10th March 2016

AFT Corporation announced today changes to its management team.

Mr Stone Wang, who has been AFT's managing Director since 2007 will move into the role of Executive Chairman to focus on developing cross border corporate development opportunities for AFT in the renewable and clean energy sectors.

Mr Neil Bourne, a Director of AFT will take on executive responsibility to manage AFT's Australian operations reporting to Mr. Wang

The Company's operational objective for 2016 is to stabilise and grow its Australian Solar PV integration and clean energy business focusing on medium and large scale Commercial and Industrial installations. Sales for the 2016 full year are expected to be in the range of \$3m to \$3.5m. In addition AFT's Board will continue to seek opportunities to expand AFT's scale of operations in renewable and clean energy through acquisitions.

Neil Bourne
