were dealing at arm's length; and

- (ii) the Associate holds an Australian Financial Services Licence authorising it to deal as an Underwriter in interests in managed investment schemes, and containing conditions to the effect that the Associate, as licensee:
 - (A) must not exercise voting rights for any Interests it acquires as Underwriter; and
 - (B) may only dispose of Interests it acquires as Underwriter:
 - (I) in the ordinary course of trading on ASX or on an Approved Foreign Market;
 - (II) to a person who is not an Associate of the Manager; or
 - (III) to a person who is an Associate of the Manager that acquires the Interests in an Eligible Fiduciary Capacity.

7.6 Certificates

- (a) The Manager may issue certificates or other documentation for Interests under the Applicable Standards.
- (b) If the Applicable Standards do not require the issue of certificates, the Manager may decide whether or not to issue certificates for Interests.
- (c) Subject to the Applicable Standards, a certificate is not evidence of title to the Interests.

7.7 Vesting of Application Money

Subject to the Applicable Standards, the Manager may decide to vest Application Money in the trustee of a trust in which the Manager holds all or part of the beneficial interests, rather than the Manager itself, and if so:

- (a) clause 7.1(c) applies as if references to vesting of Application Money or property in the Manager were references to vesting of Application Money or property in the trustee of that trust; and
- (b) some or all of the costs associated with the transfer of property incurred or likely to be incurred by the trustee of that trust may be taken into account for the purposes of clause 7.1(c) or 7.1(i).

8 Issue Price of Units

- (a) The Issue Price for the first issue of Units is \$1 per Unit or, if Stapling applies, an amount as determined by the Manager under clause 8.14.
- (b) Subject to clause 8.1(c), clauses 8.2 to 8.7 and clause 8.10, if:
 - (i) Units are not Officially Quoted, the Issue Price for Units issued after Units under clause 8.1(a) will be equal to the Unit Value; or
 - (ii) if Units are not Officially Quoted and Stapling applies, the Issue Price of Units for Units issued after Units under clause 8.1(a) must be the Stapled Security Value,

minus the issue price of Joined Securities as determined by the Manager under clause 8.14,

- (b) The Manager must offer the Units to Unitholders on the Register on a Record Date not more than 20 Business Days before the date of the offer (**Rights Unitholders**) on a pro rata basis in proportion to the value of each Rights Unitholder's interests in the Trust on that date.  - (ii) Units are Officially Quoted and Stapling applies, the Issue Price of a Unit must not be less than 50% of the Market Price of Stapled Securities in that Class (calculated in accordance with clause 8.2(b)) minus the issue price of Joined Securities as determined by the Manager under clause 8.14,

on the day which is five Business Days before the date on which the intention to make the offer or issue is announced to the ASX.
- (g) If Units are not Officially Quoted, the Issue Price of a Unit must not be less than 50% of the Issue Price for the Units in that Class (calculated under clause 8.1(b)(i)) on the day

five Business Days before the date on which the intention to make the offer or issue is announced.

- (c) Subject to clauses 7.5(c) and 8.4(f), Units must not be issued to the Manager or its Associates.
- (d) The amount by which the Issue Price is less than the Market Price on the date which is five Business Days before the Offer or issue is announced must not exceed 50% of that Market Price.

interests of any other kind in the Trust), Unitholders in that other Class (or persons holding interests of any other kind in the Trust) must approve the issue by a Placement Resolution.

- (f) Any notice convening a meeting to vote on a proposed Placement Resolution must contain particulars of the use to be made of the money raised by the issue.
- (g) Subject to the Applicable Standards, the Manager may issue Units to the Associate under clause 8.5, if:

8.10 General

Despite any other provision in clause 8, but subject to any applicable ASIC Exemption and the Listing Rules, the Manager may issue Units at an Issue Price determined by the Manager being a price other than the Issue Price calculated in accordance with clauses 8.1 and 8.2, if the Manager is permitted under the Corporations Act to do so.

8.11 Satisfaction of Issue Price

The Issue Price may be satisfied by payment of cash or by transfer to the Manager of property acceptable to the Manager.

8.12 Forfeited Partly Paid Units

The Manager may set the price for the sale of Partly Paid Units that have, in accordance with 11 document, been forfeited to the Manager on trust for Members of the Trust if the outstanding amount of the Issue Price of the Partly Paid Unit has not been paid when called and both of the following apply:

- (a) on the payment of the outstanding amount, the Unit would be in a Class of Units that are Officially Quoted; and
- (b) the sale of the forfeited Units is in accordance with section 254Q Corporations Act (other than sections 254Q(1), 254Q(9), 254Q(10) and 254Q(13)) as if the Units were shares, the Trust was the company and the Manager was a director of the company.

8.13 Force majeure

- (a) The obligations of the Manager under clauses 8.1, 12 and 13 are suspended to the extent that it is wholly or partly precluded from complying with its obligations by force majeure.
- (b) Force majeure includes, but is not limited to fire, storm, flood, earthquake, explosion, war or other state of armed hostilities, terrorist attack, rebellion, insurrection, sabotage, epidemic, quarantine restriction, labour dispute, labour shortage, transportation embargo or failure or delay in transportation, act of God, act (including laws, regulations, disapprovals or failure to approve) of any government or agency whether national, municipal or otherwise or where the manager of a fund in which the Trust Fund is invested has suspended redemptions from that fund.
- (c) If after a period of seven Business Days the force majeure persists, the Manager may, subject to its obligations at law, and under the Applicable Standards, at its discretion continue the suspension until the Manager decides it is in the interests of Members to remove the suspension.

8.14 Stapled Securities price allocation

- (a) Where Stapling applies and:
 - (i) a Unit is to be issued, redeemed or bought back as part of a Stapled Security; and
 - (ii) this document contains a provision for the calculation of the issue price or redemption price for the Stapled Security from which the price for the Unit is to be determined,

the Manager must allocate part of the issue price for a Stapled Security to a Unit and to each Joined Security under clause 8.14(b).

- (b) Subject to clause 8.14(c), the issue price or redemption price for a Stapled Security must be allocated between the Issue Price or Redemption Price for the Unit and the issue price or redemption price for each Joined Security on the basis of fair value as agreed between the Manager and the Stapled Entities or, failing agreement, as determined by an independent accountant based on fair market value, having regard to the net tangible asset backing of the Unit and each Joined Security immediately before the issue, redemption or buy-back of the Stapled Security; and any other factors that the accountant believes should be taken into account.
- (c) Where the Unit is issued upon exercise of an Option and the terms and conditions of the Option specify the Issue Price at which the Unit is to be issued, the issue price of the Unit and of each Joined Security must be determined under any relevant provisions of the terms of the Option.

