Chairman's address

- A transformational year:
 - Completed three significant acquisitions
 - Merged the four businesses together
 - Completed Initial Public Offering (IPO), listing the merged entity on the Australian Securities Exchange (ASX) in June 2015
- These activities have created an enhanced product suite, a more diversified market portfolio, broader management expertise and additional distribution capabilities
- Positioned to capitalise on a unique opportunity in its existing healthcare market footprint and also its growing non-healthcare corporate and government activities with a mature suite of sophisticated and effective online appointment booking products and capabilities

2. FY15 review

Operational highlights for FY15

- Listed on ASX in June 2015, becoming Australia's first ASX listed online healthcare and corporate online search and appointment booking service
- Raised \$5.3m at IPO before costs
- Completed acquisitions:
 - 3 acquisitions: GObookings Systems Pty Ltd., Clinic Connect Pty Ltd., DocAppointments.com.au Pty Ltd
- Integration largely completed within 3 months and ahead of expectations
- Growth delivered organically and through acquisitions
 - FY15 revenues tripled to \$300K, driven predominantly by growth in the private practice sector and business acquisitions

Financial highlights: FY15 to 1QFY16 - MRR

- Group Monthly Recurring Revenue (MRR) growth continued over FY15 and into 1QFY16
- Private Practice MRR at Sept Quarter increased
 27% on June Quarter
- Corporate & Government MRR at Sept Quarter increased 11% on June Quarter
- 55 new customers added during the quarter, including 12 new Corporate & Government clients, bringing total number of clients to 665 for the business

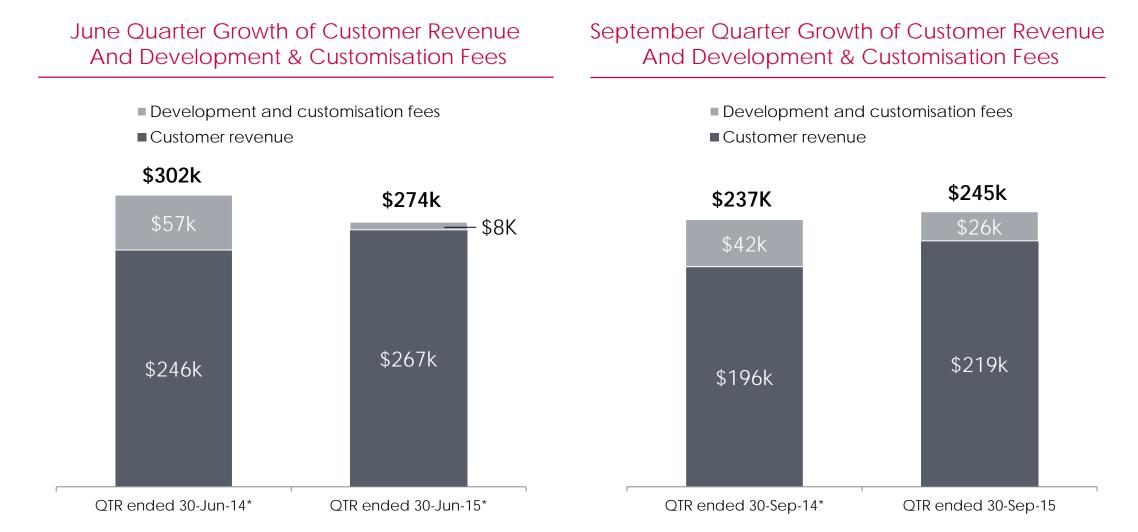

MRR is the monthly recurring revenue contracted to be received from product subscriptions, licencing, hosting and fixed monthly commitments. It excludes all variable revenues, one-off and variable advertising fees.

