## CLASS LIMITED (CL1) ASX ANNOUNCEMENT

### Annual Conference - July Update

Today marks the opening of our second annual conference. As well as providing a review of the past year and an overview of the conference, we will also be updating the attendees on the July portfolio numbers. The total number of billable portfolios on Class at 31 July 2016 was 116,586. This is comprised of 114,733 SMSFs and 1,853 non-SMSF investment portfolios.

### About Class

Class was established in 2005 to develop and deliver industry strength software solutions for the Australian self-managed superannuation industry. Class Super is Australia's leading cloud SMSF administration software. Class Portfolio is a powerful solution for accounting, administration and reporting of non-SMSF investment portfolios.