9 Issue of Stapled Securities

9.1 Clause to take precedence

With the exception of clause 29, the provisions of clause 9 are paramount and apply on and from the Stapling Commencement Date, despite any other provision of this document.

9.2 Units to be Stapled

- (a) On and from the Stapling Commencement Date, the Units are to be Stapled to the TT Units in the ratio of one Unit to one TT Unit, so that:
 - (i) holders of Ordinary Units are identical to the holders of Joined Securities;
 - (ii) if further Joined Securities are Stapled to the Units, the holders of those other Joined Securities are identical to the Unitholders; and
 - (iii) so far as the Applicable Standards permit, a Unit and a TT Unit which are Stapled and any other Joined Security Stapled to the Unit from time to time, are treated as one security.
- (b) Any Ordinary Units issued before the Stapling Commencement Date must, from the Stapling Commencement Date, be Stapled to TT Units, in the ratio of one Unit to each TT Unit, to form a Stapled Security.
- (c) While Stapling applies, the number of issued Ordinary Units must equal the number of issued Joined Securities and, if further Joined Securities are Stapled to the Stapled Securities from time to time, the number of any other issued Joined Securities at that time.
- (d) Clause 9 only applies in respect of Ordinary Units and does not restrict the issue of other classes of Units as it is intended that, unless the Manager decides otherwise, only Ordinary Units are to be stapled to TT Units and other Joined Securities.

9.3 Obligations while Stapling applies

- (a) While Stapling applies, neither the Manager nor the Unitholders must do, or refrain from doing, anything if it would result in any Unit no longer being Stapled and forming part of a Stapled Security. In particular:
 - (i) the Manager must not Offer any Units for subscription unless an Offer is made at the same time and to the same person to subscribe for an identical number of TT Units and, if applicable, other Joined Securities ;
 - (ii) any Offer relating to Units for subscription or sale must require each offeree to subscribe for or buy a number of TT Units and, if applicable, a number of other Joined Securities equal to the number of Units subscribed for or bought;
 - (iii) the Manager must not issue any Units to any person unless an identical number of TT Units and, if applicable, other Joined Securities, are also issued or sold to the same person at the same time;
 - (iv) the Manager must not register any transfer of Units to any person unless an identical number of TT Units and, if applicable, other Joined Securities, are also transferred to the same person at the same time; and

- (v) the Manager must not consolidate, subdivide, forfeit, cancel, buy back or reorganise (as defined in the Listing Rules) any Units or otherwise reorganise the Trust unless at the same time there is a corresponding consolidation, subdivision, cancellation, buy back or reorganisation (as defined in the Listing Rules) of TT Units and, if applicable, other Joined Securities, or re-organisation of the capital of the Trading Trust and, where relevant, each other Stapled Entity.
- (b) Before the date upon which the Units become Unstapled, if Units have been issued, the relevant Unitholders and the Manager must cooperate to ensure that:
 - (i) if necessary, TT Units and, where relevant, other Joined Securities are issued to the holders of the Units; and
 - (ii) the Units are Stapled to the TT Units and, where relevant, to the other Joined Securities to form Stapled Securities.
- (c) The Manager must use every reasonable endeavour to ensure that Stapled Securities are dealt with under this document in a manner consistent with the provisions relating to Stapling in the trust deed of the Trading Trust and in the governing document of any other Stapled Entity.

9.4 Unstapling

- (a) Subject to the Corporations Act, the Listing Rules and approval by a Special Resolution of the Unitholders and the holders of other Joined Securities, the Manager may determine that the Stapled Provisions must cease to apply. If the Manager does so, it may at a later time give notice that the application of the Stapling Provisions is to recommence.
- (b) Each Unit remains Stapled to a TT Unit and, if applicable, each other type of Joined Security to which it is Stapled until the date the Units are Unstapled. Units must cease to be Stapled to any security which ceases to be on issue and, in such circumstance, the Manager must do all things reasonably necessary to procure that each Unit is Unstapled.
- (c) Subject to the Corporations Act, a Stapling Provision may not be amended except with the prior written consent of the Manager.

9.5 Registration

Subject to clauses 6.3 and 6.4, the Manager must issue a certificate or a holding statement, under the requirements of the CHESS system, in respect of the Stapled Securities, identifying the Stapled Securities to which the certificate or holding statement relates.

10 Options

10.1 Exercise price of Options

The Manager may issue Options on the basis that the price for a Unit on exercise of the Option (**Exercise Price**) is:

- (a) if the Unit is Officially Quoted, the Market Price as at the calculation date; or
- (b) if the Unit is Officially Quoted and Stapling applies, the Market Price of Stapled Securities as at the calculation date, minus the issue price of Joined Securities as determined by the Manager under clause 8.14;

- (c) if the Unit is not Officially Quoted, the Issue Price determined under clause 8.1(b)(i), calculated as at the last Valuation Date before the calculation date;
- (d) a price determined by the Manager under clauses 8.4, 8.5 or 8.10; or
- (e) subject to clause 10.3, a price determined by the Manager other than in accordance with clauses 10.1(a) to 10.1(d).

10.2 Consideration for Options

The Manager may issue Options:

- (a) for consideration; or
- (b) for no consideration; and
- (c) on such other terms as the Manager determines,

subject to any requirements of the Applicable Standards.

10.3 Issue of Options under ASIC Exemption

- (a) The Manager may issue Options at an Exercise Price set by the Manager other than in accordance with clause 10.1, if it is permitted to do so by an ASIC Exemption, subject to the terms and conditions of the ASIC Exemption and clauses 10.3(b) to 10.3(m).
- (b) The Manager must offer the Options to Unitholders on a Record Date not more than 20 Business Days before the date of the offer (**Entitled Unitholders**) in proportion to the value of their interests.
- (c) Subject to clause 8.9, the Manager must make the offer to all Entitled Unitholders.
- (d) Subject to clause 10.3(l), Options offered to Entitled Unitholders but not acquired by them, may be issued to other persons.
- (e) The Options offered must be in the same class.
- (f) All Options offered must be offered at the same issue price, and all Options must be offered at the same Exercise Price.
- (g) The means of working out the Exercise Price must be set out in the Option terms.
- (h) If the Units to which the Option relates are in a Class of Units Officially Quoted, the Exercise Price of an Option must not be less than 50% of the Market Price of a Unit on the date which is five Business Days before the Options issue is announced.
- (i) If the Units to which the Option relates are in a Class of Units Officially Quoted and Stapling applies, the Exercise Price of an Option must not be less than 50% of an amount equal to the Market Price of Stapled Securities on the date which is five business days before the Options are offered, minus the issue price of Joined Securities as determined by the Manager under clause 8.14.
- (j) If the Units to which the Option relates are in a Class of Units not Officially Quoted, the Exercise Price of an Option must not be less than 50% of the Issue Price of a Unit calculated under clause 8.1(b)(i) on the date which is five Business Days before the Options are offered.