Financial highlights: FY15 to 1QFY16 - Corporate & Government quarterly revenue

^{*}It should be noted that the prior period comparison is based on figures provided by GObookings – excluding its sales to Clinic Connect – for a period when it was not owned nor controlled by 1stAvailable. These numbers have not been audited, nor independently verified

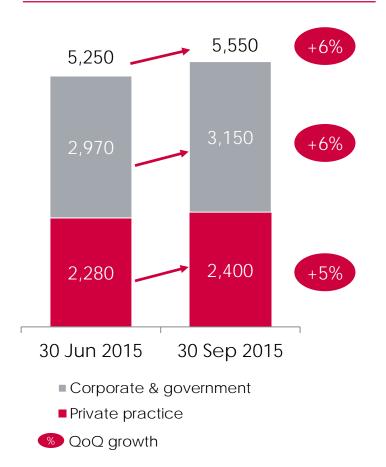

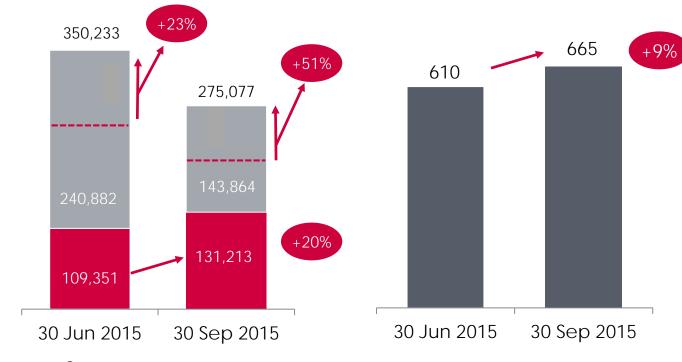

Financial highlights: FY15 to 1QFY16

Total customers

- Corporate & government
- Private practice
- --- Prior year quarter booking volume Corporate & Government
- % YoY growth

Please note that the Corporate & Government business booking volume growth is highly seasonal (e.g., flu season drives high appointment booking volumes compared to other times of the year hence Quarter on Quarter (QoQ) growth measurement is not a useful KPI and therefore not applicable

4. Growth Through Partnerships

Partnership agreements allow 1ST to scale all aspects of its business

- Reseller/Affiliates: Leveraging existing sales network, customer base's and distribution channels to allow for a lower cost of customer acquisition at scale
- **Content:** Access to real time content including reviews & profiles that empower informed patient choices
- PMS: Access to the broadest range of PMS resulting in best in class market coverage

