REMUNERATION REPORT

To consider and if thought fit, pass the following as a non-binding ordinary resolution of the Company:

“That the Company’s Remuneration Report for the financial year ended 30 September 2015, as set out in the Directors’ Report, is adopted.”

The Remuneration Report is contained in the 2015 Annual Report (available at www.eclipx.com). Please note that, in accordance with section 250R(3) of the Corporations Act 2001 (Cth) (the Act), the vote on this resolution is advisory only and does not bind the Directors or the Company.

Voting Exclusion Statement

A vote on Resolution 7 must not be cast:

- a. by or on behalf of a member of the Key Management Personnel (KMP) whose remuneration details are included in the 2015 Remuneration Report or a closely related party of such a KMP (including close family members and companies the KMP controls), regardless of the capacity in which the vote is cast; or

- b. as a proxy by a member of the KMP at the date of the AGM or a closely related party of such a KMP.

However, a person described above may cast a vote on Resolution 7 as a proxy if the vote is not cast on behalf of a person described above and either:

- a. the proxy appointment is in writing that specifies the way the proxy is to vote (e.g. for, against, abstain) on the resolution; or
- b. the vote is cast by the chair of the Meeting and the appointment of the chair as proxy:
 - » does not specify the way the proxy is to vote on the resolution; and
 - » expressly authorises the chair to exercise the proxy even if the resolution is connected directly or indirectly with the remuneration of a member of the KMP.

“Key management personnel” and “closely related party” have the same meaning as set out in the Corporations Act 2001 (Cth).

RESOLUTION 8
ISSUE OF RIGHTS AND OPTIONS UNDER THE ECLIPX GROUP LIMITED LONG-TERM INCENTIVE PLAN – MR DOC KLOTZ

To consider and, if thought fit, to pass the following as an ordinary resolution of the Company:

“That, for the purposes of ASX Listing Rule 10.14 and for all other purposes, the issue of 185,000 Rights and 800,000

Options to Mr Doc Klotz under the Eclipx Group Limited Long-Term Incentive Plan on the terms described in the Explanatory Memorandum which forms part of the Notice of Meeting, is approved.”

Voting Exclusion Statement

In accordance with ASX Listing Rule 14.11, the Company will disregard any votes cast on Resolution 8 by any Director of the Company who is eligible to participate in the Eclipx Group Limited Long-Term Incentive Plan and their associates.

However, the Company need not disregard a vote cast on Resolution 8 if:

- a. it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the proxy form; or
- b. it is cast by the person chairing the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

In addition, a vote must not be cast on Resolution 8 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chairman of the Meeting because Eclipx’s proxy appointment expressly authorises the Chairman of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

RESOLUTION 9
ISSUE OF RIGHTS AND OPTIONS UNDER THE ECLIPX
GROUP LIMITED LONG-TERM INCENTIVE PLAN –
MR GARRY MCLENNAN

To consider and, if thought fit, to pass the following as an ordinary resolution of the Company:

“That, for the purposes of ASX Listing Rule 10.14 and for all other purposes, the issue of 185,000 Rights and 800,000 Options to Mr Garry McLennan, under the Eclipx Group Limited Long-Term Incentive Plan on the terms described in the Explanatory Memorandum which forms part of the Notice of Meeting, is approved.”

Voting Exclusion Statement

In accordance with ASX Listing Rule 14.11, the Company will disregard any votes cast on Resolution 9 by any director of the Company who is eligible to participate in the Eclipx Group Limited Long-Term Incentive Plan and their associates.

However, the Company need not disregard a vote cast on Resolution 9 if:

- a. it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the proxy form; or
- b. it is cast by the person chairing the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

In addition, a vote must not be cast on Resolution 9 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chairman of the Meeting because Eclipx’s proxy appointment expressly authorises the Chairman of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

RESOLUTION 10
APPROVAL OF ECLIPX GROUP LIMITED SHARE RIGHTS
CONTRIBUTION PLAN

To consider and, if thought fit, to pass the following as an ordinary resolution of the Company:

“That approval is given for all purposes for the Eclipx Group Limited Share Rights Contribution Plan (Share Rights Plan) on the terms described in the Explanatory Notes to this Notice of Meeting.”

