

The Manager Companies Company Announcements Office ASX Limited Level 4, Stock Exchange Centre 20 Bridge Street Sydney NSW 2000

HALF YEAR RESULT - 31 DECEMBER 2015

The Company recorded a statutory profit for the half year of \$1.63m (2014: \$1.74m) on revenue of \$41.8m (2014: \$43.7m). This result included a non-cash loss of \$0.51m (2014: \$0.46m profit) resulting from the mark to market valuation of foreign currency exchange contracts held at balance date.

The result was achieved despite difficult trading conditions exacerbated by the Dick Smith group suspending all purchasing in the lead up to the Christmas trading period.

During the period under review the Company paid a final dividend for the 2015 financial year of 1c per share. No interim dividend has been declared.

The Company's balance sheet remains healthy leaving it in a good position to continue to evaluate and potentially execute organic and acquisitive growth opportunities.

Notes to the Financial Statement For the six months ended 31 December 2015

1. Corporate Information

Cellnet Group Limited (the "Company") is a company domiciled in Australia whose shares are publicly traded. The interim condensed consolidated financial statements of the Company as at and for the half-year ended 31 December 2015 comprise the results of the Company and its subsidiaries (together referred to as the "consolidated entity").

The interim condensed consolidated financial statements of the consolidated entity for the six months ended 31 December 2015 were authorised for issue in accordance with a resolution of the directors on 18 February 2016.

The interim condensed consolidated financial statements of the consolidated entity as at and for the half-year ended 31 December 2015 are available upon request from the Company's registered office at 59-61 Qantas Drive, Eagle Farm QLD 4009 or at www.cellnet.com.au.

2. Basis of preparation and accounting policies

Basis of preparation

The interim condensed consolidated financial statements for the six months ended 31 December 2015 have been prepared in accordance with AASB 134 Interim Financial Reporting and the Corporations Act 2001.

The interim condensed consolidated financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the Group's annual financial statements as at 30 June 2015.

The accounting policies adopted in the preparation of the interim condensed consolidated financial statements are consistent with those adopted in the Group's annual report for the year ended 30 June 2015.

3. Seasonality of operations

The consolidated entity's balance sheet is impacted by seasonality in sales. December trade balances are generally expected to be higher than those as at the previous financial year end due to greater sales activity around calendar year end. Users of the interim consolidated financial report may therefore benefit from reading this report in conjunction with the interim consolidated financial report for the half-year ended 31 December 2014.

4. Operating segment information

Identification of reportable segments

The consolidated entity has identified its operating segments based on the internal reports that are reviewed and used by the Chief Executive Officer (the chief operating decision maker) in assessing performance and in determining the allocation of resources.

As there is only one segment, segment revenues, profit/(loss), assets and liabilities are consistent with those reported in the statement of comprehensive income and statement of financial position.

Notes to the Financial Statement
For the six months ended 31 December 2015

5. Fair value measurements

Outlined below are the judgements and estimates made in determining the fair value of assets and liabilities that are recognised and measured at fair value. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its assets and liabilities into the three levels prescribed under the accounting standards, as follows:

Level 1: The fair value of assets and liabilities traded in active markets is based on quoted market prices at the end of the reporting period.

Level 2: The fair value of assets and liabilities that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. That is, all valuation inputs are observable.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

The group holds forward foreign exchange contracts at fair value. The fair value of these financial instruments is determined using forward exchange rates at the balance sheet date. Such fair value measurement is included in level 2, as it is based on an observable input. At 31 December 2015 the group recognised a liability of \$513,000 (30 June 2015: asset of \$261,000) for forward exchange contracts held at balance date.

6. Dividends

The group paid a fully franked (at 30%) dividend of 1 cent per fully paid ordinary share, amounting to \$556,841, on 23 September 2015. No dividends were declared or paid during the comparative half year ended 31 December 2014.

7. Income tax expense

Numerical reconciliation of income tax benefit to prima facie tax payable:

INDEPENDENT AUDITOR'S REVIEW REPORT

To the Members of Cellnet Group Limited, Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Cellnet Group Limited, which comprises the consolidated statement of financial position as at 31 December 2015, the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the period's end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2013 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Cellnet Group Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Cellnet Group Limited is not in accordance with the *Corporations Act 2001* including:

- a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2015 and of its performance for the half-year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.
