About the Company

1-Page provides a revolutionary cloud-based human resources Software-as-a-Service platform, currently employed by leading global and US companies. The Enterprise Challenge-based Assessment and Engagement Platform is a disruptive, patented, HR tool which enables companies to individually rank and prioritize candidates for employment positions based on their ability to solve real-time business challenges and achieve strategic objectives. Ranked as one of the top 3 HR technologies in the US, 1-Page changes the dynamics of hiring: leveraging candidates solutions, sent in the format of one page job proposals the platform applies new predictive data to rank the most suitable candidates for the interview. By streamlining the recruiting process and identifying candidates while displaying the greatest desire and capability for the role, 1-Page greatly reduces talent acquisition costs and significantly increases employment retention rates for enterprises, especially those with large staffing requirements.
