2015 FINAL DIVIDEND AND DIVIDEND REINVESTMENT PLAN INFORMATION

2015 Final Dividend

The Board of Woodside has declared a final dividend for 2015 of 43 United States (US) cents per share. The dividend will be paid on 8 April 2016 to all shareholders registered on the record date of 24 February 2016. The ex-dividend date for dividend entitlement will be 22 February 2016. The dividend will be fully franked for Australian taxation purposes.

Woodside dividends are determined and declared in US dollars. However, shareholders will receive their dividend in Australian dollars unless their registered address is in the United Kingdom, where they will receive their dividend in British pounds, or in the United States, where they will receive their dividend in US dollars.

Shareholders who reside outside of the United States can elect to receive their dividend in US dollars, payable into a US financial institution account. Shareholders must make an election to alter their dividend currency on or before 8pm (AEDT) on the election date of 25 February 2016 by contacting the Woodside share registry on 1300 558 507 (within Australia) or +61 3 9415 4632 (outside Australia).

Currency conversion will be based on the foreign currency exchange rates on the record date of 24 February 2016.

Dividend Reinvestment Plan

The Board has reactivated the Dividend Reinvestment Plan (DRP) for the 2015 final dividend. The DRP was suspended by the Board in February 2013.

The DRP for the 2015 final dividend will be fully underwritten.

Shareholders who elect to participate in the DRP will be issued shares at a share price incorporating a 1.5% discount. That price will be determined over 20 trading days, commencing on 29 February 2016, and otherwise in accordance with the DRP Rules.

Key features of the DRP (subject to the DRP Rules):

- Participation in the DRP is optional and available to shareholders with registered addresses in Australia or New Zealand.
- Shareholders who have elected to participate in the DRP will have the dividends on some or all of their shares automatically reinvested in additional shares.
- Shareholders may participate for all or part of their shareholding and there is no minimum or maximum limit on the number of their shares that may participate.
- No brokerage or transaction fees will be charged to DRP participants.
- Shares allocated under the DRP will rank equally with existing ordinary fully paid shares.
- Once a shareholder elects to participate, the DRP will continue to apply for future dividend payments, unless a shareholder advises otherwise or unless the DRP is suspended or terminated by the Board in its absolute discretion.

In order to participate in the DRP for the 2015 final dividend, shareholders will need to ensure their DRP election form is lodged, or their online election is made, by no later than 8pm (AEDT) on 25 February 2016.

Shareholders can make their election online by visiting www.computershare.com.au/easyupdate/wpl. An election form is also attached to this announcement.

Woodside recommends shareholders seek financial advice and read the full terms and conditions set out in the DRP Rules before deciding whether to participate.

The DRP Rules have been updated. A copy of the updated DRP Rules is included with this announcement.

1 The DRP

1.1 Commencement of the DRP

The DRP and these Rules will commence operation on such date as the Board in its sole discretion determines.

1.2 Invite Shareholders to participate

Woodside may from time to time invite Shareholders to participate in the DRP.

2 Participation in the DRP

The DRP is a means by which Shareholders may elect to reinvest all or part of their Dividends in additional Shares. Participation in the DRP is subject to these Rules.

2.1 Optional and not transferable

Participation is optional and not transferable and is open to each Shareholder who is eligible under these Rules.

2.2 Shareholders who are eligible to participate

- (a) Subject to paragraph (b), a Shareholder is only eligible to participate in the DRP, in respect of a particular Dividend, if the person:
 - (i) at the relevant Record Date, was recorded in Woodside's share register as a registered holder of at least the minimum number of Shares specified by the Board (if any) from time to time and as having an address within Australia or New Zealand; or
 - (ii) has satisfied the Board that:
 - (A) the offer and issue or transfer of Shares under the DRP is lawful and practicable in the jurisdiction in which they have their registered address; and
 - (B) that person does not hold Shares on behalf of another person who resides outside that jurisdiction and who would, if named on the register, not be eligible to participate.
- (b) Despite any other Rules, a Shareholder is not eligible to participate if they are a "U.S. person" (as defined in Regulation S under the U.S. Securities Act of 1933), or if they are the estate of any deceased person where Woodside has been notified of the estate.

2.3 Share plans and schemes

Unless otherwise determined by the Directors or permitted under the terms of the relevant plan or scheme, Shares which are held under other plans or Share schemes, including the Woodside Equity Plan, Supplementary Woodside Equity Plan, Executive Incentive Plan, Woodside Non Executive Director Share Plan, and any other plan or scheme which may exist from time to time (as determined by the Directors), are not eligible to participate in the DRP.

