 - (ii) the Nominee receives any Distribution,then the State agrees that:
 - (iii) the Nominee shall deliver to UBS, or pay to UBS an amount equal to, the entirety of such Distribution received from the Issuer by no later than the second Business Day after the making of such Distribution by the Issuer; and
 - (iv) the provisions of the Confirmation in respect of Distributions in respect of Shares shall apply, as if the Shares remained held by UBS pursuant to the terms of the Confirmation, and with any other necessary changes.

The State hereby irrevocably and unconditionally instructs and directs the Nominee to make each such payment contemplated by this paragraph (f).

4. **UNDERTAKING**

4.1 **Payment undertaking**

At any time while the Trust Property consists of Shares, the Nominee indemnifies UBS against, and must pay to UBS on demand, the amount of all Amounts Payable (**Payment Undertaking**). The Payment Undertaking is a continuing indemnity and will (subject to the Nominee's limitation of liability in clause 7.2 (*Limitation of liability and obligations*)) extend to the ultimate balance of sums payable by the State under the Equity Derivative Financing Documents, regardless of any intermediate payment or discharge in whole or in part.

4.2 **State undertakings**

The State agrees:

- (a) to comply with all obligations affecting the Trust Property and pay on time all amounts for which the holder of the Trust Property is liable, including calls, instalments and Taxes;
- (b) at UBS's request in its discretion, to take up any rights attaching to Trust Property;
- (c) to promptly provide to UBS on request any information which UBS reasonably requests about the Trust Property or anything in relation to it; and
- (d) not to provide any instructions to the Nominee relating to the Trust Property that are inconsistent with this deed or any other Equity Derivative Financing Document.

4.3 **Nominee undertakings**

The Nominee and the State each acknowledges and agrees for the benefit of UBS in respect of each Share comprised in the Trust Property that:

- (a) the Nominee will not comply with instructions given by the State without seeking the consent of UBS except as expressly contemplated under clause 3 (*Voting at meetings of members*); and
- (b) the Nominee must comply with instructions (including instructions to transfer the Shares) given by UBS in accordance with the Equity Derivative Financing Documents without seeking the consent of the State.

5. **POWERS AND DUTIES OF THE NOMINEE**

5.1 **Limitations**

The Nominee shall have no powers, duties, rights or discretions in respect of the Trust except those expressly set out in this deed. In particular the Nominee shall have no power to dispose of Trust Property otherwise than in accordance with this deed.

5.2 **Transfer of Property**

Any power or duty of the Nominee to transfer any property under this deed (including the transfer of Trust Property) may be exercised or satisfied by instructing the Participant to transfer or dispose of the relevant property and/or posting or delivering to the registered address of the recipient an instrument of transfer of the relevant property in addition to any other mechanism or process permitted by law. Compliance by the Nominee with this clause will be a complete discharge of the Nominee's obligations with respect to the transfer of the relevant property.

5.3 **Directions of the Court**

UBS and/or the Nominee and/or the State may apply to a court for directions as to any matter arising in connection with the exercise of the powers and functions of UBS and/or the Nominee and/or the State under this deed, and the applicant shall not be responsible for any delay arising as a result.

5.4 **Knowledge of the Nominee**

The Nominee will only be considered to have knowledge, awareness or notice of a thing, or grounds to believe any thing, by virtue of the officers of the Nominee having day to day responsibility for the administration of the Trust having actual knowledge, actual awareness or actual notice of that thing, or grounds to believe that thing (and similar references will be interpreted in this way).

6. **OBLIGATIONS OF THE NOMINEE**

6.1 **Extent of discretion**

The Nominee need not:

- (a) act except when required to do so by this deed and then at the discretion of the Nominee as to the manner and time of acting; or
- (b) consult with the State before acting or giving any consent, approval or agreement or making any determination under this deed except where this deed expressly provides otherwise (including under clause 3.2 (*Voting*)).

6.2 **In funds**

The Nominee shall not act or fail to act if by doing so it will knowingly incur any material liability for which it is not satisfied that it is sufficiently indemnified from the Trust Property or otherwise.

6.3 **No responsibility for deed**

The Nominee has no responsibility for the form or contents of this deed or any other Equity Derivative Financing Document and will have no liability arising as a result of or in connection with any inadequacy, invalidity or unenforceability of any provision of this deed or any other Equity Derivative Financing Document.

6.4 **Exclusion of further obligations**

Despite any provision of this deed, the Nominee:

- (a) is not required to do or omit to do anything or incur any liability unless the Nominee's liability is limited in a manner satisfactory to the Nominee;
- (b) will not be under any obligations to advance or use its own funds for the payment of any costs, expenses or facilities;
- (c) will have no liability for the acts or omissions of any brokers or other agents whose acts or omissions are not reasonably capable of supervision by the Nominee;
- (d) has no responsibility for the performance by UBS and/or the State of their obligations under or in connection with this deed, the Trust Property, and the Nominee will have no liability arising as a result of or in connection with any act or omission of UBS and/or the State; and

- (e) will have no obligations to prepare accounts or tax returns in respect of the Trust.

6.5 **Set Off**

The Nominee may set off or withhold any amount payable to it by UBS and/or the State against or from any amount payable by the Nominee to UBS and/or the State (as the case may be).

7. **LIMITATION OF LIABILITY**

7.1 **Indemnity**

- (a) The Nominee:
 - (i) is fully indemnified out of the Trust Property in respect of any liability or obligation that the Nominee incurs while acting or purporting to act as Nominee; and
 - (ii) may reimburse itself from the Trust Property for all expenses incurred or payments made by it in respect of the Trust, except in relation to any liability, obligation or expense incurred as a result of the Nominee's fraud, gross negligence or wilful default.

The Trustee may apply either or both capital and income of the Trust Fund to satisfy its rights under this clause.

- (b) Without limiting paragraph (a) above, the State acknowledges and agrees that the Nominee's liabilities and undertakings under this deed including in respect of the Payment Undertaking are expenses of the Trust for which the Nominee is entitled to be indemnified out of Trust Property. Accordingly, the State acknowledges and agrees that that if UBS makes a demand on the Nominee under the Payment Undertaking given under clause 4.1 (*Payment undertaking*), the Nominee (under its trustee's lien) may (without first notifying the State) dispose of the Trust Property and use the proceeds of that disposal to satisfy that demand.

