Monadelphous Contracts Update

Engineering company Monadelphous Group Limited (ASX:MND) ("Monadelphous") today announced it has secured new contracts and additional works for customers in the resources, energy and infrastructure markets with a combined value of approximately \$140 million.

The contracts and additional works secured include:

- Support to BHP Billiton's Olympic Dam copper-uranium operation at Roxby Downs in South Australia for a further five years. Monadelphous has been providing maintenance and industrial services support at Olympic Dam for more than 25 years;
- A contract for the design, construction and commissioning of a liquid fuel supply system for Rio Tinto Iron Ore at its Cape Lambert Port Facility near Karratha, in Western Australia. The contract follows the successful completion of petroleum pipeline installations at its West Angelas and Cape Lambert facilities;
- A contract for the design and construction of a potable water treatment plant for the Western Downs Regional Council in Chinchilla, Queensland; and
- Electrical and instrumentation works for the product loading jetty with JKC Australia LNG Pty Ltd at the Ichthys Project Onshore LNG Facilities in Darwin in the Northern Territory.

"These new awards demonstrate the depth of our capabilities and build on our valued relationships with key customers," Monadelphous Managing Director Rob Velletri said.