- (k) The Manager must offer the Options to Entitled Unitholders at substantially the same time.
- (l) The Manager must only issue Options to its Associates as Entitled Unitholders.
- (m) The entitlement of holders of Partly Paid Units must be determined by reference to the amount of the Issue Price actually paid up on those Partly Paid Units at the relevant time.

10.4 Reorganisation of Options

Subject to the Listing Rules and the Option terms, the Manager may reorganise Options.

10.5 Option exercise

- (a) Options must be exercised under their terms.
- (b) The Manager may only refuse to issue Units on exercise of an Option if the terms of issue or the Listing Rules (if applicable) permit refusal or if any law requires refusal.
- (c) While Stapling applies to Units to which the Option relates, an Option may only be exercised if, at the same time as Units are issued upon exercise of the Option, the same person acquires an identical number of Joined Securities which are then Stapled to the Units.

10.6 Rights attaching to Options

- (a) An Option does not confer an interest in, or a right to participate in, the income or capital of the Trust Fund.
- (b) Each Optionholder agrees not to:
 - (i) interfere with any rights or powers of the Manager under this document;
 - (ii) purport to exercise a right in respect of an Asset or claim any interest in an Asset (for example, by lodging a caveat affecting an Asset); or
 - (iii) require an Asset to be transferred to them (or any other person).
- (c) Subject to the terms of the Option and the Corporations Act, a Optionholder who is not a Unitholder may attend a meeting of Unitholders, but is not entitled to receive notice of or speak or vote at such a meeting.
- (d) Subject to the terms of the Option and the Corporations Act, an Optionholder who is not a Unitholder is not entitled to any rights of a Unitholder.

10.7 When Trust not Registered

Despite any other provision in clause 9, whilst the Trust is not Registered the Manager may issue Options in any manner and at any Exercise Price it determines appropriate.

11 Partly Paid Units

11.1 Terms of issue

- (a) Subject to the Applicable Standards, the Manager may issue Units on terms that the Issue Price (or any part of the Issue Price) of the Units is payable at call, or by instalments, and at times as set by the Manager at the date of issue (**Partly Paid Unit**).
- (b) Money due under the terms of issue of a Partly Paid Unit at a fixed date, is deemed to be called on that date.
- (c) While Stapling applies to Partly Paid Units, the Manager may not issue Partly Paid Units unless a corresponding number of partly paid Joined Securities are also issued to the same party. A call must not be taken to have been validly paid pursuant to this document unless any amount payable at the same time in relation to partly paid Joined Securities is also paid.

11.2 Calls

A holder of a Partly Paid Unit must pay a call made under the terms and conditions of issue of the Partly Paid Unit, to the Manager.

11.3 Prepayment of calls

The Manager may:

- (a) accept from a Unitholder a payment for a Partly Paid Unit, even if no payment is due;
- (b) pay interest on any amount accepted, until it becomes due, at a rate agreed between the Manager and the Unitholder; and
- (c) repay the amount or any part of it,

but payment and acceptance of that sum does not confer any right to participate in a Distribution and must not be considered in ascertaining the amount of a Distribution attributable to that Unit.

11.4 Interest on late payment of calls

If any call is not paid on or before the date for payment, the holder of the Partly Paid Unit must pay interest on the amount of the call (accruing for the benefit of the Trust) from the date for payment to the date of actual payment, at the Prescribed Rate, and all reasonable costs and expenses incurred by the Manager because of non-payment.

11.5 Non-receipt of notice of call

The non-receipt of a notice of a call by a Unitholder, or the accidental omission to give notice of a call to a Unitholder, does not invalidate the call.

11.6 Deductions for unpaid calls

If all or part of a call is not paid on or before the date for payment, then until the call is paid, the Manager must deduct unpaid amounts (together with interest accrued and all reasonable costs and expenses incurred by the Manager because of the non-payment) from any amount payable to the relevant Unitholder under this document.

11.7 Forfeiture

If a call is not paid on or before the due date, the Manager may, subject to the Applicable Standards, at any time after that day while any part of a call, interest accrued on that call or the costs and expenses incurred by the Manager because of non-payment, remains unpaid, forfeit to the Manager the Partly Paid Units in respect of which amounts are payable with effect from a date set by

11.8 Forfeiture of Joined Securities

If Stapling applies to the Partly Paid Units referred to in clause 11.7, the same number of Joined Securities are forfeited to the Manager with effect from the same date.

11.9 Entry on Register

If a Partly Paid Unit has been forfeited under clause 11.7, the forfeiture and the date of forfeiture must be entered in the Register and, while Stapling applies to that Unit, also in the Stapled Security Register.

11.10 Disposal of forfeited Partly Paid Units

Except where clause 11.12(b) applies, any Partly Paid Unit forfeited by the Manager must be sold by the Manager or its Agent at the Issue Price calculated on the date of the sale, and, whilst Stapling applies to that Unit, an equal number of Joined Securities must also be sold to the same person.

11.11 Annulment of forfeiture

The Manager may at any time before a forfeited Partly Paid Unit is sold, annul the forfeiture upon conditions set by the Manager, and, if Stapling applies to that Unit, the forfeiture of an equal number of Joined Securities held by that Member is also annulled.

11.12 Transfer of forfeited Partly Paid Units

- (a) On any sale of a forfeited Partly Paid Unit, the Manager may receive the sale price and in the name of the Unitholder whose Partly Paid Unit has been forfeited, transfer the Partly Paid Unit to the person to whom the Partly Paid Unit has been sold and if Stapling applies to that Partly Paid Unit, the same number of Joined Securities are also transferred to the same person.
- (b) On completion of the transfer, the transferee must be registered as the holder of the Partly Paid Unit and the transferee's title to the Partly Paid Unit is not affected by any irregularity or invalidity in connection with the forfeiture or sale of the Partly Paid Unit, and if Stapling applies to that Partly Paid Unit, registration of the transferee as a holder of the Partly Paid Unit is subject to the transferee also being registered as a holder of an equal number of Joined Securities.

11.13 Liability despite forfeiture

Any Unitholder whose Partly Paid Units have been forfeited must, despite the forfeiture, pay to the Manager the unpaid amount, interest accrued on that part and the costs and expenses incurred by the Manager because of the failure to pay on the due date.