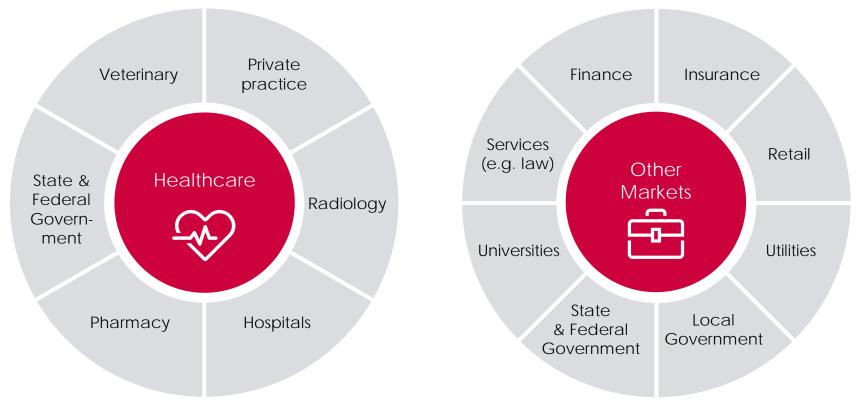

Growth through partnerships

3. Overview of Business and Strategy

Markets 1stAvailable operates in

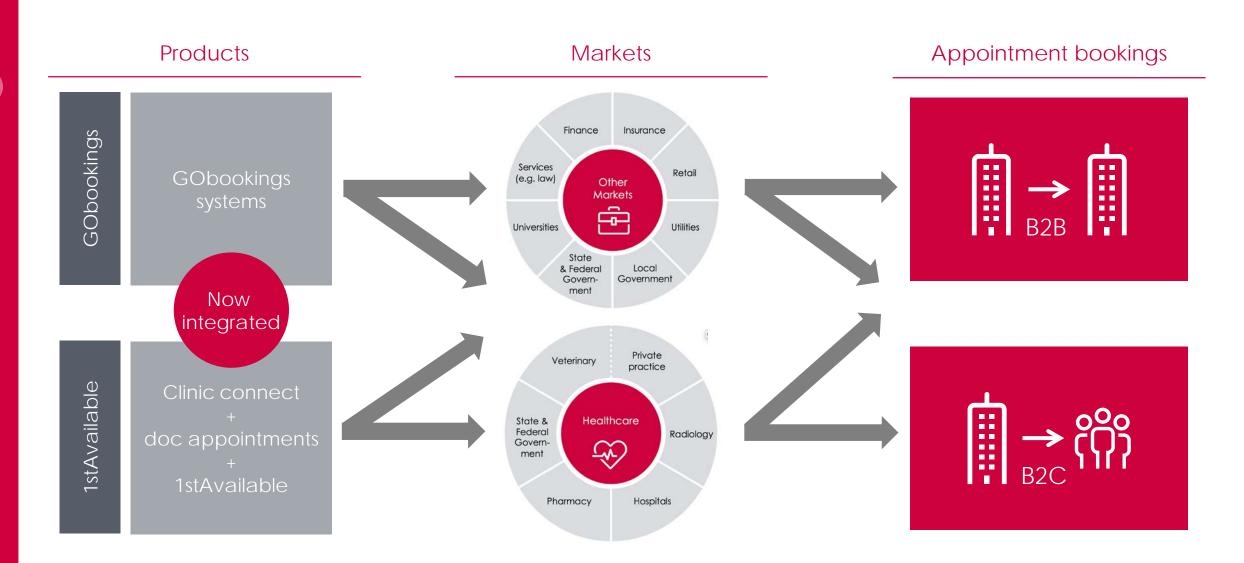

Competitive landscape

- 1ST operates in multiple markets, each with their own competitive dynamics
- Within the Private Practice market, the Company only has one competitor outside of the GP sector. GP's represent <10% of our addressable market
- Within the Corporate and Government market, competition is fragmented by industry with 1stAvailable's solution strongly positioned

Acquisitions – strong strategic fit

Strategic objectives

- Become healthcare industry solution of choice
 - To become the provider of choice in the online healthcare appointment booking market by both healthcare providers and consumers
- Continue to grow Corporate and Government solution into selected other markets
 - Expand the adoption of 1stAvailable's Corporate and Government appointment booking solutions in selected other markets with existing track record of success
- Expand market reach through partnership programs
 - Partner with complementary businesses that will help drive solution adoption by both providers and consumers

Four pillars to drive growth

- Expand channels to market through partnerships
- Upsell and cross- sell additional product offerings
 - Current add-on products include Self Checkin App, Self Checkin Kiosk, New Patient Form App, Custom Corporate Co-Branded Appointment Apps
- Large strategic deals of high value
- Expand advertising sales

4. Outlook and summary

Outlook

- Company enters FY16 strategically positioned to become a leading healthcare and non-healthcare appointment booking solution in Australia
 - \$1.2m raised in private placement (November 2015) with up to \$600,000 to be raised in a share purchase plan (closing December 2015)
- Key drivers of growth for FY16
 - Delivery on established partnerships channels
 - Expansion into non-healthcare related markets
 - Execute on large strategic pipeline of sales opportunities
 - Increased consumer adoption

Investment summary

- Significant market opportunity. The addressable online healthcare booking market alone is worth \$314m by 2018 for 1ST
- First mover advantage with advanced technology. Technology is sophisticated and operational on modern cloud architecture. Modelled on successful online search and appointment booking agencies both locally & internationally
- Commercial model with multiple revenue streams and significantly scalable. Group Monthly Recurring Revenue (MRR) currently exceeding \$135,000 (excluding one off fees)
- High activity pipeline. Commercialisation strategy in place to drive direct sales and strategic partnerships
- Strong management team. Experienced and connected leadership team in place to drive growth and create shareholder value
