22 August 2016

Dear Sir/Madam

Becoming a substantial holder - Baby Bunting Group Limited (the "Issuer")

On 17 August 2016 Morgan Stanley Australia Securities Limited ("**Morgan Stanley Australia**") entered into an agreement ("**Block Trade Agreement**") with TDM Asset Management Pty Ltd (the "**Seller**") under which Morgan Stanley Australia agreed to sell by way of an underwritten block trade ("**Block Trade**") 22,000,000 fully paid ordinary shares (the "**Securities**") in the Issuer held by the Seller. The Securities represent approximately 17.50% of the issued fully paid ordinary shares in the Issuer.

Upon execution of the Block Trade Agreement Morgan Stanley Australia, in its capacity as underwriter, acquired a relevant interest in up to approximately 17.50% of the fully paid ordinary shares in the Issuer through the operation of section 608 of the Corporations Act 2001 (C'th).

Mitsubishi UFJ Financial Group, Inc. (MUFG) holds approximately 22% of common stock of Morgan Stanley Australia's holding company, Morgan Stanley. Accordingly, by operation of section 608(3) of the Corporations Act MUFG acquired the same relevant interest in the Securities as Morgan Stanley Australia and thus acquired substantial holding in the Issuer. Attached to this letter is a "Form 603 – Notice of initial substantial holder" which sets out the details of MUFG's substantial holding in the Issuer, including a copy of the Block Trade Agreement.

Morgan Stanley Australia has advised MUFG that the Block Trade has been fully allocated and is scheduled to settle on 22 August 2016. Upon settlement of the Block Trade Morgan Stanley and MUFG will cease to have a relevant interest in the Securities. It is anticipated that MUFG will submit a "Form 605 – Notice of ceasing to be a substantial holder" within 2 business days of settlement of the Block Trade.

Yours faithfully

SCHEDULE 2 (clause 5.1)

Regulatory Matters

- 1 In the event that the number of Sale Securities which the Lead Manager (or Its Affiliates) would be required to acquire under clause 1 of this Agreement would (taking into account the number of Securities already held by the Lead Manager and its Affiliates (if any)) exceed the maximum number of the Securities that can be acquired by the Lead Manager without:

- (a) the Lead Manager or any of Its Affiliates being obliged to request and obtain approval from the Treasurer of Australia under Australian foreign Investment policy, or notify the Treasurer of Australia under section 26 of the Foreign Acquisition and Takeovers Act 1975 (Cth);
- (b) a breach by the Lead Manager or another person of section 606 of the Corporations Act; or
- (c) a breach of any other relevant restriction under the laws of Australia,

then the obligation of the Lead Manager under clause 1 of this Agreement will only be to acquire the maximum number of Sale Securities that can be acquired by the Lead Manager without the foregoing applying ("Principal Securities") and pay the Agreed Sale Price for the Principal Securities ("Principal Amount"). The Sale Securities less the Principal Securities will be the "Balance Securities". The parties acknowledge that the Lead Manager does not acquire any interest in the Balance Securities (if any), or any rights (by way of security or otherwise) in respect of them except to act as agent (in the ordinary course of its financial services business) for their sale.

2. In the event that paragraph 1 of this Schedule 2 applies then the Lead Manager is instructed to sell, as soon as practicable but in any event by twelve months after the execution of this Agreement ("End Date"), as agent for the Seller in the ordinary course of the Lead Manager's financial services business, the Balance Securities. At the same time as the Lead Manager makes the payment of the Principal Amount to the Seller under paragraph 1 of this Schedule 2, it must also advance to the Seller an amount equal to the number of Balance Securities multiplied by the Agreed Sale Price ("Advance Amount"). No interest will be payable on the Advance Amount. The Seller is not required to repay the Advance Amount other than from, and to the extent that it receives, the proceeds of sale of the Balance Securities (net of the fees (if any) agreed by the parties to be payable in respect of the particular Balance Securities). The outstanding Advance Amount will not be repayable in any circumstances in respect of Balance Securities not sold by the End Date and the agency will terminate at that time or at such earlier time when all Balance Securities have been sold. If the Seller receives a dividend or other distribution on a Balance Security prior to the End Date, where that dividend or distribution was announced after the date of this Agreement, then the Seller must pay the after-tax amount of the receipt to the Lead Manager in reduction of the Advance Amount applicable to the Balance Securities.
3. The Lead Manager must indemnify the Seller for any shortfall between the actual price received for each Balance Security sold (if any) as agent and the Agreed Sale Price. The Lead Manager will automatically apply any amount due under the indemnity in this paragraph 3 of this Schedule 2 against repayment by the Seller of the Advance Amount relating to a Balance Security on receipt of the proceeds of sale of the applicable Balance Security. In consideration of the Lead Manager performing its obligations under this Schedule 2, the Seller must pay to the Lead Manager the fees as separately agreed in writing between the Seller and the Lead Manager (if applicable).

