Dear Sirs

Clarification

1st Available Ltd ACN 138 897 533 (**1ST** or **Company**) refers to the announcement released on 4 February 2016 in relation to the commercial agreement.

On 5 February 2016, after the open of trading on ASX, 1ST became aware of a small number of outstanding commercial issues which needed to be resolved urgently between the parties. As such the board of 1ST immediately requested a trading halt to ensure that the market was fully informed.

1ST is pleased to advise that they have resolved all of these commercial issues.

Furthermore, the Board wishes to clarify the following statement contained in the initial ASX release on 4 February: "Under the agreement, 1stAvailable's online search and appointment booking service will be integrated across PRY's dental network of 200 dentists and 55 locations across Australia". As with most technology solution deployment and delivery, the parties will conduct a trial at one centre and subject to the success of that trial consider a further rollout of the program.

For any questions, please contact the undersigned on +61 2 8072 1400.

Yours faithfully