Voting Exclusion Statement

For good governance, the Company will disregard any votes cast on Resolution 10 by any director of the Company who is eligible to participate in the Share Rights Plan and their associates.

However, the Company need not disregard a vote cast on Resolution 10 if:

- a. it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the proxy form; or

NOTICE OF ANNUAL GENERAL MEETING (CONTINUED)

- b. it is cast by the person chairing the Meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

In addition, a vote must not be cast on Resolution 10 as a proxy by a member of the KMP at the date of the AGM, or a closely related party of those persons, unless it is cast as proxy for a person entitled to vote in accordance with their directions. This restriction on voting undirected proxies does not apply to the Chairman of the Meeting because Eclipx's proxy appointment expressly authorises the Chairman of the Meeting to exercise undirected proxies even if the resolution is connected, directly or indirectly, with the remuneration of the KMP.

RESOLUTION 11. APPOINTMENT OF KPMG AS AUDITOR

To consider and, if thought fit, to pass the following as an ordinary resolution of the Company:

RESOLUTIONS 8 AND 9 ISSUE OF OPTIONS AND RIGHTS UNDER THE ECLIPX GROUP LIMITED LONG-TERM INCENTIVE PLAN – MR DOC KLOTZ AND MR GARRY MCLENNAN

Background

Resolutions 8 and 9 deal with the proposed issue of Rights and Options to Mr Doc Klotz and Mr Garry McLennan under the Eclix Group Limited Long-Term Incentive Plan (Plan).

The Company has agreed, subject to obtaining Shareholder approval, to issue a total of 1,600,000 options (Options) and 370,000 rights (Rights) to Mr Klotz and Mr McLennan – which equates to:

- ▶ Mr Klotz receiving 185,000 Rights and 800,000 Options; and
- ▶ Mr McLennan receiving 185,000 Rights and 800,000 Options.

The ASX Listing Rules (Listing Rules) and the Corporations Act 2001 (Cth) set out a number of regulatory requirements which must be satisfied. These are summarised below:

ASX Listing Rule 10.14

Listing Rule 10.14 requires the approval of ordinary shareholders to issue securities under an employee incentive scheme to a director of the Company.

Accordingly, approval for the issue of the Options and Rights to each of the Directors is required.

Approval of these resolutions will result in the grants to Mr Klotz and Mr McLennan falling within exception 14 in Listing Rule 7.2 (in addition to exception 9, which already applies). Therefore, the issue of securities to each of the Directors will not be included in the 15% calculation for the purposes of Listing Rule 7.1. The issue of shares in the Company (Shares) on the vesting and exercise of the Options and vesting of the Rights will similarly be excluded from Listing Rule 7.1.

Purpose of the Plan

The Board considers that Options and Rights are a very important tool in rewarding, retaining and incentivising employees of the Company and increasing goal alignment between Shareholders, and executives. Therefore, the Plan has been designed to:

- ▶ assist in the motivation, retention and reward of executives; and
- ▶ align the interests of participants' interests with the interests of Shareholders of Eclix.

Other members of senior management, selected by the Board, have been granted Options and Rights under the Plan on similar terms to Mr Klotz and Mr McLennan.

Considerations in determining the number of proposed Options and Rights

The Directors (with the relevant Directors abstaining) considered each Director's experience, the current market price of the Shares and current market practice when determining the number and exercise price of the Options to be issued to each Director. No formula was

used to determine the number of Options and Rights to be awarded.

Those Directors, who do not have an interest in the outcome of the relevant resolution, recommend that shareholders vote in favour of Resolutions 8 and 9 for the reasons set out below.

- a. The Directors consider that it is important for the Company to be able to attract and retain experienced executive directors and that the proposed grant of Options and Rights to Mr Klotz and Mr McLennan is appropriate taking into account their level of experience and contribution to the Company.
- b. The Directors consider that the proposed number of Options and Rights to be granted to each Director is appropriate to:
 - i. motivate the relevant Directors to pursue long term growth and success of the Company (within an appropriate control framework);
 - ii. align the interests of key leadership with the long-term interests of the Company's shareholders; and
 - iii. ensure a clear correlation between performance and remuneration, in accordance with the Company's remuneration policy.
- c. The ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (3rd ed.) note that equity-based remuneration can be an effective form of remuneration for executives.

