# Chairman's letter to shareholders

1 April 2015

Dear Shareholder

This week, Caltex welcomed new investors to its share register following the successful sell down by Chevron of its 50% shareholding in Caltex.

I am pleased to advise that Chevron's share sale, the largest of its kind in Australian corporate history, was met with strong demand from investors. The success of the sale is a strong endorsement of our strategy, which we have delivered on to date, and which remains unchanged.

As you know, we have operated in Australia since 1900 and been listed on the Australian Securities Exchange for more than three decades, having long existed as an independent company that understands and proudly serves Australian consumers and business.

We are Australia's leader in transport fuels and have an unyielding commitment to providing our customers with safe and reliable supply.

At the Caltex Annual General Meeting on 7 May, I will be standing for re-election, with the full support of the Board. With your support, I will continue to work with the same senior management team that has successfully delivered on our strategy to deliver the next phase of Caltex's growth ambitions.

The Board and management remain focused on investing in the business and in growth initiatives to generate sustainable, long term earnings growth for our shareholders.

I look forward to your attendance at the AGM and answering your questions at this time.

Yours sincerely

Elizabeth Bryan

### 3. Non-executive Directors' Fee Pool Increase

In accordance with ASX Listing Rule 10.17, the Caltex Board seeks shareholder approval to increase the maximum annual aggregate amount of remuneration that may be paid to Caltex Non-executive Directors under clause 59.1 of the Caltex Constitution by \$250,000 from \$2,000,000 to \$2,250,000 effective from 7 May 2015.

The current fee pool limit of \$2,000,000 was approved by Caltex shareholders at the 2010 Annual General Meeting. The fee pool includes all Board and Board Committee fees paid to Non-executive Directors and superannuation contributions made on behalf of Non-executive Directors.

Board and Committee fees paid to Caltex Non-executive Directors in 2013 and 2014 totalled \$1,690,759 and \$1,757,184, respectively. Details of Caltex's Board and Committee fees are contained in page 52 of the 2014 Annual Report.

In 2014, Caltex engaged an independent adviser to undertake a review of Board and Committee fees and the Board remuneration pool for Non-executive Directors. As part of this review, Caltex's remuneration practices for Non-executive Directors were benchmarked against comparator groups of listed companies.

Given the annual aggregate fees paid during the last two years is approaching the fee pool limit, the Board has determined that it is timely to seek shareholder approval for an increase to the fee pool.

The Board believes that the proposed increase to the fee pool limit will enable it to:

- maintain an appropriate reserve to effect Board and Committee succession in an orderly fashion and continue to attract non-executive directors with appropriate expertise, experience and skills; and
- maintain market competitiveness, by allowing future adjustments to Board and Committee fees over the next few years.

No securities were issued to any Non-executive Director under ASX Listing Rules 10.11 or 10.14 within the last three years.

**The Chairman of the AGM intends to vote all available proxies in favour of this resolution.**

### Voting exclusion

In accordance with the ASX Listing Rules and the Corporations Act, Caltex will disregard any votes cast on this resolution:

- by or on behalf of the Directors and their associates, regardless of the capacity in which the vote is cast; and
  - as a proxy by a person who is a member of Caltex's key management personnel (KMP) at the date of the AGM and their closely related parties,
- unless the vote is cast as proxy for a person who is entitled to vote on this resolution:
- in accordance with their directions of how to vote on the proxy form; or
  - by the Chairman of the meeting in accordance with an express authorisation to exercise the proxy, even though Item 3 is connected with the remuneration of the KMP.

### 4. Remuneration Report

Under the Corporations Act, Caltex is required to include a detailed Remuneration Report including prescribed information in relation to the remuneration of directors and executives of Caltex and Caltex's remuneration practices in the Directors' Report.

The Remuneration Report for the year ended 31 December 2014 is incorporated in the 2014 Annual Report as part of the Directors' Report.

The Chairman will open the AGM to questions and comments on the Remuneration Report.

The Remuneration Report is required to be submitted for adoption by a resolution of shareholders at the AGM. The vote on this resolution is advisory only and does not bind the Directors or Caltex.

**The Board recommends the adoption of the Remuneration Report by shareholders.**

**The Chairman of the AGM intends to vote all available proxies in favour of this resolution.**

### Voting exclusion

In accordance with the Corporations Act, Caltex will disregard any votes cast on this resolution:

- by or on behalf of the KMP named in the Remuneration Report for the year ended 31 December 2014 and their closely related parties, regardless of the capacity in which the vote is cast; and
  - as a proxy by a member of the KMP at the date of the AGM or a KMP's closely related party,
- unless the vote is cast as a proxy for a person who is entitled to vote on this resolution:
- in accordance with their directions of how to vote on the proxy form; or
  - by the Chairman pursuant to an express authorisation to exercise the proxy, even though Item 4 is connected with the remuneration of the KMP.