7.2 **Limitation of liability and obligations**

- (a) Despite any other provision of this deed or any other Equity Derivative Financing Document, a liability or obligation of the Nominee arising under or in connection with this deed or any other Equity Derivative Financing Document (including in connection with the Payment Undertaking) is strictly limited to the extent to which (and can be enforced against the Nominee only to the extent to which) the Nominee is actually indemnified for the liability and the liability or obligation can lawfully be satisfied of the Trust Property. No person may seek to recover any shortfall in the amounts owing by the Nominee by bringing proceedings against the Nominee or applying to have the Nominee wound up.
- (b) When the Nominee, whether on instructions or under the Nominee's lien as trustee, exercise a power to dispose of Trust Property, the Nominee has no liability to the State for any delay in disposal or any failure to obtain a particular price or for obtaining difference prices for the Trust Property.

7.3 **Nominee's lien as trustee**

The State acknowledges and agrees that the Nominee's common law lien as trustee is a proprietary interest in the Trust Property that ranks in priority to the Beneficial Interest. However, nothing in this deed is intended to create a charge or security interest separate from the Trustee's rights at common law.

7.4 **Reliance on documents and experts**

The Nominee may rely on:

- (a) any document (including any facsimile transmission or telegram) unless it knows or has reasonable grounds to believe that the document is not genuine and correct; and
- (b) advice, information and statements of UBS or other persons employed or retained by UBS,

and shall not be liable for any act or omission undertaken in reliance on that document, advice, information or statement. Without limitation, the Nominee may rely on such documents, advice, information and statements for the purpose of exercising and performing its powers and duties to make payments to the State and to transfer or dispose of Trust Property in accordance with this deed. Where the Nominee considers that it requires any advice, information or statement from any of the persons referred to in paragraph (b) of this clause, for the purpose of exercising or performing its powers and duties under this deed, the Nominee will have no liability in connection with any delay in the exercise or performance of the relevant powers or duties pending receipt of the relevant advice, information or statements.

7.5 **Independent Investigation**

The State confirms that it has made and will continue to make, independently and without reliance on the Nominee or UBS:

- (a) its own investigations into the affairs of UBS and the Nominee; and
- (b) its own analyses and decisions whether to take or not take action under this deed.

7.6 **No monitoring**

The Nominee is not required to keep itself informed as to any Issuer or the compliance by UBS and/or the State with this deed or any other document or agreement or to inspect any property or book of UBS and/or the State.

7.7 **Replacement of Nominee**

- (a) Subject to the appointment of a successor Nominee as provided in this clause:
 - (i) the Nominee may resign at any time by giving not less than 30 days written notice to UBS and/or the State; and
 - (ii) UBS may remove the Nominee from office if the Nominee breaches any of its obligations under this deed and the breach remains unremedied after UBS has given not less than 30 days written notice to the Nominee.
- (b) On notice of resignation or removal UBS has the right to appoint a successor Nominee who accepts the appointment.
- (c) If no successor Nominee is appointed within 30 days after notice, the retiring Nominee may appoint a successor Nominee who accepts the appointment.
- (d) On its appointment the successor Nominee will have all the rights, powers and obligations of the retiring Nominee (except liabilities arising from defaults).
- (e) The retiring Nominee shall execute and deliver all documents or agreements which UBS considers necessary or desirable in UBS's opinion to transfer to the successor

Nominee this deed or to effect the appointment of the successor Nominee (subject to satisfaction of all liabilities owed to the Nominee on its own account under this deed or for which the Nominee may be personally liable).

- (f) After any retiring Nominee's resignation or removal, this clause will continue in effect in respect of anything done or omitted to be done by it while it was acting as Nominee, and the retiring Nominee retains the rights and remedies available to it under this deed or at law in relation to the performance and exercise of its powers, duties and functions while Nominee.
- (g) UBS shall not unreasonably withhold its approval of any proposed successor Nominee. It shall respond as soon as practicable to any request for approval.
- (h) The State agrees not to remove the Nominee as its nominee under this deed during the term of the Equity Derivatives Financing Documents.

8. TAXES

8.1 Obligation to pay Tax

- (a) Where the Nominee has received notice requiring the payment of any Tax on behalf or in respect of the State or Trust Property, the Nominee shall determine, on advice, whether it has any obligation to pay or provide for the amount of the Tax. The Nominee may also at any time obtain advice as to whether it has any obligation to pay any Tax on behalf of or in respect of the State or any Trust Property, whether or not it has received notice requiring payment. If the Nominee determines that it has an obligation to pay the Tax, or there are reasonable grounds to argue that it has an obligation to pay the Tax, the Nominee shall give notice to the State, with a copy of that notice to be provided to UBS.
- (b) The State agrees to indemnify the Nominee in respect of any tax referred to in clause 8.1(a).

8.2 Notice to State

A notice given by the Nominee to the State pursuant to clause 8.1 (*Obligation to pay Tax*) shall set forth reasonable particulars pertaining to the obligation to make the relevant Tax payment.

8.3 Withholding

- (a) If the Nominee receives advice that it is prudent to withhold any amount of Tax in respect of any amount otherwise payable to the State then, notwithstanding any other provision in this deed, the Nominee will withhold that amount for so long as it remains prudent to do so.
- (b) Despite any other provision in this deed, if at any time an applicable law obliges the Nominee to make a deduction or withholding in respect of Taxes from a payment under this document, the Nominee:
 - (i) must notify the State of the obligation (with a copy of that notification to be provided to UBS);
 - (ii) must ensure that the deduction or withholding does not exceed the minimum amount required by law; and
 - (iii) must pay to the relevant Government Agency on time the full amount of the deduction or withholding and promptly deliver to the State a copy of any receipt, certificate or other proof of payment.

- (c) If any amount is deducted or withheld in accordance with paragraph (b) above, the Nominee is not required to gross up any payment or future payment either under this deed or any other Equity Derivative Document to the State in respect of that amount deducted or withheld.

8.4 **Time for payment**

The State must make any payment due pursuant to the indemnity in clause 8.1(b) on or before the day that is five Business Days before the last date on which payment of the relevant Tax may lawfully be made without incurring penalties or interest for late payment.

