Dear James,

**Re: Lanka Graphite Ltd ('Company') – Extension of Exploration Licences**

We refer to your letter of 21 July 2015 regarding the Company's application for reinstatement of its securities to official quotation following completion of its change of activities (**Letter**).

At section 12.5 of the Letter, you have requested that the Company provide a statement confirming the status and expiry dates of the tenements EL236 and EL237 as referred to in section 10 of the Prospectus.

We now **enclose** Exploration Licences EL/237/R1 and EL/236/R/1 issued to Lanka Graphite Pvt Ltd on 6 July 2015 by the Geological Survey and Mines Bureau of Sri Lanka (**Exploration Licences**).

The key terms of the Exploration Licences are as follows:

- (a) The Exploration Licences shall be valid from a period of 24 months, beginning from 6 July 2015 (**Term**);
- (b) the Exploration Licences grant Lanka Graphite Pvt Ltd the exclusive right to explore for graphite in designated areas during the Term;
- (c) Lanka Graphite Ltd shall not suspend the activities authorised by the licence for a period exceeding 6 months without written authorisation; and
- (d) Lanka Graphite Ltd shall comply with the *Mines & Minerals Act No. 33 of 1992* (Sri Lanka), and all regulations made thereunder.

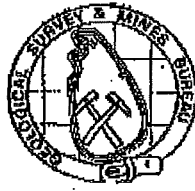

If you would like to discuss this matter or require any further information, please contact Phillip Grundy or Yasmin Mitchell on (03) 9614 7707.

Yours faithfully

**Pointon Partners Lawyers**

### CONDITIONS APPLIED TO ALL LICENCE HOLDERS UNDER SECTION 30, MINES & MINERALS ACT NO. 33 OF 1992

1. It is the sole responsibility of the licence holder to become familiar and comply with all provisions of the above named Act and its Regulations.
2. The holder of a licence issued under this Act shall not enter into or work within the area of land specified in the licence, except with the consent of the owner of the surface of such land (Section 51)
3. The holder of a licence under this Act shall not have the right for or mine any mineral used the purpose of building, without the additional specific agreement of the land owner. The owner or occupant of the surface of any land may mine and transport such materials for his personal use without requiring a licence under this Act. (Section 28 (4)).
4. The holder of a licence issued under this Act shall not explore for any mineral near the following locations, without first obtaining the permission of the appropriate ministries responsible for the protection of such locations.
  - i. burial grounds, cemeteries, ancient monuments, archeological reserves.
  - ii. Railway tracks, aerodromes, roads, thoroughfares, power lines, public works, public buildings.
  - iii. Lakes, streams, tanks, bunds.
  - iv. catchment areas, paddy fields, irrigations channels.
  - v. any land covered within the definition of coastal zone.
  - vi. any land covered within special areas defined by the Mahaweli Authority.
  - vii. any land covered within the jurisdiction of the Urban Development Authority.
  - viii. Wild life reservations, nature reserves, forests or parks.
5. The holder of a licence issued under this Act shall not be permitted to explore for any mineral in areas specifically designated as ancient or protected monuments, archeological reserves, national heritage wilderness areas, strict natural reserves, national parks, nature reserves, jungle corridors or botanical gardens. (Section 31)
6. The holder of an Exploration Licence issued under this Act shall not conduct any significant ground disturbance within the licence area without submitting a prescribed Restoration Plan for the approval of the Director General , Geological Survey & Mines Bureau prior to the commencement of any such activities (Regulation 12)
7. This licence may, with notice from the Director General , Geological Survey & Mines , be amended by the deletion of any of the conditions set out or addition of new conditions.
8. The licensee, on satisfactory completion of exploration has the exclusive right to apply for an Artisanal or Industrial Mining Licence as the case may be within the area specified therein for all or part of the area held under this exploration licence.
9. The licence undertakes to comply with the Laws of Sri Lanka.
10. In addition to the above conditions the holder of this licence should carry out exploration activities subject to the conditions, stipulated by the following Ministries/Departments/Authorities from which concurrence has been obtained under section 30 (1) of the Act.

#### Urban Development Authority

- (a) The licence holder should be followed the conditions laid down in the letter No.05/02/GEO/WP/25 on 19.04.2013 issued by the Director, Urban Development Authority.