Details about the proposed grant of Options and Rights to Mr Klotz and Mr McLennan

As described further below, the Board intends to grant Mr Klotz and Mr McLennan 185,000 Rights and 800,000 Options each. The Rights and Options will vest on the Vesting Date to the extent that the Board determined that the Vesting Conditions are satisfied.

The exercise price for the Options is \$3.06 per Option (being the closing price of the Company's shares on 10 November 2015, the date on which the Company's Financial Year 2015 results were released). The exercise price for the Rights is nil.

The awards to Mr Klotz and Mr McLennan have been designed to retain key leadership, drive executive performance and align shareholder interests over the short to medium term.

Vesting Conditions

The Vesting Conditions are based on two separate performance hurdles measured over the Performance Period as described below. The Vesting Conditions are the same for both Mr Klotz and Mr McLennan.

1. Relative Total Shareholder Return (TSR Hurdle) – 50% of the Rights and Options, respectively, will be subject to the Company's TSR performance against a selected group of comparator companies.

The relevant performance period is 1 October 2015 to 30 September 2018 (Performance Period). The comparator group for the TSR Hurdle will be the constituents of the ASX 200 excluding GICS Industry "Metals & Mining"

companies (Comparator Group). The constituents of the Comparator Group are defined on the first day of the Performance Period.

Broadly, TSR calculates the return shareholders would earn if they held a notional number of shares over a period of time and measures growth in the Company's Share price together with the value of dividends during the period, assuming that all those dividends are reinvested into new shares.

The percentage of Rights and Options subject to the TSR hurdle that vest, if any, will be determined by Eclipx's ranking against the Comparator Group (where Eclipx and all companies in the Comparator Group are ranked based on each company's TSR performance over the Performance Period) as follows:

ECLIPX TSR RANK	RIGHTS AND OPTIONS SUBJECT TO TSR HURDLE THAT VEST (%)
At or above the 75th percentile	100%
Between 51st percentile and 75th percentile	Straight line pro-rata vesting between 50% and 100%
At the 51st percentile (threshold performance)	50%
Below the 51st percentile	0%

The Board retains the discretion to adjust the TSR Hurdle, including the constituents of the comparator group, in exceptional circumstances to ensure that participants are neither advantaged nor disadvantaged by matters outside management's control that materially affect TSR performance.

To the extent that the Rights and Options that are subject to the TSR Hurdle do not vest in full after the initial Performance Period, the TSR Hurdle will be re-tested 12 months after the end of the initial Performance Period. The re-test will involve the TSR hurdle being measured over an extended Performance Period, the four-year period from 1 October 2015 to 30 September 2019 (Extended Performance Period).

Following testing of the TSR Hurdle over the Extended Performance Period, if the number of Rights and Options that vest exceeds the number of Rights and Options that have already vested following the initial Performance Period, those additional Rights and Options will vest.

Any Rights and Options that have already vested following the initial Performance Period will not be affected. Re-testing is only applicable to the TSR Hurdle, there is no re-testing of the EPS Hurdle.

Any Rights and Options that do not vest following the Extended Performance Period will lapse immediately.

2. Absolute Earning per Share (EPS Hurdle)
- 50% of the Rights and Options, respectively, will be subject to the absolute EPS Hurdle, based on the Company's growth in basic cash EPS over the Performance Period.

Broadly the cash EPS measures the earnings generated by the Company attributable to each Share on issue adjusted for certain accounting items.

The percentage of Rights and Options subject to the EPS Hurdle that will vest, if any, will be determined based on the Company's compound annual growth in cash EPS over the Performance Period by reference to the "base year" cash EPS (Financial Year 2015 will be the base year for the proposed grant of Rights and Options). Accordingly, to determine growth in cash EPS, the cash EPS achieved in Financial Year 2018 will be compared to cash EPS achieved in Financial Year 2015, and the level of compound annual growth (stated as a percentage) will determine the proportion of the EPS hurdled Rights and Options that vest.