8.5 **GST**

If GST is or will be payable on a supply by UBS or the Nominee made under or in connection with this deed, to the extent that the consideration otherwise provided for that supply under this deed is not stated to include an amount in respect of GST on the supply, the State must:

- (a) pay to UBS or the Nominee an additional amount equal to any GST which UBS or the Nominee must pay for any supply by UBS or the Nominee to the State under this deed;
- (b) pay that additional amount as and when the State must pay the other consideration for the supply; and
- (c) indemnify UBS and the Nominee from any GST and against any damage or cost directly or indirectly arising from or caused by the failure of the State to pay any amount as and when required by this clause.

UBS or the Nominee will issue the State with a Tax Invoice in respect of any additional amount on account of GST that UBS or Nominee may recover from the State under this clause.

9. **PAYMENTS**

All monies payable under this deed shall be paid by electronic funds transfer to an account designated by the payee unless otherwise agreed.

10. **NOTICES**

10.1 **Notice by UBS and the Nominee**

Except where otherwise provided in this deed, all notices required or permitted to be given by UBS or the Nominee to the State pursuant to this deed must be in writing and will be duly given if:

in the case of being sent in electronic form.

10.3 Notice by State

All notices required or permitted to be given by the State to UBS or the Nominee pursuant to this deed must be in writing and will be treated as being duly given if and only if they are actually received by UBS or the Nominee at the address of that party as set out in clause 10.5 (*Addresses for notices*) or at such other address as may have been notified to the State.

10.4 Notices Between UBS and Nominee

- (a) The Secured Party may rely on a certificate issued by any person who claims to be entitled to any money received from the exercise of any right in relation to the Secured Property which states that the Grantor owes it a certain amount of money, without making any further enquiry.
- (b) If there is any dispute between any persons (other than the Secured Party) regarding an entitlement to receive any money received from the exercise of any right in relation to the Secured Property, the Secured Party may pay that money into court, and after doing so does not have any further obligation in respect of that money.

14.2 **Limitations on Grantor's rights**

Until the Secured Money has been irrevocably paid and discharged in full, the Grantor may not:

- (b) in reduction of its liability under this document, raise a defence, set off or counterclaim against the Secured Party or claim a set off or make a counterclaim against the Secured Party; or
- (c) claim to be entitled by way of contribution, indemnity, subrogation, marshalling or otherwise to the benefit of any document or agreement to which the Secured Party is a party.

14.3 **No marshalling**

14.4 **Effect of Insolvency Event**

- (a) If an Insolvency Event has occurred in relation to an Obligor, any amount paid by that Obligor (**relevant payment**) will only be applied against any Secured Money if:

 - (i) the Secured Party's rights are to be reinstated and will be the same in relation to that amount as if the application, or the payment or transaction giving rise to it, had not been made; and
 - (ii) the Grantor must immediately do anything (including the signing of documents) required by the Secured Party to restore to the Secured Party any Guarantee or Security Interest to which it was entitled immediately before that application or the payment or transaction giving rise to it.
- (c) Any discharge or release between the Secured Party and the Grantor is subject to reinstatement of the Secured Party's rights under this subclause.

15. RECOVERY OF GST

- (a) Unless otherwise indicated all amounts referred to in this document are exclusive of GST.
- (b) If the Secured Party makes a taxable supply under or in connection with this document for consideration that is exclusive of GST, the Grantor must:

The Grantor agrees not to exercise its rights to make any request of the Secured Party under section 275 of the PPSA, to authorise the disclosure of any information under that section or to waive any duty of confidence that would otherwise permit non-disclosure under that section (but this does not limit the Grantor's rights to request information other than under section 275).

- (b) Subject to the terms of the Security Trust Deed, the Secured Party may assign, encumber, declare a trust over or otherwise deal with its rights under this document without the consent of the Grantor, and may disclose to any potential holder of the right, or an interest in the right, any information relating to this document or any party to it.
- (c) After any disposal by the Secured Party of its rights under the Security Interest granted in clause 2.1, the Secured Party may serve a Participant Change Notice on the Grantor and the Grantor must agree to the novation of the Sponsorship Agreement to a Controlling Participant acceptable to the Secured Party.

21. GENERAL

21.1 Governing law

- (a) This document is governed by the laws of the State of New South Wales.
- (b) Each party submits to the non-exclusive jurisdiction of the courts of the State of New South Wales, and any court that may hear appeals from any of those courts, for any proceedings in connection with any Transaction Document.
- (c) The Grantor irrevocably waives:
 - (i) any objection to the venue of any proceedings on the ground that they have been brought in an inconvenient forum; and
 - (ii) any immunity from set off, suits, proceedings and execution to which it or any of its property may now or in the future be entitled under any applicable law.
- (d) The Grantor confirms the appointment of NOROSE NOTICES AUSTRALIA PTY LTD ACN 158 029 586 under clause 28 of the Facility Agreement of Level 16, Grosvenor Place, 225 George Street, Sydney, NSW 2000 as its agent to receive service of process for any proceedings in connection with any Transaction Document. The Grantor undertakes to maintain this appointment until all Secured Money is repaid, and agrees that any process served on that person is taken to be served on it.

21.2 Liability for own expenses

The Grantor is liable for its own costs and expenses in complying with this document, including where it does so at the Secured Party's request or for the Secured Party's benefit.

21.3 Giving effect to this document

- (a) The Grantor must do anything (including executing any Transfer and other transfer in blank, or any other document, and perfecting and protecting any Security Interest intended to be created by or pursuant to this document), and must ensure that its employees and agents do anything, that the Secured Party may reasonably require to:
 - (i) give full effect to this document; or
 - (ii) more fully secure the rights, remedies and powers of the Secured Party under this document or to enable the Secured Party to exercise those rights, remedies and powers,

including giving directions to any Controlling Participant in respect of any CHESSE Securities in the Secured Property.

- (b) The Secured Party may, at the Grantor's cost, do anything which the Grantor should have done under this document if the Grantor does not do so promptly or, if in the Secured Party's opinion, the Grantor does not do so properly.