11.14 Manager's lien

Subject to the Listing Rules, the Manager has a first and paramount lien on every Partly Paid Unit and all Distributions and other moneys payable for a Partly Paid Unit, for amounts called or payable on a Partly Paid Unit.

11.15 Sale of Partly Paid Units to enforce lien

For the purpose of enforcing a lien, the Manager may sell the Partly Paid Units subject to the lien, in the same manner as if the Partly Paid Units had been forfeited and if Stapling applies to those Partly Paid Units, an equal number of Joined Securities are also sold to the same person.

11.16 Proceeds of sale

The net proceeds of any sale of forfeited Partly Paid Units or the sale of Partly Paid Units to enforce a lien must be applied in the following order of priority, until each priority is satisfied (if possible):

- (a) **(first priority)** payment of all costs relating to the enforcement of the lien or the forfeiture (as the case may be) and the sale;
- (b) **(second priority)** if the first priority is satisfied, in payment of the unpaid call and interest on the unpaid call; and
- (c) **(residue)** if the first and second priorities are satisfied, the residue (if any) must be paid to the person registered as the Unitholder immediately before the sale.

11.17 Joint holders

Joint holders of Partly Paid Units are jointly and severally liable to pay all amounts due and payable on the Partly Paid Units held by them.

12 Transfer and transmission of Interests

12.1 Transfer

- (a) Subject to the provisions of this document and the Applicable Standards, an Interest may be transferred or transmitted.
- (b) Notwithstanding any other provision of clause 12, if Stapling applies to a Unit, that Unit can only be transferred or transmitted if, in addition to the requirements of clause 12, an equal number of Joined Securities are also transferred or transmitted to the same person.

12.2 Instrument of transfer

- (a) A transfer of an Interest (being a holding for which certificates have been issued not cancelled (**Certificated Holding**)) must not be registered unless a proper instrument of transfer, stamped if necessary, and signed by the transferor and the transferee is lodged with the Manager, together with the certificates of the Interest to which it relates. The Manager may waive production of any certificate upon evidence satisfactory to the Manager demonstrating its loss or destruction.
- (b) Any transfer of an Interest (being a holding for which certificates have not been issued or have been issued and cancelled (**Uncertificated Holding**)) must be effected under the Applicable Standards.

- (c) Subject to the Applicable Standards the Manager may at its sole discretion accept the transfer of an Interest in any form it considers acceptable or appropriate.
- (d) While the Trust is Listed, no transfer is permitted except as permitted by the Listing Rules.

12.3 Date of transfer

The transferor remains the holder of the Interest until the name of the transferee is entered in the Register.

12.4 Form of transfer

- (a) Each transfer of a Certificated Holding of an Interest must be in writing and comply with the Applicable Standards. If the Interest is not Officially Quoted, the transfer must be in a form approved by the Manager.
- (b) Any transfer of Uncertificated Holdings of an Interest must be carried out in the manner required by the Applicable Standards.

12.5 Refusal to register

- (a) While the Trust is not Listed, the Manager may refuse to register or fail to register or give effect to any transfer of an Interest without assigning a reason.
- (b) While the Trust is Listed, the Manager may decline to register a transfer of an Interest where to do so would not contravene the Listing Rules and must do so when required by law, by the Applicable Standards, and if Stapling applies to a class of Unit, registration of transfer of Joined Securities also suspended for the same duration. Where the Applicable Standards require, the Manager must notify the lodging party of the refusal to register the transfer and the reasons for the refusal within the time prescribed by the Listing Rules.
- (c) The Manager has the same right to refuse to register a personal representative or person entitled to Interests on the insolvency or mental incapacity of a Member as it would have if that person were the transferee named in a transfer signed by a living, solvent, competent Member.

12.6 Manager's power to apply holding lock and to decline to register

- (a) If permitted or required under the Listing Rules or the ASX Settlement Operating Rules the Manager may request any applicable CS Facility Operator to apply a holding lock to prevent a transfer of Interests where the Interests are registered on a CHES subregister.
- (b) If the Listing Rules require the Manager to do so, the Manager must request any applicable CS Facility Operator to apply a holding lock to prevent a transfer of Interests registered on the CHES subregister.
- (c) If in the exercise of its powers under clause 12.6, the Manager requests a holding lock be applied to prevent a transfer of Interests registered on a CHES subregister it must give written notice of the same to the Member. Failure to give notice does not invalidate the decision of the Manager.

- (d) While Stapling applies to a class of Units, the Manager must refuse to register the transfer of those Units if an equal number of Joined Securities are not transferred to the same transferee at the same time.
- (e) While Stapling applies to a class of Units, the Manager can only request a holding lock be applied to prevent a transfer of Units in that class under clause 12.6(e) where, subject to the Applicable Standards, a holding lock is also applied to an equal number of Joined Securities held by the same person.

12.7 Manager may suspend registration of transfer

Subject to the Listing Rules, the Manager may suspend registration of transfers of Interests at the times and for the periods it thinks fit. While Stapling applies to a class of Units, the Manager must not, subject to the Applicable Standards, register a transfer of such Units unless an equal number of Joined Securities are simultaneously transferred to the same transferee.

12.8 Powers of attorney

The Manager may assume, as against a Member, that a power of attorney granted by the Member that is lodged with or produced or exhibited to the Manager, remains in force, and may rely on it, until the Manager receives express notice in writing at its registered office of:

- (a) the revocation of the power of attorney; or
- (b) the death, dissolution or insolvency of the Member.

12.9 Consideration of transfer

The Manager need not concern itself with the consideration for a transfer of any Interest.

12.10 Transmission – death of joint holder

If a joint holder of an Interest dies:

- (a) the Manager must recognise only the surviving joint holders as to the holder of the Interest; and
- (b) the estate of the deceased joint holder is not released from any liability in respect of the Interests.

12.11 Transmission – death of single holder

If a single holder of an Interest dies:

- (a) the Manager must recognise the legal personal representative of the deceased Member as the holder of the Interest;
- (b) subject to clauses 12.3 and 12.5(c), the Manager must register the legal personal representative as the holder of the Interest as soon as possible after receipt of a written request to do so; and
- (c) whether or not registered as the holder of the Interests, the legal personal representative:
 - (i) may, subject to clause 12, transfer the Interests to another person; and

- (ii) has the same rights as the deceased Member.

