WILLIAMTOWN CONTAMINATION CLASS ACTION - UPDATE

1. IMF Bentham Limited ("IMF") refers to its previous announcement dated 26 April 2016 concerning a proposed class action against the Department of Defence by property owners and business affected by contamination arising from the use of aqueous film forming foam at RAAF Base Williamtown.
2. IMF confirms that the condition precedent to its funding of this matter has been satisfied. IMF will now be funding Gadens Lawyers in Sydney to pursue claims for compensation against the Department of Defence.
3. Given IMF has elected to unconditionally fund the litigation, no further announcement will be made upon the commencement of any legal proceedings.