21.4 Authority to register and waiver of right to receive verification statements

The Grantor acknowledges that the Secured Party may, at the Grantor's cost, register one or more financing statements in relation to its Security Interest. If permitted by the PPSA, the Grantor waives its right under section 157 of the PPSA to receive notice of any verification statement relating to the registration of any such financing statement or any related financing change statement.

21.5 Variation of rights

The exercise of a right partially or on one occasion does not prevent any further exercise of that right in accordance with the terms of this document. Neither a forbearance to exercise a right nor a delay in the exercise of a right operates as an election between rights or a variation of the terms of this document.

21.6 Operation of this document

- (a) Subject to clause 21.6(b), the Transaction Documents contain the entire agreement between the parties about their subject matter. Any previous understanding, agreement, representation or warranty relating to that subject matter is replaced by the Transaction Documents and has no further effect.
- (b) Any right that the Secured Party may have under the Transaction Documents is in addition to, and does not replace or limit, any other right that the Secured Party may have.
- (c) Any provision of this document which is unenforceable or partly unenforceable is, where possible, to be severed to the extent necessary to make this document enforceable, unless this would materially change the intended effect of this document.

21.7 Operation of indemnities

- (a) Each indemnity in this document survives the expiry or termination of this document.
- (b) The Secured Party may recover a payment under an indemnity in this document before it makes the payment in respect of which the indemnity is given.
- (c) If a provision of this document is expressed to:
 - (i) indemnify;
 - (ii) exclude or limit any liability of; or
 - (iii) otherwise benefit,

a person who is not a party to this document, the Grantor agrees that the Secured Party holds the benefit of that indemnity, exclusion, limitation or other benefit for that person and may enforce this document on their behalf and for their benefit.

21.8 **Consents**

Where this document contemplates that the Secured Party may agree or consent to something (however it is described), the Secured Party may:

- (a) agree or consent, or not agree or consent, in its absolute discretion; and
- (b) agree or consent subject to conditions,

unless this document expressly contemplates otherwise.

21.9 **Statements by Secured Party**

A statement by an Authorised Representative of the Secured Party on any matter relating to any Transaction Document (including any amount owing by the Grantor) is conclusive unless clearly wrong on its face.

21.10 **Set-off**

If an Event of Default occurs and is continuing, the Secured Party, without notice to the Grantor, may combine any account that the Grantor holds at any branch or office (in Australia or elsewhere) of the Secured Party with, or set off any amount in any currency that is or may become owing in any currency by the Secured Party to the Grantor against, any amount owing by the Grantor to the Secured Party under the Transaction Documents. For this purpose the Secured Party may:

- (a) change the terms (including the repayment date) of any account or other payment obligation between the parties;
- (b) convert amounts into different currencies in accordance with the Secured Party's usual practice; and
- (c) do anything (including execute any document) in the name of the Grantor that the Secured Party considers necessary or desirable.

This subclause overrides any other document or agreement to the contrary.

21.11 **No merger**

Nothing in this document merges with any other Security Interest, or any Guarantee, judgment or other right or remedy, that the Secured Party may hold at any time.

21.12 **Exclusion of contrary legislation**

Any legislation that affects an obligation of the Grantor in a manner that is adverse to the interests of the Secured Party, or adversely affects the exercise by the Secured Party of a right or remedy, under or relating to this document is excluded to the full extent permitted by law.

21.13 **Counterparts**

This document may be executed in counterparts. Delivery of a counterpart of this document by email attachment or fax constitutes an effective mode of delivery.

18.2 **No request**

The Grantor agrees not to exercise its rights to make any request of the Secured Party under section 275 of the PPSA, to authorise the disclosure of any information under that section or to waive any duty of confidence that would otherwise permit non-disclosure under that section (but this does not limit the Grantor's rights to request information other than under section 275).

- (b) The Secured Party may assign, encumber, declare a trust over or otherwise deal with its rights under this document without the consent of the Grantor, and may disclose to any potential holder of the right, or an interest in the right, any information relating to this document or any party to it.

21. **GENERAL**

21.1 **Governing law**

- (a) This document is governed by the laws of the State of New South Wales.
- (b) Each party submits to the non-exclusive jurisdiction of the courts of the State of New South Wales, and any court that may hear appeals from any of those courts, for any proceedings in connection with any Equity Derivative Financing Document.
- (c) The Grantor irrevocably waives:
 - (i) any objection to the venue of any proceedings on the ground that they have been brought in an inconvenient forum; and
 - (ii) any immunity from set off, suits, proceedings and execution to which it or any of its property may now or in the future be entitled under any applicable law.
- (d) The Grantor confirms the appointment under the "Process Agent" provisions of the Equity Derivative Financing Agreement of Norose Notices Australia Pty Ltd ACN 158 029 586 of Level 16, Grosvenor Place, 225 George Street, Sydney, NSW 2000 as its agent to receive service of process for any proceedings in connection with any Equity Derivative Financing Document. The Grantor undertakes to maintain this appointment until all Secured Money is repaid, and agrees that any process served on that person is taken to be served on it.

21.2 **Liability for own expenses**

The Grantor is liable for its own costs and expenses in complying with this document, including where it does so at the Secured Party's request or for the Secured Party's benefit.

21.3 **Giving effect to this document**

- (a) The Grantor must do anything (including executing any Transfer and other transfer in blank, or any other document, and perfecting and protecting any Security Interest intended to be created by or pursuant to this document), and must ensure that its employees and agents do anything, that the Secured Party may reasonably require to:
 - (i) give full effect to this document; or
 - (ii) more fully secure the rights, remedies and powers of the Secured Party under this document or to enable the Secured Party to exercise those rights, remedies and powers,including giving directions to the Nominee or any Controlling Participant in respect of any CHESS Securities in the Secured Property.
- (b) The Secured Party may, at the Grantor's cost, do anything which the Grantor should have done under this document if the Grantor does not do so promptly or, if in the Secured Party's opinion, the Grantor does not do so properly.

21.4 **Authority to register and waiver of right to receive verification statements**

The Grantor acknowledges that the Secured Party may, at the Grantor's cost, register one or more financing statements in relation to its Security Interest. If permitted by the PPSA, the Grantor waives its right under section 157 of the PPSA to receive notice of any

verification statement relating to the registration of any such financing statement or any related financing change statement.

