DICKER DATA APPOINTED AS DISTRIBUTOR FOR BITTITAN IN ANZ
Cloud Enablement Provider On-Boarded to Support Continued Office 365 Growth

The Board of Directors of Dicker Data Limited (ASX: DDR) are pleased to announce our appointment as a distributor for cloud enablement provider, BitTitan in both Australia and New Zealand. DDR will provide the entire range of BitTitan products in both markets.

David Dicker, Chairman and CEO of Dicker Data Limited said “We’ve had a lot of success with the Microsoft Office 365 product in Australia and New Zealand since it launched. Off the back of that success and our desire keep in front of the competition, alliances with companies like BitTitan are crucial to ensure our partners are enabled to complete the work required to deploy the Office 365 solutions we’re providing.”

“With MSPComplete, Dicker Data’s partners can provide the best possible experience for companies of any size moving from on-premises to the cloud,” said Dustin Ramos, territory manager, APAC MEA for BitTitan. “We’re providing all of the education, tools and services partners need to seamlessly sell, on-board and servicing Office 365 throughout a customer’s entire cloud lifecycle.”

For and on behalf of the Board,

David Dicker
Chairman & CEO
