ASX RELEASE

9 May 2016

Issue of Options under the AVG Performance Rights and Option Plan

Australian Vintage Limited (AVG) have issued 4,000,000 Options under the AVG Performance Rights and Option Plan.

At the 2015 Annual General Meeting held in November 2015, shareholders approved the AVG Performance Rights and Options Plan and the grant of 2,000,000 Options under the Plan to the CEO and Executive Director, Neil McGuigan. The Explanatory Notes on Items of Business stated that the Exercise Price for AVG shares will be the Volume Weighted Average Price (VWAP) for AVG shares for the five trading days up to and including 2 November 2015. The Explanatory Notes also stated that the Option grants will be issued within 12 months of the date of the Annual General Meeting.

In addition to the 2,000,000 Options to the CEO, the board approved the issue of a further 2,000,000 Options to AVG executives.

2,000,000 options (Mr McGuigan) were deemed to be granted on 17 November 2015 (AGM date) and 2,000,000 options (other executives) were deemed to be granted on 18 December 2015, the date the final executive participants and quantum of the awards were approved by the Board, subject to completion of the documentation of the offer on 15 April 2016. The Options provided to the executive participants are on the same terms as those provided to the CEO, Mr Neil McGuigan, in accordance with the terms approved by shareholders.

The Appendix 3B and Appendix 3Y (Neil McGuigan) in respect of this issue are attached.

AVG acknowledges that the attached appendixes have been lodged late and not in accordance with time frames provided by listing rules 3.19A and 3.19B. These appendixes were lodged late due to an administrative oversight and the fact that there were delays in finalising the actual apportionment of the share options between individual executives.

AVG has a Securities Trading Policy that provides clear instructions regarding Directors securities trading and notification. This policy is discussed at board level.

Australian Vintage Limited has reviewed its procedures associated with the issue of share options and their application with AVG's Securities Trading policy with appropriate personnel. AVG believes that the current arrangements are adequate.