The Rights and Options will vest as follows:

GROWTH IN THE COMPANY'S CASH EPS FROM FY15 TO FY18	RIGHTS AND OPTIONS SUBJECT TO EPS HURDLE THAT VEST (%)
Below 7% compound annual growth	Nil
At 7% compound annual growth	50%
Between 7% and 10% compound annual growth	Straight line pro-rata vesting between 50% and 100%
At or above 10% compound annual growth	100%

The Board retains the discretion to adjust the EPS Hurdle, including the cash EPS performance measured to determine whether the EPS Hurdle is achieved, in exceptional circumstances to ensure that participants are neither advantaged nor disadvantaged by matters outside management's control that materially affect EPS (for example, by excluding one-off non-recurrent items or the impact of significant acquisitions or disposals).

As stated above, Rights and Options subject to the EPS Hurdle are not eligible for re-testing. Any Rights and Options subject to the EPS Hurdle that do not vest following the Performance Period will lapse immediately.

Allocation of Shares following Vesting

Upon the vesting of Rights and Options, the Rights and Options may be exercised. Upon exercise (and in respect of the Options, payment of the exercise price), Mr Klotz and Mr McLennan will be allocated the relevant number of Shares. Rights and Options may be satisfied in either Shares or the Cash Equivalent Value as determined appropriate by the Board (normally at the time the Rights and Options are exercised).

Technical Information
(for the purposes of the ASX Listing Rules)

Pursuant to the requirements of ASX Listing Rule 10.15, the following information is provided with regard to Resolutions 8 and 9:

- ▶ Mr Doc Klotz and Mr Garry McLennan are both Directors of the Company.
- ▶ Mr Klotz and Mr McLennan will be granted 185,000 Rights and 800,000 Options each which, subject to the achievement of the Performance Hurdles, may convert to Shares on a one-for-one basis. As such Mr Klotz and Mr McLennan may be allocated up to 985,000 shares each. Any Shares allocated to Mr Klotz or Mr McLennan may be acquired on market or issued by the Company.
- ▶ The Rights and Options will be granted for nil financial consideration. To exercise vested Options, an exercise price of \$3.06 is payable for each Option.
- ▶ For the purposes of ASX Listing Rule 10.15.4, pursuant to ASX Listing Rule 10.14, neither Director has received securities under the Plan.
- ▶ Of the Company's Directors, only Mr Doc Klotz and Mr Garry McLennan (the Executive Directors) are eligible to participate in the Plan. Non-Executive Directors are not eligible to participate.
- ▶ The Rights and Options will be granted under the terms and conditions of the Plan.

- ▶ A Voting Exclusion Statement is set out under Resolutions 8 and 9 in the Notice of Meeting.
- ▶ There is no loan attaching to the offer under the Plan.
- ▶ The Company is expected to grant the Rights and Options shortly after the Annual General Meeting but in any event, within one year after the AGM.
- ▶ If approval is given for the issue of securities under ASX Listing Rule 10.14, approval is not required under ASX Listing Rule 7.1.

Additional Terms of the Options and Rights

- ▶ The Rights and Options granted under the Plan are both awards in the form of "Options" as described in the Plan. Accordingly, both Rights and Options must be exercised following vesting to receive Shares (or the Cash Equivalent Value) and have the same terms, except that an exercise price is payable on exercise of the Options only.
- ▶ Options and Rights not exercised by 5.00pm on the 5 year anniversary of the grant date (Expiry Date) will lapse.
- ▶ Options and Rights do not carry any dividend or voting rights prior to vesting.
- ▶ A participant must not sell, transfer, encumber, hedge or otherwise deal with unvested Options and Rights.