2.4 Split share-holdings

The Board is entitled (but not obliged) to refuse a Shareholder participation in the DRP where that Shareholder has, in the opinion of the Board, split a share-holding or acquired Shares as part of such a split, in order to increase the number of DRP Shares that may be acquired by that Shareholder or another person.

3 Application to participate

3.1 DRP Election/Variation Form

- (a) Subject to paragraph (e), a Shareholder who wishes to participate in the DRP may only apply for participation by lodging a DRP Election/Variation Form with Woodside. A DRP Election/Variation Form may be lodged by such methods as the Board may approve from time to time.
- (b) All joint Shareholders must sign a DRP Election/Variation Form for it to be valid.
- (c) A DRP Election/Variation Form must be properly completed in accordance with the instructions contained in the DRP Election/Variation Form for it to be valid.
- (d) A DRP Election/Variation Form must be lodged for each shareholding account which the Shareholder wishes to participate in the DRP. Except as otherwise provided in these Rules, each shareholding account of a Shareholder will be treated separately for all purposes under the DRP.
- (e) The Board may accept written applications from Shareholders for participation in the DRP which are not in the form of a DRP Election/Variation Form if the Board decides the instructions are clear and sufficient. The written instructions, if accepted by the Board, are deemed to be a DRP Election/Variation Form for the purposes of these Rules.

3.2 Acceptance of applications

Each DRP Election/Variation Form accepted by the Board will be effective in respect of:

- (a) the first Dividend payment after receipt of the DRP Election/Variation Form, provided it is received no later than 5.00 pm (WST) on the first Business Day after the Record Date for that Dividend (or such later date and time as the Board may nominate); and
- (b) every Dividend thereafter for which the DRP is offered unless superseded by a later DRP Election/Variation Form or by termination of the Shareholder's participation in the DRP or the DRP has been suspended or terminated.

3.3 Record of participation

Woodside will record for each shareholding account of each participating Shareholder particulars of:

- (a) the name and address of the Shareholder; and
- (b) the number of DRP Shares held by the Shareholder from time to time,

and Woodside's records will be conclusive evidence of the matters so recorded.

4 Degree of participation

4.1 Participation

Participation may be either full or partial. Subject to Rule 4.5, a Shareholder must specify on the DRP Election/Variation Form the degree to which the Shareholder wishes to participate in the DRP in respect of the nominated shareholding account.

4.2 Full participation

Under full participation, all Shares registered in the Shareholder's name from time to time, including Shares issued under the DRP, will be DRP Shares.

4.3 Partial participation

- (a) Subject to Rule 4.5 under partial participation, the DRP Shares will be:
 - (i) that number of Shares (being less than the Shareholder's total shareholding);
or
 - (ii) that proportion of Shares held by the participating Shareholder at the relevant time, as specified in the DRP Election/Variation Form by the Shareholder.
- (b) If at the relevant Record Date the number of Shares held by the participating Shareholder is fewer than the number of Shares specified by the participating Shareholder as DRP Shares then the number of DRP Shares for that Shareholder in respect of that Dividend payment will be reduced to the lesser number of Shares.
- (c) Where a Shareholder is a partial participant in the DRP, all Shares subsequently acquired by the Shareholder, whether under the DRP or otherwise, will only be DRP Shares if the Shareholder alters their participation under Rule 11.1.

4.4 Deemed application for full participation

If a DRP Election/Variation Form received by Woodside does not indicate the level of participation in the DRP, it will be deemed to be an application for full participation in the DRP. If a DRP Election/Variation Form received by Woodside does not indicate the Shareholder's account to which the DRP Election/Variation Form applies, it will be deemed to be an application for participation for all shareholding accounts of that Shareholder.

4.5 Participation by Shell

If Shell elects to participate in the DRP in respect of a particular Dividend in relation to which the DRP is operative and indicates that it wishes to do so to the extent required to avoid dilution of its percentage shareholding, Rule 5.4(d) will apply and the application will be deemed to be made in respect of that number of its Shares which would result in the number of Shares determined under Rule 5.4(d) being acquired by Shell. Notwithstanding anything else in these Rules, an election by Shell under this Rule 4.5 may not be revoked or varied by Shell in relation to the particular Dividend and must be received no later than 5.00 pm (WST) on the first Business Day after the Record Date for that Dividend (or such later date and time as the Board may nominate in accordance with Rule 3.2(a)).

