Smartgroup Corporation Ltd (SIQ) – appointed as a provider of salary packaging administration services to the whole of Queensland Government

Release date: 1 April 2016

Smartgroup Corporation Ltd (SIQ) is pleased to announce that the Queensland Government has appointed Smartsalary as one of two providers of salary packaging administration services to the whole of the Queensland Government.

The contract commences on 1 April 2016 and has a term of three years, with an extension option of two years. Novated leasing services are subject to a separate tender which is currently underway.

Smartsalary, part of Smartgroup Corporation Ltd, has been providing salary packaging administration services to the Queensland Government (excluding Queensland Health) since 2011.

This contract is not expected to materially contribute to Smartgroup's 2016 earnings.
