SeaLink Travel Group (**ASX: SLK**) (**SeaLink**) (**the Company**) confirms that the Company's Managing Director, Jeff Ellison, announced a change in his shareholding in the Company, as set out in the Change in Director's Interest Notice and Notice of Change of Interests of Substantial Holder.

The change reflects a sale by the Managing Director of 750,000 ordinary shares. The Managing Director has informed the Company that within the next few days, he intends to exercise 750,000 Options issued to him in 2009, prior to the Company listing on the ASX. The sale of ordinary shares disclosed to the market today will fund the proposed exercise of the options, and will result in there being no overall change to the number of shares held by the Managing Director.

The Managing Director has further advised the Company that there are no changes in the Company's circumstances influencing his decisions around disposal of ordinary shares and proposed exercise of options.

The Company confirms that there has been no change to the information disclosed to the market in its Investor Day presentation materials, lodged 10 March 2016.