- ▶ The Company's obligation to allocate shares on exercise of the Rights and Options may be satisfied by issuing new shares, acquiring shares on market or transferring shares from the employee share trust. The Plan contains provisions which give the Board the ability to impose claw-back, including the lapse of unvested Options and Rights, to ensure that no unfair benefit is obtained by a participant (e.g. in the event of fraud or dishonesty).
 - ▶ All unvested Options and Rights will immediately vest in the event of a 30% change of control (as defined in the Plan) occurring unless the Board determines otherwise. All unvested Options and Rights will immediately vest in the event of a 50% change of control (as defined in the Plan) occurring.
 - ▶ If there is any re-organisation (including consolidation, subdivision, reduction or return of issued capital of the Company), the number of Options and Rights and/or the exercise price will be adjusted by the Company in accordance with the Listing Rules or (if no such rules exist) in a manner which the Board considers appropriate.
 - ▶ In the event of cessation of employment, Options and Rights will be treated as follows:
 - a. Unvested Options and Rights:
 - » Generally, if the Director ceases employment due to resignation, termination for cause or gross misconduct all of the unvested Rights and Options will lapse at cessation of employment (subject to the Board's discretion to apply a different treatment in accordance with the Plan Rules).
 - » If the Director ceases employment for any other reason before the Options and Rights vest, unvested Options and Rights remain "on foot" and will be tested following the end of the original Performance Period, vesting to the extent that the relevant vesting conditions have been satisfied. Any Rights and Options that vest must be exercised within 90 days of vesting, otherwise they will lapse.
- The Board also has a broader discretion to apply any another treatment that it deems appropriate in the circumstances.

b. Vested Options and Rights:

- » If the Director ceases employment due to termination for cause all of the vested Rights and Options will lapse at cessation, subject to the Board's discretion to apply a different treatment.
 - » If the Director ceases employment for any other reason any vested Rights and Options not exercised within 90 days of cessation of employment will lapse.
- ▶ Any Shares issued pursuant to the vesting of Rights and the vesting and exercise of Options will, subject to the Constitution of the Company, rank in all respects (other than in respect of dividends, rights issues or bonus issues declared prior to allotment) *pari passu* with the existing Shares at the date of issue and allotment.
 - ▶ The Options and Rights will not be quoted on the ASX. The Company intends to apply to the ASX for quotation of any Shares issued on conversion of the Options and Rights.

The Directors (with Mr Klotz abstaining) unanimously recommend that Shareholders vote in favour of Resolution 8.

The Directors (with Mr McLennan abstaining) unanimously recommend that Shareholders vote in favour of Resolution 9.

**RESOLUTION 10
SHARE RIGHTS CONTRIBUTION PLAN**

The Company is seeking shareholder approval for the Eclipx Group Limited Share Rights Contribution Plan (Share Rights Plan).

Background

Following a full review by the Board of the Company's existing remuneration arrangements for its Directors, the Board and the Remuneration Committee have decided that each Non-executive Director, Executive Director and other selected executives will have the opportunity to acquire share rights under the Plan.

Non-executive Directors may elect to sacrifice, on a pre-tax basis, up to 50% of base Director fees (excluding Committee fees) to acquire share rights. Executive Directors and other selected executives may elect to sacrifice up to 50% of their short term incentive outcome to acquire share rights under the Share Rights Plan.

The Plan is intended to support Directors and executives in building their shareholdings in the Company, share in the long-term growth of the Company and continue to enhance the alignment of interests with shareholders generally.

The Company notes that governance bodies are supportive of directors and senior executives holding a meaningful shareholding in the companies on which they serve or are employed, and the proposed Share Rights Plan will help facilitate this for both of Eclipx's Directors (particularly those who are new to the Board) and executives.

The Board confirms that the share rights granted under the Share Rights Plan will not be subject to performance conditions (although the share rights are subject to continued service – see further details below). This is in line with best practice governance standards which recommend that Non-executive Directors generally should not receive equity with performance hurdles attached as it may lead to bias in their decision-making and compromise their objectivity.

For Financial Year 2016, the terms of the grants made to Directors under the Share Rights Plan will require that the shares allocated on exercise of the share rights must be sourced through on-market purchases. Accordingly, grants of share rights to Directors will not result in any dilution to shareholders and do not require shareholder approval under the Listing Rules.

However, despite the fact that no new shares will be issued in respect of the share rights (and therefore, shareholder approval is not required), the Board is nonetheless seeking this shareholder approval in the interests of transparency and good corporate governance.