5 Operation of the DRP

5.1 Reinvestment

Each Dividend which is payable to a participating Shareholder in respect of DRP Shares and which is available for payment to the participating Shareholder will be applied on the participating Shareholder's behalf in acquiring or subscribing for additional Shares. Any Dividend or part of any Dividend payable on DRP Shares which Woodside is entitled to retain under its constitution or otherwise will not be available for subscribing for or purchasing Shares. If withholding tax is payable in respect of a Dividend, that tax will be deducted and only the balance will be applied in subscribing for or purchasing Shares.

5.2 Issue new Shares or purchase existing Shares

- (a) The Board in its absolute discretion will determine with respect to the operation of the DRP for any Dividend whether to issue new Shares or to cause the purchase and transfer of existing Shares to a participating Shareholder, or to apply a combination of both options, to satisfy Woodside's obligations under these Rules.
- (b) If the Board determines to cause the purchase and transfer of Shares to participating Shareholders, the Shares may be acquired in such manner as the Board considers appropriate, including through a broker in the market.

5.3 DRP accounts

Woodside will establish and maintain a DRP account for each participating Shareholder. In respect of each Dividend payable to a participating Shareholder, Woodside will:

- (a) determine the amount of the Dividend payable (less Australian withholding tax, if applicable, and any other sum Woodside is entitled or required to retain) in respect of that participating Shareholder's DRP Shares;
- (b) credit the amount to the participating Shareholder's DRP account;
- (c) determine the maximum whole number of additional Shares which may be acquired under these Rules by dividing the amount in the participating Shareholder's DRP account by the Price and rounding down to the nearest whole number of Shares;
- (d) on behalf and in the name of the participating Shareholder, subscribe for or purchase that number of additional Shares and debit the participating Shareholder's DRP account with the total of the subscription price or the acquisition amount (as the case may be) for the additional Shares; and

- (e) retain any residual positive balance in the participating Shareholder's DRP account, without interest. Woodside will pay any such residual positive balance to the participating Shareholder at the time of the next Dividend payment if a request to do so is made by the participating Shareholder, the participating Shareholder terminates their participation in the DRP or if the DRP is terminated.

5.4 Issue or transfer of Shares

- (a) The Shares will be subscribed for or purchased under the DRP at the Price which will be the arithmetic average of the VWAP (rounded to the nearest cent) during each of the fourteen trading days commencing on the second trading day following the Record Date in respect of the relevant Dividend, or any other period specified by the Directors, less a discount (if any) determined by the Board from time to time.
- (b) The weighted average market price referred to above will be calculated by the Board or another suitable person nominated by the Board, by reference to information the Board approves for the purpose from time to time. The determination by the Board or some other person nominated by the Board of the price will be binding on all participating Shareholders.
- (c) Woodside will not issue or cause the transfer of any Shares under the DRP if Woodside determines that the issue or transfer (either taken alone or with other issues or transfers of Shares under the DRP) would involve Woodside, the relevant Shareholder or any other person breaching any provision of any applicable law. If Woodside suspects the breach of any provision of any applicable law Woodside may ask the relevant Shareholder to provide evidence of the fact that they are not in breach of the law and, pending receipt of that evidence, unless otherwise determined by the Board, that shareholder's right to participate in the DRP will be suspended.
- (d) If this Rule (d) applies:
 - (i) Subject to the amount of the Dividend otherwise payable to Shell being sufficient, the number of Shares to be issued to or purchased for Shell at the Price will be the number of Shares necessary for it to maintain, after the issue of all Shares under the DRP (and any associated underwriting) in respect of the Dividend (including the issue to Shell), the same proportion of all the Shares that it held immediately before that issue.
 - (ii) The Shares to be issued to or purchased for Shell under paragraph (i) will be rounded down to the nearest whole number.