21.5 **Variation of rights**

The exercise of a right partially or on one occasion does not prevent any further exercise of that right in accordance with the terms of this document. Neither a forbearance to exercise a right nor a delay in the exercise of a right operates as an election between rights or a variation of the terms of this document.

21.6 **Operation of this document**

- (a) Subject to clause 21.6(b), the Equity Derivative Financing Documents contain the entire agreement between the parties about their subject matter. Any previous understanding, agreement, representation or warranty relating to that subject matter is replaced by the Equity Derivative Financing Documents and has no further effect.
- (b) Any right that the Secured Party may have under the Equity Derivative Financing Documents is in addition to, and does not replace or limit, any other right that the Secured Party may have.
- (c) Any provision of this document which is unenforceable or partly unenforceable is, where possible, to be severed to the extent necessary to make this document enforceable, unless this would materially change the intended effect of this document.

21.7 **Operation of indemnities**

- (a) Each indemnity in this document survives the expiry or termination of this document.
- (b) The Secured Party may recover a payment under an indemnity in this document before it makes the payment in respect of which the indemnity is given.
- (c) If a provision of this document is expressed to:
 - (i) indemnify;
 - (ii) exclude or limit any liability of; or
 - (iii) otherwise benefit,

a person who is not a party to this document, the Grantor agrees that the Secured Party holds the benefit of that indemnity, exclusion, limitation or other benefit for that person and may enforce this document on their behalf and for their benefit.

21.8 **Consents**

Where this document contemplates that the Secured Party may agree or consent to something (however it is described), the Secured Party may:

- (a) agree or consent, or not agree or consent, in its absolute discretion; and
- (b) agree or consent subject to conditions,

unless this document expressly contemplates otherwise.

21.9 Statements by Secured Party

A statement by an Authorised Representative of the Secured Party on any matter relating to any Equity Derivative Financing Document (including any amount owing by the Grantor) is conclusive unless clearly wrong on its face.

21.10 Set-off

If an Event of Default occurs and is continuing, the Secured Party, without notice to the Grantor, may combine any account that the Grantor holds at any branch or office (in Australia or elsewhere) of the Secured Party with, or set off any amount in any currency that is or may become owing in any currency by the Secured Party to the Grantor against, any amount owing by the Grantor to the Secured Party under the Equity Derivative Financing Documents. For this purpose the Secured Party may:

- (a) change the terms (including the repayment date) of any account or other payment obligation between the parties;
- (b) convert amounts into different currencies in accordance with the Secured Party's usual practice; and
- (c) do anything (including execute any document) in the name of the Grantor that the Secured Party considers necessary or desirable.

21.12 Exclusion of contrary legislation

Any legislation that affects an obligation of the Grantor in a manner that is adverse to the interests of the Secured Party, or adversely affects the exercise by the Secured Party of a right or remedy, under or relating to this document is excluded to the full extent permitted by law.

CREDIT SUPPORT ANNEX

to the Schedule to the

ISDA Master Agreement

dated as of

between

..... and

("Party A")

("Party B")

This Annex supplements, forms part of, and is subject to, the [ISDA Master Agreement](#) referred to above and is part of its Schedule. For the purposes of this Agreement, including, without limitation, [Sections 1\(c\), 2\(a\), 5 and 6](#), the credit support arrangements set out in this Annex constitute a Transaction (for which this Annex constitutes the Confirmation).

Paragraph 1. Interpretation

Capitalised terms not otherwise defined in this Annex or elsewhere in this Agreement have the meanings specified pursuant to [Paragraph 10](#), and all references in this Annex to Paragraphs are to Paragraphs of this Annex. In the event of any inconsistency between this Annex and the other provisions of this Schedule, this Annex will prevail, and in the event of any inconsistency between [Paragraph 11](#) and the other

¹ This document is not intended to create a charge or other security interest over the assets transferred under its terms. Persons intending to establish a collateral arrangement based on the creation of a charge or other security interest should consider using the [ISDA Credit Support Deed \(English law\)](#) or the ISDA Credit Support Annex (New York law), as appropriate.

² This Credit Support Annex has been prepared for use with ISDA Master Agreements subject to English law. Users should consult their legal advisers as to the proper use and effect of this form and the arrangements it contemplates. In particular, users should consult their legal advisers if they wish to have the Credit Support Annex made subject to a governing law other than English law or to have the Credit Support Annex subject to a different governing law than that governing the rest of the ISDA Master Agreement (e.g., English law for the Credit Support Annex and New York law for the rest of the ISDA Master Agreement).

provisions of this Annex, [Paragraph 11](#) will prevail. For the avoidance of doubt, references to "transfer" in this Annex mean, in relation to cash, payment and, in relation to other assets, delivery.

Paragraph 2. Credit Support Obligations

(a) **Delivery Amount.** Subject to Paragraphs 3 and 4, upon a demand made by the Transferee on or promptly following a Valuation Date, if the Delivery Amount for that Valuation Date equals or exceeds the Transferor's Minimum Transfer Amount, then the Transferor will transfer to the Transferee Eligible Credit Support having a Value as of the date of transfer at least equal to the applicable Delivery Amount (rounded pursuant to [Paragraph 11\(b\)\(iii\)\(D\)](#)). Unless otherwise specified in [Paragraph 11\(b\)](#), the "Delivery Amount" applicable to the Transferor for any Valuation Date will equal the amount by which:

(i) the Credit Support Amount

exceeds

(ii) the Value as of that Valuation Date of the Transferor's Credit Support Balance (adjusted to include any prior Delivery Amount and to exclude any prior Return Amount, the transfer of which, in either case, has not yet been completed and for which the relevant Settlement Day falls on or after such Valuation Date).

(b) **Return Amount.** Subject to Paragraphs 3 and 4, upon a demand made by the Transferor on or promptly following a Valuation Date, if the Return Amount for that Valuation Date equals or exceeds the Transferee's Minimum Transfer Amount, then the Transferee will transfer to the Transferor Equivalent Credit Support specified by the Transferor in that demand having a Value as of the date of transfer as close as practicable to the applicable Return Amount (rounded pursuant to [Paragraph 11\(b\)\(iii\)\(D\)](#)) and the Credit Support Balance will, upon such transfer, be reduced accordingly. Unless otherwise specified in [Paragraph 11\(b\)](#), the "Return Amount" applicable to the Transferee for any Valuation Date will equal the amount by which:

(i) the Value as of that Valuation Date of the Transferor's Credit Support Balance (adjusted to include any prior Delivery Amount and to exclude any prior Return Amount, the transfer of which, in either case, has not yet been completed and for which the relevant Settlement Day falls on or after such Valuation Date)

exceeds

(ii) the Credit Support Amount.

