DICKER DATA PARTNERS WITH PAESSLER

Partnership Enables Dicker Data to Offer PRTG Network Monitoring Software

The Board of Directors of Dicker Data Limited (ASX: DDR) are pleased to announce our appointment as a distributor of Paessler products for the Australian market.

Chairman and CEO, David Dicker, said "We're pleased to announce our new distribution arrangement with Paessler. This partnership enables us to deliver Paessler's market-leading Network Monitoring Software which helps partners minimise outages."

Andrew Timms, Sales Director for Paessler APAC said "We are happy to announce our new partnership with Dicker Data, a leading Australian distribution partner. We are convinced that this alliance will help Australian resellers and service providers meet the increasing demand for an easy to use and fairly priced Unified Monitoring solution."

PRTG Network Monitor is the all-inclusive monitoring solution that combines the expertise of the network monitoring company Paessler with a comprehensive set of monitoring features, an easy-to-use intuitive interface, and a state-of-the-art monitoring engine.

For and on behalf of the Board,

David Dicker
Chairman & CEO