12.12 Transmission – insolvency or mental incapacity

Subject to the *Bankruptcy Act 1966* (Cth), if a person, entitled to Interests because of the insolvency or mental incapacity of a Member, gives the Manager the information it reasonably requires to establish the person's entitlement to be registered as holder of the Interests:

- (a) subject to clauses 12.3 and 12.5(c), the Manager must register that person as the holder of the Interests as soon as possible after receipt of a written and signed notice to the Manager from that person requiring it to do so; and
- (b) whether or not registered as the holder of the Interests, that person:
 - (i) may, subject to clause 12, transfer the Interests to another person; and
 - (ii) has the same rights as the insolvent or incapable Member.

13 Redemption of Interests

13.1 No obligation to redeem

The Manager is not obligated to redeem any Member's Interest, and no Member has the right to have his or her Interests redeemed, but the Manager may allow the redemption of Interests, from time to time. While Stapling applies, no Unit, which forms part of a Stapled Security, may be redeemed unless each Stapled Entity also redeems, buys-back, cancels or otherwise acquires an equal number of Joined Securities from the same holder.

13.2 Redemption process

- (a) Where the Trust is Registered:
 - (i) an offer by the Manager to redeem Interests must be made in accordance with the requirements of part 5C.6 Corporations Act and this document; and
 - (ii) a Member may only request the Manager redeem any Interests held by the Member pursuant to the offer made under clause 13.2(a)(i).
- (b) Where the Trust is not Registered, then the withdrawal process will be as determined by the Manager.
- (c) Where the Units are Officially Quoted no redemption may occur, unless it is conducted in accordance with the Applicable Standards.
- (d) In either case the withdrawal offer must detail the Redemption Date, being the date upon which Interests will be redeemed or repurchased under the withdrawal offer.

13.3 Redemption price

- (a) Subject to clause 13.3(b), an Interest may only be redeemed at the Redemption Price.
- (b) While Units are partly paid, the Uncalled Amount must be deducted from the Redemption Price.

13.4 Deducting redemption fees and other amounts from Redemption Amount

The Manager may deduct from the Redemption Amount payable to a Member:

- (a) other amounts owing by the Member to the Manager; and
- (b) under clause 13.3(b), any Uncalled Amount.

13.5 Funding of redemption

To fund the redemption of Units, the Manager may:

- (a) apply or realise part of the Trust Fund; or
 - (b) obtain financial accommodation,
- or a combination of both.

13.6 Time for payment of Redemption Amount

The Manager must pay the Redemption Amount for any Units within 21 days of the Redemption Date.

13.7 Cancellation of Units

Units which have been redeemed out of the Trust Fund must be cancelled and the Manager must record the cancellation in the Register.

13.8 Transfer of specific Assets

The Manager may, in agreement with a Member, decide that the Redemption Amount payable to that Member will be satisfied wholly or in part by the transfer of investments of the Trust Fund at their Current Market Value. Expenses incurred in respect of the transfer must be paid by the Member unless the Manager decides otherwise.

13.9 Cancelling the withdrawal Offer

The Manager may cancel a withdrawal offer by:

- (a) publishing a notice of cancellation by any means (for example, including, without limitation, in a newspaper or on the internet); or
- (b) notice in writing to the Members to whom the withdrawal offer was made.

13.10 Compulsory redemption of small holdings

If the Unit Value of Units in the Trust Fund held by a Member at the date of calculation is less than the Minimum Redemption Amount, the Manager may redeem those Units at the Redemption Price on the Redemption Date set by it, on the terms set out in clause 12 to the extent applicable.

13.11 Components of Redemption Price and payment of accrued Distributions

- (a) Unless the Manager otherwise notifies a Unitholder whose Units are redeemed or repurchased, the Redemption Price paid to that Unitholder is comprised of capital only. The Manager may notify a Unitholder that the Redemption Price is comprised of part

capital and part income. Where the Redemption Price paid to a Unitholder is comprised of income and capital, the Unitholder will be presently entitled (within the meaning of the Tax Act) to the income component and the Manager must notify the Unitholder of the income component of the Redemption Price paid to them. This notice may be given at the time of redemption or repurchase but must in any case be given within three months of the end of the financial year of the Trust Fund in which the redemption or repurchase occurs.

- (b) Where a Unit is redeemed or repurchased after a right to a distribution of income or capital has accrued, that distribution may be paid to the holder of the Unit at the time of payment of the applicable Redemption Price even if the distribution has not been paid at that time to holders of other Units.

13.12 Buy-back of Units

- (a) While the Trust is Listed, the Manager may, subject to and under the Applicable Standards and clause 13.12(c), purchase Units or, where Stapling applies, Stapled Securities on ASX and cause the Units, or the part of the Stapled Securities comprised by Units, to be cancelled.
- (b) Where Units are bought back on the ASX the Redemption Price is not payable upon cancellation of the Units.
- (c) While Stapling applies to a class of Units, the Manager may only buy-back and cancel those Units if an equal number of Joined Securities are also bought back and cancelled contemporaneously by the respective Stapled Entities. Where Units are purchased as part of a Stapled Security pursuant to a buy-back, the Manager must determine, under clause 8.14, what proportion of the price paid for the Stapled Securities relates to Units and is to be paid from the Assets of the Trust Fund.

13.13 Reliance

In calculating the Redemption Price under this clause and clause 14 the Manager incorporates, relies upon and must comply with the terms and conditions of an ASIC Exemption.

13.14 Cooling-off

If a Unitholder has the right under the Applicable Standards to return Units issued by the Manager, the Manager is permitted to cancel the Units and to repay the Unitholder the money that it is required to pay under the Applicable Standards and if Stapling applies to those Units, and subject to compliance with the Applicable Standards, an equal number of Joined Securities issued to the same person are also cancelled by the respective Stapled Entities.

14 Valuation of Assets

- (a) The Manager may at its discretion cause all or any Assets to be valued by an Approved Valuer. The cost of any valuation is an Expense.
- (b) The Manager may, at any time, ascertain the Trust Value, and must do so when the Manager considers it in the best interest for Members to do so.
- (c) The most recently calculated Trust Value must be recorded by the Manager, but if the Manager reasonably believes that the value is inaccurate, incomplete or out of date, then the Manager must recalculate the Trust Value or have the Trust Value revalued by an Approved Valuer.

- (d) The Manager's determination of the Trust Value or the value of an Asset binds all the Members.
- (e) The Manager must maintain a record of the value of the Assets.
- (f) In calculating Net Trust Value and Trust Liabilities, the Manager may confer with the Auditor to ensure the methodology used is consistent with the Applicable Standards.
- (g) While the Trust is Registered, an Approved Valuer appointed by the Manager must:
 - (i) not be a related entity or Associate of the Manager; and
 - (ii) have sufficient experience in valuing a particular kind of asset or property to be valued.