Paragraph 3. Transfers, Calculations and Exchanges

(a) **Transfers.** All transfers under this Annex of any Eligible Credit Support, Equivalent Credit Support, Interest Amount or Equivalent Distributions shall be made in accordance with the instructions of the Transferee or Transferor, as applicable, and shall be made:

(i) in the case of cash, by transfer into one or more bank accounts specified by the recipient;

(ii) in the case of certificated securities which cannot or which the parties have agreed will not be delivered by book-entry, by delivery in appropriate physical form to the recipient or its account accompanied by any duly executed instruments of transfer, transfer tax stamps and any other documents necessary to constitute a legally valid transfer of the transferring party's legal and beneficial title to the recipient; and

(iii) in the case of securities which the parties have agreed will be delivered by book-entry, by the giving of written instructions (including, for the avoidance of doubt, instructions given by telex, facsimile transmission or electronic messaging system) to the relevant depository institution or other entity specified by the recipient, together with a written copy of the instructions to the recipient, sufficient, if complied with, to result in a legally effective transfer of the transferring party's legal and beneficial title to the recipient.

Subject to [Paragraph 4](#) and unless otherwise specified, if a demand for the transfer of Eligible Credit Support or Equivalent Credit Support is received by the Notification Time, then the relevant transfer will be made not later than the close of business on the Settlement Day relating to the date such demand is received; if a demand is received after the Notification Time, then the relevant transfer will be made not later than the close of business on the Settlement Day relating to the day after the date such demand is received.

(b) **Calculations.** All calculations of Value and Exposure for purposes of [Paragraphs 2](#) and [4\(a\)](#) will be made by the relevant Valuation Agent as of the relevant Valuation Time. The Valuation Agent will notify each party (or the other party, if the Valuation Agent is a party) of its calculations not later than the Notification Time on the Local Business Day following the applicable Valuation Date (or, in the case of [Paragraph 4\(a\)](#), following the date of calculation).

(c) **Exchanges.**

(i) Unless otherwise specified in [Paragraph 11](#), the Transferor may on any Local Business Day by notice inform the Transferee that it wishes to transfer to the Transferee Eligible Credit Support specified in that notice (the "New Credit Support") in exchange for certain Eligible Credit Support (the "Original Credit Support") specified in that notice comprised in the Transferor's Credit Support Balance.

(ii) If the Transferee notifies the Transferor that it has consented to the proposed exchange, (A) the Transferor will be obliged to transfer the New Credit Support to the Transferee on the first Settlement Day following the date on which it receives notice (which may be oral telephonic notice) from the Transferee of its consent and (B) the Transferee will be obliged to transfer to the Transferor Equivalent Credit Support in respect of the Original Credit Support not later than the Settlement Day following the date on which the Transferee receives the New Credit Support, unless otherwise specified in [Paragraph 11\(d\)](#) (the "Exchange Date"); *provided* that the Transferee will only be obliged to transfer Equivalent Credit Support with a Value as of the date of transfer as close as practicable to, but in any event not more than, the Value of the New Credit Support as of that date.

Paragraph 4. Dispute Resolution

(a) ***Disputed Calculations or Valuations.*** If a party (a "Disputing Party") reasonably disputes (I) the Valuation Agent's calculation of a Delivery Amount or a Return Amount or (II) the Value of any transfer of Eligible Credit Support or Equivalent Credit Support, then:

(1) the Disputing Party will notify the other party and the Valuation Agent (if the Valuation Agent is not the other party) not later than the close of business on the Local Business Day following, in the case of (I) above, the date that the demand is received under [Paragraph 2](#) or, in the case of (II) above, the date of transfer;

(2) in the case of (I) above, the appropriate party will transfer the undisputed amount to the other party not later than the close of business on the Settlement Day following the date that the demand is received under [Paragraph 2](#);

(3) the parties will consult with each other in an attempt to resolve the dispute; and

(4) if they fail to resolve the dispute by the Resolution Time, then:

(i) in the case of a dispute involving a Delivery Amount or Return Amount, unless otherwise specified in [Paragraph 11\(c\)](#), the Valuation Agent will recalculate the Exposure and the Value as of the Recalculation Date by:

(A) utilising any calculations of that part of the Exposure attributable to the Transactions that the parties have agreed are not in dispute;

(B) calculating that part of the Exposure attributable to the Transactions in dispute by seeking four actual quotations at mid-market from Reference Market-makers for purposes of calculating Market Quotation, and taking the arithmetic average of those obtained; *provided* that if four quotations are not available for a particular Transaction, then fewer than four quotations may be used for that Transaction, and if no quotations are available for a particular Transaction, then the Valuation Agent's original calculations will be used for the Transaction; and

(C) utilising the procedures specified in [Paragraph 11\(e\)\(ii\)](#) for calculating the Value, if disputed, of the outstanding Credit Support Balance;

(ii) in the case of a dispute involving the Value of any transfer of Eligible Credit Support or Equivalent Credit Support, the Valuation Agent will recalculate the Value as of the date of transfer pursuant to [Paragraph 11\(e\)\(ii\)](#).

Following a recalculation pursuant to this Paragraph, the Valuation Agent will notify each party (or the other party, if the Valuation Agent is a party) as soon as possible but in any event not later than the Notification Time on the Local Business Day following the Resolution Time. The appropriate party will, upon demand following such notice given by the Valuation Agent or a resolution pursuant to (3) above and subject to [Paragraph 3\(a\)](#), make the appropriate transfer.

(b) **No Event of Default.** The failure by a party to make a transfer of any amount which is the subject of a dispute to which [Paragraph 4\(a\)](#) applies will not constitute an Event of Default for as long as the procedures set out in this [Paragraph 4](#) are being carried out. For the avoidance of doubt, upon completion of those procedures, [Section 5\(a\)\(i\)](#) of this Agreement will apply to any failure by a party to make a transfer required under the final sentence of [Paragraph 4\(a\)](#) on the relevant due date.