Summary of terms

Under the Share Rights Plan, Non-executive Directors who elect to sacrifice their base Director fees will be granted share rights. Executive Directors and other executives who elect to sacrifice their short term incentive outcome will also be granted share rights.

For Financial Year 2016, the following Non-executive Directors have elected to sacrifice, on a pre-tax basis, 50% of their base Director fees (excluding Committee fees) to acquire share rights:

NON-EXECUTIVE DIRECTOR	DIRECTORS' BASE FEE	SALARY SACRIFICE AMOUNT
Kerry Roxburgh	\$250,000	\$125,000
Gail Pemberton	\$125,000	\$62,500
Trevor Allen	\$125,000	\$62,500
Russell Shields	\$125,000	\$62,500

For Non-executive Directors and Executive Directors that participate in the Share Rights Plan, the relevant share rights are expected to be granted following the AGM. For other executives, share rights have already been granted under the Share Rights Plan on the same terms as Executive Directors as described in this Explanatory Memorandum.

The number of share rights each Director and executive will be eligible to receive will be determined by dividing the portion of their remuneration that they elect to sacrifice by the average cost of shares purchased on-market using the aggregate amount sacrificed, rounded down the nearest whole number of share rights.

The operation of the Share Rights Plan will not increase the remuneration of the Directors and executives. The Share Rights Plan does not constitute any form of incentive, it is merely a mechanism for the Directors and executives to invest in the Company at market value and build their equity holding using pre-tax remuneration.

It is intended that share rights will be automatically exercised (at no cost to the Director or executive) and convert into shares in the Company during the trading window following the grant of the rights (which for the Financial Year 2016 offer, is expected to occur in May 2016 following the announcement of the Company's half yearly results). In general, each share right is an entitlement to receive one fully-paid ordinary share in the Company. As noted above, the Board has determined that the share rights will not be subject to performance conditions which could result in potential forfeiture (although the share rights are subject to continued service – further details below). Share rights granted to Directors and executives are not transferable.

For Non-executive Directors that participate in the Share Rights Plan, if the Director ceases to hold office before their share rights convert to shares, all the share rights will lapse. The Director will then be paid the fee amount that was sacrificed under the Share Rights Plan and which has been earned to the date of cessation.

For Executive Directors and other executives, if the executive ceases to be employed before their share rights convert to shares, the Board may determine, in its discretion, whether to allocate the relevant number of shares on cessation or lapse the share rights, in which case the executive will be paid the relevant cash amount sacrificed under the Share Rights Plan.

For the Financial Year 2016 offer, upon transfer to the relevant Director or executive, the shares will be subject to a trading restriction (Trading Restriction) until the earlier of:

- a. The Non-executive Director ceasing to be a director of the Company or in the case of an Executive Director or executive, the date the executive ceases to be employed by the Company; and
- b. The date nominated by the Director or executive in their application form; and
- c. 15 years from the date of grant.

Where the trading restrictions on shares cease for a Non-executive Director who ceases to hold office before 30 September 2016, the Board may determine that any fee amounts which are yet to be sacrificed in relation to the share rights granted to the Director should be repaid to the Company.

Shares subject to the Trading Restriction are not transferable and may not be dealt with while the Trading Restriction applies, except as agreed by the Board or in certain circumstances.

In future years, the Board has discretion to adjust the disposal restriction in paragraph b) above and the mechanism that will be used to enforce the dealing restriction.

Directors and executives do not have dividend or voting rights with respect to share rights until they have vested and been exercised. Following exercise, shares acquired by Directors and executives will rank equally (in relation to dividend and other rights) with other fully paid ordinary shares.

If at any time the Board determines that the allocation of share rights or shares would result in the Company breaching the Company's Constitution, Group policy, any law, the ASX Listing Rules, or is otherwise inappropriate in the circumstances, the Board may defer the allocation of rights or shares until a more suitable time or, in the case of share rights, pay the Director or executive an equivalent cash amount.

The Directors abstain, in the interests of corporate governance, from making a recommendation in relation to this resolution.