15 Distribution of income and capital

15.1 Manager to receive income

The Manager will collect all income of the Trust.

15.2 Payment of Expenses

The Manager must in each Distribution Period cause all Expenses to be paid, in the first instance out of the income of the Trust according to Accounting Standards and then, if the income is insufficient, out of the balance of the Trust Fund.

15.3 Income of Trust

The decision of the Manager about whether any item is income or capital is final.

15.4 Distributable income and Income

The Manager must determine the distributable income and the Income of the Trust for each financial year.

15.5 Determination of distributable income

Unless the Manager decides otherwise prior to the end of the financial year, distributable income is:

- (a) the Income for the financial year; and
- (b) any additional amount whether income or capital which the Manager considers appropriate for distribution in the period.

15.6 Classification of distributable income

- (a) The Manager may decide the classification of any item as either income or capital and the extent to which reserves or provisions need to be made.
- (b) The Manager may keep separate accounts of different categories and sources of income, and allocate the income from any category or source to any Unitholder.

15.7 Present entitlement

A person who at any time during the financial year is or has been a Unitholder, is presently entitled to the distributable income of the Trust for the financial year, in the proportion that the Income Distributions made to the Unitholder in respect of the financial year bear to the sum of the Income Distributions made to all persons who are or have been Unitholders at any time during the financial year.

15.8 Income Distributions

An Income Distribution in respect of a Unitholder means the amount calculated by the Manager as follows:

- (a) in respect of a Distribution Period ending on a Distribution Calculation Date other than 30 June in any year, an amount calculated as follows:

$$\frac{A \times B}{C}$$

where:

A = the number of Units held by the Unitholder at the end of the Distribution Period;

B = an estimate of the distributable income for the Distribution Period (calculated as if the Distribution Period were a year of income); and

C = the number of Units held by all Unitholders at the end of the Distribution period; and

- (b) in respect of a Distribution Period ending on 30 June in any year, an amount calculated as follows:

$$\frac{A \times B}{C}$$

where:

A = the number of Units held by the Unitholder at the end of the Distribution Period;

B = the amount (if any) by which the distributable income for the financial year exceeds the aggregate of the estimates of distributable income calculated for the purpose of variable B in clause 15.8(a) for the previous Distribution Periods of the financial year; and

C = the number of Units held by all Unitholders at the end of the Distribution period.

15.9 Satisfaction of present entitlement

The present entitlement of a Unitholder to Income of the Trust for a financial year will be satisfied by the payment of the Income Distributions to the Unitholder in respect of the financial year.

15.10 Other distributions

The Manager may at any time distribute any amount of capital or income to Unitholders, pro rata according to the number of Units held, at the time decided by the Manager. The distribution may be in cash, in specie or by way of additional Units.

15.11 Deductions that may be made from Distribution

The Manager may deduct from a Unitholder's Distribution:

- (a) the amount of any Taxes, fees and charges relating to the Unitholder or its investment in the Trust accrued for the relevant Distribution Period (or an amount the Manager reasonably decides); and
 - (b) any fees or other amounts payable by the Unitholder to the Manager,
- before paying the Unitholder's Distribution or reinvesting it to acquire Units.

15.12 Time for Distribution

Any Unitholder's Distribution the Manager decides to distribute to Unitholders must be distributed no later than the applicable Distribution Date.

15.13 Ranking for Distribution

- (a) Except where the rights attaching to a particular Class of Unit provide otherwise, all issued Units rank for Distributions equally.
- (b) Where an instalment of the Issue Price of a Partly Paid Unit is paid into the Trust Fund, the Unit ranks for a Distribution under the terms of issue of the Partly Paid Units.

15.14 Reinvestment

- (a) The Manager may decide to require Unitholders to reinvest some or all of any Distribution and if so, Unitholders are deemed, for the purposes of any relevant ASIC Exemption, to have elected to reinvest some or all of their Distributions (as the case may be).
- (b) A Unitholder may, if the Manager approves, elect to reinvest some or all of a Distribution by acquiring Units in the Trust and the amount of the Distribution must be applied on behalf of the Unitholder to acquire the additional Units in the Trust.
- (c) An application to reinvest Distributions under clauses 15.14(a) or 15.14(b) is taken to be received by the Manager on the first Business Day after the Distribution is paid, at an Issue Price calculated under clause 8.
- (d) Whilst Stapling applies, the Manager may only invite a Unitholder to reinvest its entitlement and be issued Units, which are in a class of Unit forming part of a Stapled Security, if there is also a corresponding issue of an equal number of Joined Securities to that Unitholder which, when issued, are then Stapled to such Units.
- (e) The procedure for reinvestment of Distributions is to be determined by the Manager and notified to Unitholders from time to time.

15.15 Interim Distribution

The Manager may at any time make an interim Distribution to Unitholders. If it does:

- (a) the Manager must specify a date as the Distribution Date; and
- (b) clause 15 applies to the interim Distribution in the same manner as other distributions.

15.16 Distribution statements to be sent out

Where the Trust is Registered, the Manager must cause a distribution statement to be sent to the Unitholders at least once for each financial year, specifying a break-up between the income and capital amounts of the Distribution paid throughout the financial year.

15.17 Other reporting

The Manager must report to Members concerning the affairs of the Trust and their respective Unit and Option holdings as required by the Applicable Standards. The form, content and timing of any report sent by the Manager to the Unitholders is (subject to the Applicable Standards) at the discretion of the Manager.

15.18 Distribution equalisation reserve

Subject to the Applicable Standards, the Manager may require the withholding from Distributions to Unitholders during any Distribution Period or month, financial year or any other period, an amount which the Manager considers is necessary to minimise variability in income Distributions over a Distribution Period, months, financial years or any other period.

15.19 Distribution process

- (a) Any Distribution by the Manager under clause 15 may be by electronic funds transfer.
- (b) Each Unitholder must provide to the Manager:
 - (i) when submitting an application form; and
 - (ii) whenever requested by the Manager or its officers,
 sufficient, accurate and current account information to enable the Manager to make Distributions by electronic funds transfer (**Account Information**).
- (c) Each Unitholder is responsible for ensuring at all times the Account Information given to or held by the Manager is both current and accurate. Where the Unitholder's Account Information changes it is the responsibility of the Unitholder to notify the Manager in writing immediately.
- (d) Each Unitholder absolves and discharges completely the Manager from any loss incurred or suffered by the Unitholder as a result of the Manager relying on the Account Information or on information supplied to the Manager which the Manager reasonably considers to be Account Information for the Unitholder irrespective of whether that information was given by the Unitholder or some person purporting to be, represent, or act on behalf of the Unitholder.