Paragraph 5. Transfer of Title, No Security Interest, Distributions and Interest Amount

(a) **Transfer of Title.** Each party agrees that all right, title and interest in and to any Eligible Credit Support, Equivalent Credit Support, Equivalent Distributions or Interest Amount which it transfers to the other party under the terms of this Annex shall vest in the recipient free and clear of any liens, claims, charges or encumbrances or any other interest of the transferring party or of any third person (other than a lien routinely imposed on all securities in a relevant clearance system).

(b) **No Security Interest.** Nothing in this Annex is intended to create or does create in favour of either party any mortgage, charge, lien, pledge, encumbrance or other security interest in any cash or other property transferred by one party to the other party under the terms of this Annex.

(c) **Distributions and Interest Amount.**

(i) **Distributions.** The Transferee will transfer to the Transferor not later than the Settlement Day following each Distributions Date cash, securities or other property of the same type, nominal value, description and amount as the relevant Distributions ("Equivalent Distributions") to the extent that a Delivery Amount would not be created or increased by the transfer, as calculated by the Valuation Agent (and the date of calculation will be deemed a Valuation Date for this purpose).

(ii) **Interest Amount.** Unless otherwise specified in [Paragraph 11\(f\)\(iii\)](#), the Transferee will transfer to the Transferor at the times specified in [Paragraph 11\(f\)\(ii\)](#) the relevant Interest Amount to the extent that a Delivery Amount would not be created or increased by the transfer, as calculated by the Valuation Agent (and the date of calculation will be deemed a Valuation Date for this purpose).

Paragraph 6. Default

If an Early Termination Date is designated or deemed to occur as a result of an Event of Default in relation to a party, an amount equal to the Value of the Credit Support Balance, determined as though the Early Termination Date were a Valuation Date, will be deemed to be an Unpaid Amount due to the Transferor (which may or may not be the Defaulting Party) for purposes of [Section 6\(e\)](#). For the avoidance of doubt, if Market Quotation is the applicable payment measure for purposes of [Section 6\(e\)](#), then the Market Quotation determined under [Section 6\(e\)](#) in relation to the Transaction constituted by this Annex will be deemed to be zero, and, if Loss is the applicable payment measure for purposes of [Section 6\(e\)](#), then the Loss determined under [Section 6\(e\)](#) in relation to the Transaction will be limited to the Unpaid Amount representing the Value of the Credit Support Balance.

Paragraph 7. Representation

Each party represents to the other party (which representation will be deemed to be repeated as of each date on which it transfers Eligible Credit Support, Equivalent Credit Support or Equivalent Distributions) that it is the sole owner of or otherwise has the right to transfer all Eligible Credit Support, Equivalent Credit Support or Equivalent Distributions it transfers to the other party under this Annex, free and clear of any security interest, lien, encumbrance or other restriction (other than a lien routinely imposed on all securities in a relevant clearance system).

Paragraph 8. Expenses

Each party will pay its own costs and expenses (including any stamp, transfer or similar transaction tax or duty payable on any transfer it is required to make under this Annex) in connection with performing its obligations under this Annex, and neither party will be liable for any such costs and expenses incurred by the other party.

Paragraph 9. Miscellaneous

(a) **Default Interest.** Other than in the case of an amount which is the subject of a dispute under Paragraph 4(a), if a Transferee fails to make, when due, any transfer of Equivalent Credit Support, Equivalent Distributions or the Interest Amount, it will be obliged to pay the Transferor (to the extent permitted under applicable law) an amount equal to interest at the Default Rate multiplied by the Value on the relevant Valuation Date of the items of property that were required to be transferred, from (and including) the date that the Equivalent Credit Support, Equivalent Distributions or Interest Amount were required to be transferred to (but excluding) the date of transfer of the Equivalent Credit Support, Equivalent Distributions or Interest Amount. This interest will be calculated on the basis of daily compounding and the actual number of days elapsed.

(b) **Good Faith and Commercially Reasonable Manner.** Performance of all obligations under this Annex, including, but not limited to, all calculations, valuations and determinations made by either party, will be made in good faith and in a commercially reasonable manner.

(c) **Demands and Notices.** All demands and notices given by a party under this Annex will be given as specified in Section 12 of this Agreement.

(d) **Specifications of Certain Matters.** Anything referred to in this Annex as being specified in Paragraph 11 also may be specified in one or more Confirmations or other documents and this Annex will be construed accordingly.

SCHEDULE 1 – CREDIT SUPPORT ANNEX PARAGRAPH 11

Paragraph 11. Elections and Variables

(a) *Base Currency and Eligible Currency.*

- (i) "Base Currency" means Australian Dollars.
- (ii) "Eligible Currency" means the Base Currency.

(b) *Credit Support Obligations.*

(i) *Delivery Amount, Return Amount and Credit Support Amount.*

(A) *"Delivery Amount"*

Party A is not required to deliver any Eligible Credit Support (whether by way of Delivery Amounts or Return Amounts or otherwise) to Party B in respect of the Transaction covered by this Confirmation.

Despite any other provision of this Confirmation, Party B must on the Initial Exchange Date deliver to Party A an initial Delivery Amount comprised of Shares in an amount equal to the Aggregate Number of Shares. Party A agrees that it will not, for the purposes of the Subscription Agreement, direct the Issuer to register Party B or UBS Nominees Pty Limited as nominee of Party B as the holder of Shares in an amount other than the Aggregate Number of Shares. No other Delivery Amounts are required to be delivered by Party B to Party A except:

(aa) in circumstances where Eligible Credit Support in the form of Shares has been transferred by Party A to the Nominee in accordance with "Additional Provisions paragraph 4 – Voting Arrangements" of this Confirmation, in which case the required Delivery Amount is equivalent to the number of Shares so transferred to the Nominee. The Delivery Amount must be delivered to Party A in accordance with "Additional Provisions paragraph 4 – Voting Arrangements" of this Confirmation and the Nominee Deed; and

(bb) in circumstances where Party A has agreed to the delivery or substitution of collateral other than the Shares, in which case any required Delivery Amounts are determined in accordance with the agreement between Party A and Party B in respect of that alternative collateral.