5.5 Significance of applying

By applying to participate in the DRP in accordance with Rule 3.1, the Shareholder:

- (a) warrants to Woodside that it is a person falling within Rule 2.2(a) and is not a person falling within Rule 2.2(b);
- (b) authorises Woodside (and its officers or agents) to correct any error in, or omission from, its DRP Election/Variation Form;
- (c) acknowledges that Woodside may at any time irrevocably determine that the applicant's DRP Election/Variation Form is valid, in accordance with these Rules, even if the DRP Election/Variation Form is incomplete, contains errors or is otherwise defective;

- (d) acknowledges that Woodside may, in its absolute discretion, reject any DRP Election/Variation Form, and may discontinue participation of a participating Shareholder at any time, without being bound to give any reason for doing so;
- (e) consents to the establishment of a DRP account on its behalf;
- (f) consents to any residual positive balance produced by the calculation in Rule 5.3 remaining in its DRP account as contemplated by Rule 5.3(e);
- (g) agrees to the appointment of a trustee nominated by Woodside as the participating Shareholder's agent to acquire Shares on market, where Woodside decides to allot DRP Shares to participating Shareholders by transferring existing Shares in accordance with Rule 5.2;
- (h) acknowledges that Woodside may arrange for the DRP to be fully or partially underwritten in respect of any Dividend payment;
- (i) acknowledges that Woodside has not provided the applicant with investment advice or financial product advice and that it does not have any obligation to provide this advice, concerning the applicant's decision to apply to participate in the DRP; and
- (j) unconditionally agrees to the Rules and agrees not to do any act or thing which would be contrary to the spirit, intention or purpose of the DRP,

in each case, at all times until termination of the DRP or of the participating Shareholder's participation in the DRP.

6 Shares issued under the DRP

6.1 Issue and equal ranking

Shares to be issued under the DRP will be issued on the same terms and, from the date of issue, will rank equally in all respects with existing Shares. Shares issued under the DRP will be issued in accordance with the Listing Rules.

6.2 Quotation on ASX

Woodside will make application promptly after each issue of Shares under the DRP for quotation of those Shares on ASX, if other Shares of Woodside are quoted at that time.

7 Underwriting

The Board may, in its absolute discretion, choose to partially or fully underwrite the DRP in respect of any Dividend with one or more underwriters. No person who is a related party or an associate of a related party (in each case, as defined for the purposes of the Listing Rules) is to act as underwriter or sub-underwriter of the DRP without shareholder approval.

8 Taxation

Neither Woodside or any of its officers, employees, representatives or agents:

- (a) take any responsibility or assume any liability for, or as a consequence of, the tax liabilities of any person in connection with the DRP; or
- (b) represent or warrant that any person will gain any taxation advantage or will not incur a taxation liability or disadvantage as a result of participation in the DRP.

9 Participation Costs

No brokerage, commission, or other transaction costs will be payable by participating Shareholders in respect of Shares transferred or issued under the DRP and no stamp or other duties will be payable, under present law, by participating Shareholders in respect of Shares transferred or issued under the DRP.

10 DRP Statements

On, or as soon as practicable after each Dividend payment date, Woodside will forward to each participating Shareholder a statement detailing:

- (a) the number of the participating Shareholder's Shares that have been nominated for participation in the DRP as at the relevant Record Date;
- (b) the amount of Dividend payable to the participating Shareholder (less withholding tax if applicable and any other amount which Woodside is entitled or required to retain) which has been applied towards subscription or purchasing of additional Shares under the DRP;
- (c) the number, issue price and issue date of additional Shares issued to the participating Shareholder under the DRP or the number, price and transfer date of additional Shares transferred to the participating Shareholder under the DRP;
- (d) the participating Shareholder's total holding of Shares (including DRP Shares) after transfer or issue under the DRP;
- (e) the franked amount (if any) of the Dividend payable and the franking credit (if any) attaching to the Dividend; and
- (f) the amount of the participating Shareholder's cash balance retained (if any).

11 Variation or Termination of Participation

11.1 Notice of variation

- (a) A participating Shareholder may, at any time, give written notice to Woodside on a DRP Election/Variation Form:
 - (i) increasing or decreasing the number of its DRP Shares; or
 - (ii) terminating participation in the DRP.
- (b) A DRP Election/Variation Form lodged for the purposes of Rule 11.1(a) must be lodged for each shareholding account. The variation or termination takes effect in accordance with Rule 3.2.

11.2 Effect of participation on Shares acquired under the DRP

- (a) If a participating Shareholder increases the level of participation in the DRP to full participation, all of the participating Shareholder's Shares as at the date of the DRP Election/Variation Form and all Shares subsequently acquired by the participating Shareholder (including Shares transferred or issued under the DRP) will participate in the DRP.
- (b) If a participating Shareholder increases or decreases the level of participation in the DRP to below full participation, only that number of Shares specified in the DRP Election/Variation Form will be DRP Shares and so will participate in the DRP and no Shares subsequently acquired by the participating Shareholder (including Shares transferred or issued under the DRP) will be DRP Shares and so will not participate in the DRP unless the participating Shareholder elects to vary their level of participation in the DRP to nominate those Shares as DRP Shares by completing and sending a DRP Election/Variation Form.

