Monadelphous Contracts Update

Leading engineering company Monadelphous Group Limited (ASX: MND) (“Monadelphous”) today announced it has been awarded construction contracts for customers in the oil and gas and infrastructure markets, with a combined value of approximately \$90 million.

The contracts include:

- A contract with the Australia Pacific LNG Project¹, for construction of the Spring Gully Pipeline Compression Facility at Roma, South Central Queensland.
- A contract with Queensland Urban Utilities for the design, supply, construction and commissioning of the flood affected Stages 1–4 of the Oxley Creek Sewage Treatment Plant in Brisbane, Queensland.
- A contract with DDG Ashburton Pty Ltd (“DDG”) for the construction of a 24 km gas pipeline from DDG’s Ashburton West facilities to a new power station near Onslow, Western Australia.

“The award of these new contracts in coal seam gas, water and pipelines supports the company’s continuing focus on the broadening of our revenue base,” Monadelphous Managing Director Rob Velletri said.
