1-PAGE SIGNS DESTINATION HOTELS & RESORTS

- **Destination Hotels & Resorts has signed with 1-Page to leverage its Enterprise Hiring Solution and Innovation Platform.**

- **Destination Hotels & Resorts is one of the top 10 hospitality and property management companies in the United States with more than 9,000 employees and more than $2.7 billion in assets under management.**

1-Page Limited (ASX:1PG) ("1-Page"), the enterprise cloud-based talent acquisition platform changing the way companies hire talent, is pleased to announce it has added Destination Hotels & Resorts, one of the USA's leading hospitality and property management companies, to its list of enterprise clients.

Established in 1973, Destination Hotels & Resorts is one of the industry's leading companies in the management and marketing of high-quality independent hotels and resorts. Destination Hotels & Resorts has grown to become consistently ranked as one of the top ten hospitality and property management companies in the United States[1] with more than 9,000 employees, over 9,300 hotel rooms and condominium units, and more than $2.7 billion in assets under management.

Destination Hotels and Resorts will be leveraging 1-Page's Enterprise Hiring Solution to engage with candidates beyond the resume and identify the best people for key roles across the organisation. Additionally, Destination Hotels and Resorts will be utilising the 1-Page Innovation Platform to engage the existing workforce on innovation challenges, thus engaging their workforce, and promoting an environment to source innovation from within.

CEO and Managing Director of 1-Page Joanna Weidenmiller said: *"We are pleased to be working with an industry leader that prides itself on the service its employees provide to their clientele and customers. By leveraging 1-Page's Hiring Solution and Innovation Platform, Destination Hotels & Resorts will continue building a stellar team and keep their employees engaged while promoting innovation across every department."*

1-Page continues to expand its client base into a wide-range of industries, with the 1-Page challenge-based assessment platform now servicing a broad client base to industries including hospitality and real estate, technology, banking, retail, consumer goods and advertising.

About the Company

1-Page provides a revolutionary cloud-based human resources Software-as-a-Service platform, currently employed by leading global and US companies. The Enterprise Challenge-based Assessment and Engagement Platform is a disruptive, patented, HR tool which enables companies to individually rank and prioritize candidates for employment positions based on their ability to solve real-time business challenges and achieve strategic objectives. Ranked as one of the top 3 HR technologies in the US, 1-Page changes the dynamics of hiring: leveraging candidates solutions, sent in the format of one page job proposals. The platform applies new predictive data to rank the most suitable candidates for the interview. By streamlining the recruiting process and identifying candidates while displaying the greatest desire and capability for the role, 1-Page greatly reduces talent acquisition costs and significantly increases employment retention rates for enterprises, especially those with large staffing requirements.