(B) *"Return Amount"*

Despite any other provision of this Confirmation, Party A must on the Cash Settlement Payment Date (if Cash Settlement applies) or Settlement Date (if Physical Settlement applies) for a Tranche, deliver a Return Amount comprised of Shares in an amount equal to the Tranche Quantity for that Tranche to Party B, provided that no Event of Default (as defined in the ISDA Form) has occurred in respect of which Party B is the Defaulting Party or Termination Event has occurred in respect of which Party B is the Affected Party.

To the extent that, on a Settlement Date, Party A is required to deliver a Return Amount to Party B (such quantity of Shares being "**Quantity X**") and Party B is on that date required to deliver Shares to Party A in connection with the physical settlement of the Related Options (such quantity of Shares being "**Quantity Y**"), Party A's obligation to deliver Shares under this Confirmation in respect of the

relevant Tranche shall be satisfied by the delivery of a number of Shares to Party B on the Settlement Date for that Tranche, equal to the excess, if any, of Quantity X over Quantity Y.

(C) "*Credit Support Amount*" in Paragraph 10 does not apply and, instead, for the purposes of this Confirmation, it means at any time an amount equal to the Aggregate Number of Shares comprised in the Delivery Amount on the Initial Exchange Date less any Shares delivered to Party B under paragraph (B) ("*Return Amount*") above.

(ii) *Eligible Credit Support*. The following items will qualify as "*Eligible Credit Support*":

| | Party B | Valuation Percentage |
|---|----------------|-----------------------------|
| Fully paid ordinary shares of the Issuer, or any other collateral agreed to in advance in writing by Party A | ✓ | 100% |
| Australian Dollars cash | ✓ | 100% |

"**Issuer**" means Oil Search Limited (ARBN 055 079 868). ASX code "OSH".

(iii) **Thresholds.**

(A) "*Independent Amount*" means with respect to Party A: zero
"*Independent Amount*" means with respect to Party B: zero

(B) "*Threshold*" means zero for both Party A and party B.

(C) "*Minimum Transfer Amount*" means AUD 1,000,000 for both Party A and Party B.

(D) *Rounding*. AUD 10,000

(c) *Valuation and Timing.*

(i) "*Valuation Agent*" means Party A.

(ii) "*Valuation Date*" means any Local Business Day.

(iii) "*Valuation Time*" means the close of business in the Relevant Market on the Local Business Day first preceding the Valuation Date or date of calculation, as applicable.

For the purposes of this provision, "Relevant Market" means:

(a) with respect to the calculation of Value, the principal market in which the Eligible Credit Support is traded; and

(b) with respect to the calculation of Exposure, the location most closely associated with the relevant Transaction;

each as determined by the Valuation Agent, or as otherwise agreed between the parties.

(iv) "*Notification Time*" means 3:00 p.m., Sydney time, on the Local Business Day.

- (d) **Exchange Date.** "*Exchange Date*" has the meaning specified in Paragraph 3(c)(ii).
- (e) **Dispute Resolution.**
 - (i) "*Resolution Time*" means 3:00 p.m., Sydney time, on the Local Business Day following the date on which the notice is given that gives rise to a dispute under Paragraph 4.
 - (ii) **Value.** For the purpose of Paragraphs 4(a)(4)(i)(C) and 4(a)(4)(ii), , disputes over value will be resolved by the Valuation Agent seeking three bid quotes as of the relevant Valuation Date or date of Transfer from parties that regularly act as dealers in the securities or other property in question. The Value will be the Base Currency Equivalent of the arithmetic mean of the bid prices obtained by the Valuation Agent multiplied by the nominal amount of such security, plus any income which, as of such date, has accrued but not yet been paid in respect of the security to the extent not included in such price as of such date, multiplied by the applicable Valuation Percentage.
 - (iii) **Alternative.** The provisions of Paragraph 4 will apply.
- (f) **Distributions and Interest Amount.**

Despite anything to the contrary in the 1995 ISDA Credit Support Annex forming part of the ISDA Form, Party A is only required to pay "Equivalent Distributions" to Party B as contemplated under paragraph 5(c) of the 1995 ISDA Credit Support Annex as follows:

- a) If the ex-date of an Extraordinary Dividend declared in respect of the Shares occurs during the Dividend Period then Party B agrees that:
 - (i) Party A shall not be required to pay an Equivalent Distribution to Party B in respect of a quantity of Shares equal to the Delta Quantity;
 - (ii) Party A shall pay to Party B an Equivalent Distribution equal to the Actual Dividend Amount per Share in respect of the Non-Delta Quantity; and
 - (iii) payment under paragraph (ii) shall be made by no later than the second Business Day after the payment date of such Extraordinary Dividend or cash return by the Issuer.
- b) If the ex-date of an ordinary dividend declared in respect of the Shares occurs during the Dividend Period then Party B agrees that:
 - (i) Party A shall pay to Party B an Equivalent Distribution equal to A\$0.022 per Share in respect of the Delta Quantity;
 - (ii) Party A shall pay to Party B an Equivalent Distribution equal to the Actual Dividend Amount per Share in respect of the Non-Delta Quantity; and
 - (iii) payment under paragraphs (i) and (ii) shall be made by no later than the second Business Day after the payment date of such ordinary dividend by the Issuer.

No Interest Amounts are payable by Party A to Party B.

For the purposes of the above:

"**Delta Quantity**" is a number determined by UBS that is between zero and the Aggregate Number of Shares.

"**Non-Delta Quantity**" is calculated as the Aggregate Number of Shares minus the Delta Quantity.

"**Actual Dividend Amount**" is the Australian dollar dividend amount per Share declared by the Issuer, or if the Issuer does not declare a dividend in Australian dollars then it is the

dividend amount per share declared by the Issuer multiplied by an exchange rate determined by the Calculation Agent on the ex-dividend date to convert that amount into Australian dollars, less any withholding that would be applicable to Party A when it makes a payment to Party B under this Confirmation, and less any withholding that would be applicable to a shareholder in the same position and with the same characteristics as Party A.

"**Dividend Period**" means the period from but excluding the Trade Date, to and including the Expiration Date for the relevant Component Collar.