15.20 Trust taxed as a company

If the Manager decides that the Trust may have a Tax liability under the Tax Act as if it were taxed as a company for a financial year, then clause 15.20 applies to the financial year in which case:

- (a) as soon as practicable after the end of each Distribution Period in the financial year, the Manager must decide:
 - (i) if there is to be any Dividend Amount for the Distribution Period; and
 - (ii) if so, the amount of the Dividend Amount;
- (b) the Manager may decide the extent to which the Dividend Amount (if any) comprises profits, retained profits, capital, returned capital or income of a particular character;

- (c) in calculating the Dividend Amount the Manager will take account of the amount of any Tax liability that is, or will become, payable by the Trust and the Manager is authorised to retain out of the Income of the Trust for that financial year the amount of that Tax liability.
- (d) at the end of the Distribution Period, a Unitholder is entitled to a Distribution Entitlement, calculated as follows:

$$\frac{A \times B}{C}$$
 where:
 A = the number of Units held by the Unitholder at the end of the Distribution Period;
 B = the Dividend Amount (if any) for the Distribution Period;
 C = the number of Units held by all Unitholders at the end of the Distribution period;
- (e) Distribution Entitlements (if any) must be paid to Unitholders by the Distribution Date; and
- (f) the calculation and payment of all fees and reimbursement of expenses in clause 21 will be appropriately adjusted so that the Manager is not financially disadvantaged.

16.3 Evidence of title

The recording of a person's name on a Register as the holder of Units or Options is the sole evidence of title to those Units or Options.

16.4 Member to notify changes

- (c) Before the date the Units are Unstapled, the Stapled Security Register is separate to the register of Unitholders.

17 Agents and Advisers

17.1 Agents

The Manager may appoint any person, including employees or Associates of the Manager, as its agent (**Agent**) with the duties, powers, authorities and discretions it thinks fit, including the power to sub-delegate. 18 Meetings of Members

18.1 Convening of Meetings

The Manager may at any time convene a meeting of Unitholders, and must do so if the Applicable Standards require.

and a decision by the chairman under clause 18.7 is final.

18.8 Notice of cancellation or postponement of meeting

Notice of cancellation or postponement of a meeting of Unitholders must state the reason for cancellation or postponement and be given:

- (a) to each Unitholder (and, in the case of joint holders, given to the holder whose name is shown first in the Register); and
- (b) to each other person entitled to be given notice of a meeting of Unitholders under the Corporations Act.

18.9 Content of notice or postponement of meeting

18.11 Business of postponed or adjourned meeting

The only business that may be transacted at a meeting of Unitholders the holding of which is postponed or adjourned is the business specified in the notice convening the meeting.

18.12 Proxy, attorney or representative at postponed meeting

Where:

- (a) by the terms of an instrument appointing a proxy or attorney or of an appointment of a representative, a proxy or an attorney or a representative is authorised to attend and vote at a meeting of Unitholders to be held on a specified date or at a meeting of Unitholders to be held on or before a specified date; and
- (b) the date for holding the meeting is postponed to a date no later than the date specified in the instrument of proxy, power of attorney or appointment of representative,

then, by the force of clause 18.12, that later date is substituted for and applies to the exclusion of the date specified in the instrument of proxy, power of attorney or appointment of a representative unless the Unitholder appointing the proxy, attorney or representative gives to the Manager notice in writing to the contrary not less than 48 hours (unless otherwise decided by the

chairman of the meeting) before the time to which the holding of the meeting has been postponed.

18.13 Proxies containing some of the required information

The Manager may decide that the appointment of a proxy is valid even if it contains only some of the information required by the Corporations Act, provided, while the Trust is Listed, the proxy form complies with the requirements of the Listing Rules.

18.14 Delivery and validity of proxies

For all meetings of Unitholders, a Unitholder seeking to appoint a valid proxy must deliver directly to the Manager (or its nominee) the proxy instrument within the timeframe stipulated in the Applicable Standards.

It is not necessary to give any notice of an adjournment or of the business to be transacted at any adjourned meeting unless a meeting is adjourned for one month or more. In that case, notice of the adjourned meeting must be given as in the case of an original meeting.

- (a) A poll may be demanded by:

- (c) An Extraordinary Resolution put to the vote at a meeting of Unitholders must be decided on a poll.

18.18 How voting is carried out

Unless a poll is properly demanded and the demand is not withdrawn, a declaration by the chairman that a resolution has on a show of hands been carried or carried unanimously, or by a particular majority, or lost, and an entry to that effect in the book containing the minutes of the proceedings of the Trust, is conclusive evidence of the fact. Neither the chairman nor the minutes need state and it is not necessary to prove the number or proportion of the votes recorded in favour of or against the resolution.

18.19 Poll

- (a) If a poll is properly demanded or required, it must be taken in the manner and at the date and time directed by the chairman and the result of the poll is the resolution of the meeting at which the poll was demanded.

- (c) A demand for a poll may be withdrawn.

18.20 Direct voting

18.21 Equality of votes – no casting vote for chairman

If there is an equality of votes, either on a show of hands or on a poll, the chairman of the meeting is not entitled to a casting vote in addition to any votes to which the chairman is entitled as a Unitholder or proxy or attorney or representative.

18.22 Entitlement to vote

Subject to any rights or restrictions for the time being attached to any class or classes of Units and to this document:

- (a) on a show of hands, each Unitholder present and each other person present as a proxy, attorney or representative of a Unitholder has one vote; and
- (b) on a poll, each Unitholder present in person has one vote for each one dollar of the value of the Units held by the Unitholder and each person present as proxy, attorney or representative of a Unitholder has one vote for each one dollar of the value of the Units held by the Unitholder that the person represents.

18.23 Joint Unitholders' vote

If a Unit is held jointly and more than one Unitholder casts the vote attaching to that Unit, only the vote of the Unitholder whose name appears first on the Register counts.

18.24 Vote of Unitholder of unsound mind

If a Unitholder is of unsound mind or someone whose person or estate is liable to be dealt with in any way under the law relating to mental health, the Unitholder's committee or trustee or any other person who properly has the management of the Unitholder's estate may exercise any rights of the Unitholder in relation to a meeting of Unitholders as if the committee, trustee or other person were the Unitholder.

18.25 Objection to voting qualification

An objection to the right of a person to attend or vote at the meeting or adjourned meeting:

- (a) may not be raised except at that meeting or adjourned meeting; and

A vote cast by a person as a proxy, attorney or representative is valid despite:

- (a) the previous revocation of that person's authority by the death of the holder of the Units;
or
- (b) the execution of the transfer of those Units by that holder,

unless a notice in writing of the revocation or transfer has been received by the Manager or by the chairman of the meeting before the vote is cast.

