Participating Organisations are advised that the total capital return and price of capital return in the notice released on 27/05/2015 (reference number: 0578.15.05) was incorrect. The amount should have reflected a capital reduction of \$69.890 million and effected by way of return of capital of \$A0.228 per share. Please refer to the below for more information.

Description

Participating Organisations are advised that a general meeting of shareholders will be held on 29 May 2015, at which shareholders of GWA Group Limited (the "Company") will vote on resolutions to approve a \$69.890 million capital reduction and a consolidation of the Company's shares. If both resolutions are approved by shareholders:

- post-consolidation shares will trade on a deferred settlement basis (ASX Code: GWADA), from 9 June 2015 to 15 June 2015 (inclusive), and shares will resume trading on a T+3 basis (ASX Code: GWA) from 16 June 2015;
- the capital reduction will be effected by way of a return of capital to each registered shareholder of the Company as at 7:00pm AEDT (7:00pm EAST) on 5 June 2015 of A\$0.228 per share (the "Capital Return");
- the Company proposes to pay a special dividend of A\$0.060 per share partly franked to 76.65% (the "Dividend") held at that time, calculated on a pre-consolidated basis; and.
- the share consolidation will involve the conversion of every one share on issue into 0.9100 shares in the Company ("Share Consolidation"). Where the Share Consolidation results in a shareholder having a fractional entitlement to a share, the Company will round up the entitlement to the next whole number of shares.