11.3 Participating Shareholder dies or is wound up

- (a) If a participating Shareholder dies, participation in the DRP will be terminated upon receipt by Woodside of written notice of the death.
- (b) If a participating Shareholder is declared bankrupt or is wound up, participation in the DRP will be terminated upon receipt by Woodside of a notification of bankruptcy or winding up from the participating Shareholder or the participating Shareholder's trustee in bankruptcy or liquidator, as the case may be.
- (c) The death, bankruptcy or winding up of one or more joint participating Shareholders will not automatically terminate participation.

11.4 Reduction or Termination of Participation where no notice is given

- (a) When a participating Shareholder disposes of part of the holding of Shares of that participating Shareholder, and does not notify Woodside otherwise, the Shares disposed of will, to the extent possible, be taken to be:
 - (i) first, Shares which are not DRP Shares; and
 - (ii) secondly, DRP Shares.

- (b) Where a participating Shareholder disposes of all of their Shares without giving Woodside notice of termination of participation and is not registered as a holder of any Shares at the next Record Date, the participating Shareholder will be deemed to have terminated participation in the DRP on the date Woodside registered a transfer or instrument of disposal of the participating Shareholder's holding.

12 Variation, Suspension and Termination of the DRP

12.1 Board may vary, suspend or terminate

- (a) The Board may vary these Rules, suspend or terminate the DRP at any time in the Board's absolute discretion. The variation, suspension or termination will take effect upon the date specified by the Board. The Board may give written notice of any such variation, suspension or termination as it considers appropriate.
- (b) A variation, suspension or termination of the DRP will not be invalidated by the accidental omission to give notice of the variation, suspension or termination to a participating Shareholder and will not give rise to any liability on the part of, or right or action against, the Board or Woodside.

12.2 Effect of suspension of the DRP

- (a) Any suspension under Rule 12.1 will continue until such time as the Board resolves to recommence or terminate the DRP. If the DRP is recommenced, participating Shareholders' elections as to their participation under the previously suspended DRP will be valid and have full force and effect in accordance with these Rules for the purposes of the DRP. The date and conditions of the recommencement (including any directions as to Shares recommencing to participate in the DRP) will be notified to all Shareholders.
- (b) Whilst the DRP is suspended, Dividends on DRP Shares will not be applied by the Board on the participating Shareholder's behalf in subscribing for or purchasing Shares.

12.3 Effect of modification of the DRP

Upon variation of the Rules, participating Shareholders will continue to participate under the varied Rules unless a DRP Election/Variation Form to the contrary is received by Woodside.

13 General administration of the DRP

13.1 Dividends not available to participate

Any Dividend payable on Shares which a participating Shareholder has nominated as participating in the DRP and which Dividend Woodside is entitled to retain under Woodside's constitution, or other requirement of law, will not be available for the purpose of participating in the DRP.

13.2 Administration by the Board

The Board may implement the DRP in the manner as the Board thinks fit. The Board has the power to:

- (a) determine procedures for administration of the DRP consistent with the Rules;
- (b) settle in the manner as it thinks fit any difficulty, anomaly or dispute which may arise in connection with, or by reason of, the operation of the DRP, whether generally or in relation to any participating Shareholder or any share or Shares and the determination of the Board will be conclusive and binding on all Shareholders and other persons to whom the determination relates; and
- (c) delegate to any one or more persons, for such period and on such conditions as the Board may determine, the exercise of any of its powers or discretions under or in respect of the DRP and references to a decision, opinion or determination of the Board include a reference to the decision, opinion or determination of the person or persons to whom the Board has delegated its authority for the purposes of administering the DRP.

13.3 Woodside and officers not liable

Neither Woodside nor any officer of Woodside will be liable or responsible to any participating Shareholders for any loss or alleged loss or disadvantage suffered or incurred by a participating Shareholder as a result, directly or indirectly, of the establishment or operation of the DRP or participation in the DRP or in relation to any advice given with respect to participation in the DRP.

13.4 Governing law

The DRP, its operation and these Rules will be governed by the laws of the State of Western Australia and each Shareholder submits to the jurisdiction of the Courts of that State.

13.5 Notices