18.27 Meeting of Optionholders or Classes

If any meeting of Optionholders or a Class is required to be held the provisions of clause 18 apply with any necessary amendments.

18.28 Joint meetings

While Stapling applies, a meeting of Unitholders may be held in conjunction with meetings of the holders of Joined Securities and the Manager may, subject to the Applicable Standards, make such rules for the conduct and operation of these meetings as it thinks fit.

18.29 Other attendees

While Stapling applies, each director or other representatives of any other Stapled Entity may attend and speak at any meeting of Unitholders.

19.4 Manager's duties while Stapling applies

While Stapling applies and subject to the Applicable Standards, the Manager must consider the interests of the Unitholders, members of the Stapled Entities and Optionholders as a whole and not just the interests of the Unitholders alone, notwithstanding any other rule of law or equity to the contrary, when exercising the Manager's rights, powers and discretions.

20 Indemnities

20.1 Indemnification

- (a) The Manager is indemnified out of the Trust Fund for all expenses, losses, damage and liabilities (whether actual, contingent, prospective or otherwise) incurred, arising out of or in connection with acting in connection with the Trust or in connection with any of the matters listed in clause 20.2. This indemnity:

- (a) the fee previously paid to the external and independent Custodian; or
- (b) the fee which would be reasonable in the circumstances if the Manager and itself (as Custodian) or the related party (as Custodian) were dealing at arm's length, as demonstrated by a letter or quotation provided by two or more persons who are not Associates of the Manager who are in the business of providing custodial services to responsible entities of similar size managed investment schemes.

21.9 Rebate

The Manager may waive, assign, defer or rebate any or all of its fees, or its entitlement to recover or be reimbursed for expenses incurred under clause 21.9, to the benefit of any person (including one or more Members) on terms and conditions decided by the Manager at its absolute discretion.

- (c) The Manager may following consultation with the Auditor amortise expenses incurred by it on behalf of the Trust.
- (d) While Stapling applies, the Manager may, in its absolute discretion and in consultation with Stapled Entities, agree that Expenses incurred in connection with the Trust, the Trading Trust and any other Stapled Entity are to be apportioned between the entities including an allocation of all Expenses to one or some of those entities only.

21.12 Proper performance of duties

The rights of the Manager to be paid fees or recover expenses under clause 21 are subject to the Manager properly performing its duties in connection with the Trust.

21.13 Units in place of cash

- (a) Subject to the Applicable Standards and paragraph (b):
 - (i) the Manager may elect to receive Interests as payment of its fees under this document; and

The fees payable to the Manager accrue daily and, subject to the specific provisions of this document, are payable at the time specified by the Manager.

Where a fee is payable for a period and the fee commences or ceases to be payable during the period, the fee must be adjusted on a proportionate basis.

21.16 Sums owed to Manager

Subject to the Applicable Standards, the Manager may redeem some or all of the Units held by a Member to satisfy any amount of money due to it by a Member but if Stapling applies, the Manager may only redeem Units, which are in a class of Units forming part of a Stapled Security, if an equal number of Joined Securities held by that Member or redeemed at the same time.

21.17 Class and apportioned expenses

- (a) Subject to the Applicable Standards, where a Class of Units is on issue the Manager may decide that all or part of an expense is a Class expense, and if no decision is made under clause 21.17(a), any expense under clause 21 must be apportioned to all Units on an equal basis.

22.4 Partly Paid Units

If there is any deficiency of the Trust Fund as compared with the liabilities of the Trust, the holders of the Partly Paid Units at the Termination Date must pay to the Manager upon demand by the Manager:

- (a) if the deficiency exceeds the aggregate unpaid Issue Price on all Partly Paid Units, the balance of the Issue Price unpaid on those Partly Paid Units; or

22.8 Stapling

While Stapling applies, the Manager must on the occurrence of a Termination Date, give the Stapled Trading Trust and any other Stapled Entity written notice of the occurrence of the Termination Date. 23.7 Appointment of attorney

A transfer of the Minority Member's Interests sold under clause 23.6 may be signed on behalf of the Minority Member by an officer of the Manager.

- (d) Within 14 days of the later of:
- (i) receipt by the Manager of the proceeds of sale; and
 - (ii) any certificates for the Interests being surrendered or the statement and undertaking referred to in clause 23.9 being delivered by the Minority Member to the Manager,
- the Manager must ensure that the proceeds are sent to the Minority Member by electronic funds transfer under clause 15.19 as though the payment were a Distribution or by cheque or warrant posted to the Minority Member's address as notified to the Manager under this document (or, in the case of joint holders, to the address of the holder whose name is shown first in the register of members), with the cheque or warrant to be made payable to or to the order of the Minority Member (or, in the case of joint holders, to the order of them, jointly).

23.12 Stapling

- (a) Clause 23.12 applies while Units are Stapled.

- (e) Any sale proceeds received by the Manager under clause 23.9 may be allocated between the Units and each type of Joined Security as decided by the Manager and each Stapled Entity having regard to the requirements of clause 8.14. The Manager must provide notification of such allocation to the Minority Member contemporaneously with the payment of sale proceeds.
- (f) Notwithstanding clauses 23.9(c) to 23.9(e) (inclusive), where a Joined Security has a Certificated Holding, the Manager need not remit sale proceeds to a Minority Member, and may treat such proceeds under clause 23.9(e), where the Minority Member has not surrendered to the relevant Stapled Entity any certificates for the Joined Security or a

While Stapling pursuant to this clause 31 applies:

- (a) subject to the Corporations Act, the Manager may keep valuation records and financial records for the Stapled Entities as an economic entity and may use the net trust value of the economic entity to calculate the issue price or redemption price of a Stapled Security instead of aggregating the security values of the securities comprising a Stapled Security;

- (f) the Manager may arrange for meetings of Unitholders and meetings of unitholders of each other Stapled Entity to be held concurrently and may determine that a vote cast on a resolution by or on behalf of a Unitholder is to be treated also as a vote cast for an equivalent number of that Unitholder's securities in each other Stapled Entity;
- (g) an amendment of this Constitution that directly affects the terms on which a Unit is held or removes any restriction on the transfer of a Stapled Security is of no effect unless the

consent of the relevant Stapled Entity is obtained and the terms of the Joined Security are affected in the same way; and

- (h) the Manager must only amend or stop the Stapling provisions from applying in specific circumstances that are satisfactory to the ASX.
