- **Champs Sports has signed with 1-Page to leverage its Talent Assessment Platform for all its corporate roles.**
- **Champs Sports, a subsidiary of Fortune 500 company Foot Locker Inc. (NYSE:FL), is a leading sportswear brand with 552 stores located across United States and Canada.**
- **Champs Sports signing reaffirms 1-Page's strong presence in the retail industry.**

1-Page Limited (ASX:1PG) ("1-Page"), the enterprise cloud-based talent acquisition platform changing the way companies hire talent, is pleased to announce it has added Champs Sports, one of the largest mall-based speciality athletic apparel retailers in North America, to its list of enterprise clients.

Champs Sports will initially leverage the 1-Page Talent Assessment Platform for their corporate positions across all departments, with plans of scaling the next generation hiring solution provided by 1-Page into retail stores and campus recruiting.

Champs Sports is one of the largest athletic footwear and apparel retailers in North America with 552 stores located across United States and Canada. Champs Sports is a subsidiary of Foot Locker Inc. (NYSE:FL), with more than 44,000 employees and 4,000 stores globally.

CEO and Managing Director of 1-Page Joanna Weidenmiller said: *"We are excited to work with one of the top sportswear retailers in North America. Our goal is to assist Champs Sports with our technology and expertise in the retail industry, enabling their recruiting team to easily identify the right people who will drive innovation and business results."*

With the addition of Champs Sports, 1-Page has reaffirmed its strong presence in the retail industry, where it successfully assists companies to identify great hires that will increase revenues and drive innovation.

Since listing on the ASX on October 15 2014, 1-Page has signed Champs Sports, Pandora, Splunk, Coupons.com, Red Bull, Omnicom Media Group, Destination Hotels & Resorts and First Republic Bank to be clients of 1-Page .

## **About 1-Page**

1-Page provides a revolutionary cloud-based human resources Software-as-a-Service (SaaS) platform, currently employed by leading global and US companies.

### **1-Page Talent Assessment Platform**

The Platform is a disruptive, patented, HR tool enables companies to individually rank and prioritize candidates for employment positions based on their ability to solve real-time business challenges and achieve strategic objectives. Leveraging candidate's solutions sent in the format of one-page job proposals, the platform applies new predictive data to rank the most suitable candidates for the interview.

By streamlining the recruiting process and identifying candidates while displaying the greatest desire and capability for the role, 1-Page greatly reduces talent acquisition costs and significantly increases employment retention rates for enterprises, especially those with large staffing requirements.

### **1-Page Internal Innovation Platform**

The 1-Page Internal Innovation Platform leverages the principles and technologies of the Talent Assessment Platform to promote internal innovation and engagement from a client's most valuable asset, its employees.

### **1-Page Sourcing and Referral Engine**

The 1-Page Sourcing and Referral Engine is 820 million profiles large, and automates the referral process, allowing companies to source candidates from within its own employee networks, displaying a selection of the most connected and qualified candidate to the company's employees. 1-Page allows the company to contact, attract and engage the most valuable passive candidates at scale.
