1-Page Limited (ASX:1PG) ("1-Page"), the enterprise cloud-based talent acquisition platform changing the way companies hire talent, has entered into an agreement with Sears Auto Center for the 1-Page Talent Assessment Platform.

1-Page will provide Sears Auto Center the Talent Assessment Platform to assist in identifying the most talented job candidates.

About Sears Holdings Corporation

With over 200,000 employees across United States and Canada, and a market capitalisation of \$US3.59 B, Sears Holdings Corporation (NASDAQ: SHLD) is one of the largest retailers in North America and a Fortune 100 company. Sears is a leading integrated retailer with subsidiaries brands including Kmart, Craftsman, Joe Boxer and others, focused on seamlessly connecting the digital and physical shopping experiences to serve customers - wherever, whenever and however they want to shop.

About 1-Page's Talent Assessment Platform

The 1-Page Talent Assessment Platform is a disruptive, patented, HR tool enabling companies to individually rank and prioritise candidates for employment positions based on their ability to solve real-time business challenges and achieve strategic objectives. Leveraging candidates' solutions, sent in the format of one-page job proposals, the platform applies new predictive data to rank the most suitable candidates for the interview.

By streamlining the recruiting process and identifying candidates while displaying the greatest desire and capability for the role, 1-Page greatly reduces talent acquisition costs and significantly increases employment retention rates for enterprises, especially those with large staffing requirements.