SCHEDULE 3 (clause 6.1)

Lock-Up

1. The Seller will not, and will procure that each of its Affiliates will not, without the prior written consent of the Lead Manager, at any time after the date of this Agreement and before the expiration of 90 days after the date of this Agreement Deal in, directly or indirectly, any Securities (excluding up to 2,000,000 Securities being held by TDM Asset Management Ltd as professional fiduciary for certain accounts which are notified to the Lead Manager in writing on or before the date of this Agreement) or any securities that are convertible or exchangeable into equity of the Entity or any other transactions which have the same or a similar economic effect, excluding any acceptance by the Seller of a bona fide takeover offer for the Entity in accordance with Chapter 6 of the Corporations Act or transfer pursuant to a scheme of arrangement under Part 5.1 of the Corporations Act.
2. Each party acknowledges that:
 - (a) this Schedule 3 is not intended to, and does not, give the Lead Manager any power to dispose of, or control the disposal of, the securities the subject of this Schedule 3 to the extent that the Lead Manager would be in breach of any applicable laws to have such power;
 - (b) a breach of this Schedule 3 will only give rise to a right to damages (which the parties agree to be an adequate remedy) and the Lead Manager is not entitled to a remedy of specific performance; and
 - (c) this Schedule 3 has been included only to address the financial consequences of the Seller disposing of, or Dealing with, any Securities held by it.
3. For the purposes of this Schedule 3, "Deal" in respect of the Securities means:
 - (a) sell, assign, transfer or otherwise dispose of;
 - (b) agree or offer to sell, assign, transfer or otherwise dispose of;
 - (c) enter into any option which, if exercised (whether such exercise is subject to conditions or otherwise), enables or requires the Seller to sell, assign, transfer or otherwise dispose of; or
 - (d) decrease or agree to decrease an economic interest.

1. Interpretation

1.1 In these Morgan Stanley Australia Securities Limited Block Trade Terms of Business ("Terms of Business"):

(a) terms defined in any block trade agreement which incorporates these Terms of Business ("Block Trade Agreement") shall have the same meaning in these Terms of Business, and when these Terms of Business are incorporated into a Block Trade Agreement they will form part of the Block Trade Agreement;

(b) "ASIC" means the Australian Securities and Investments Commission;

(c) "Business Day" means a day on which banks are open for business in Sydney, other than a Saturday, Sunday or public holiday in that city;

(d) "party" means each of the Seller and the Lead Manager; and

(e) "Risk Period" means the period commencing on the execution of the Block Trade Agreement and ending at the time of the crossing to effect the Sale or, where there is more than one crossing, at the time of the crossing relating to the last of the Sale Securities to be transferred.

2. Acknowledgement

2.1 The Seller acknowledges and agrees, to the fullest extent permitted by law, that the Lead Manager is not acting as a fiduciary to the Seller or any other person in respect of the Sale and the Lead Manager owes the Seller only those duties and obligations set forth in the Block Trade Agreement. The Seller further acknowledges and agrees that the Lead Manager may have interests that differ from those of the Seller and, in particular, that the Agreed Sale Price was established by the Seller following arm's length negotiations with the Lead Manager.

2.2 The Seller acknowledges that the Lead Manager and its Affiliates (a) comprise full service securities firms and commercial banks engaged in

securities trading and brokerage activities, as well as providing investment banking, asset management, financing and financial advisory services and other commercial and investment banking products and services to a wide range of companies and individuals and (b) in the ordinary course of these activities, the Lead Manager and its Affiliates may at any time hold long or short positions, and may trade or otherwise effect transactions, for their own respective accounts or the accounts of customers, in debt or equity securities or senior loans or other financial products of the Entity, or any other party that may be involved in the Sale, and the Seller hereby consents to the Lead Manager and its Affiliates undertaking such activities.

3. Confidentiality and publicity

3.1 The Seller will maintain, and will procure that its Affiliates, directors, officers, employees, advisers, agents and representatives will maintain, the terms, existence and subject matter of the Block Trade Agreement in confidence unless the furnishing or use of such information is (a) required by any applicable law or regulation or required by any governmental authority or stock exchange; (b) made to an adviser who must know the information for the purposes of the Block Trade Agreement and on the basis that the adviser keeps the information confidential or (c) to a person to the extent reasonably necessary in connection with any actual or potential claim or judicial administrative process involving that party in relation to the Sale.

3.2 Except to the extent required by applicable law or regulation or the rules governing the listing of securities on the ASX or otherwise requested by ASX or ASIC, the Seller must not make any public announcement of the transactions contemplated by the Block Trade Agreement prior to the Settlement

Date without the prior written consent of the Lead Manager.

4. Indemnity and Release

4.1 The Seller agrees with the Lead Manager that it will keep the Lead Manager and its Affiliates, and their respective directors, officers, employees and agents ("Indemnified Parties") indemnified against any losses, damages, liabilities, costs, claims, actions and demands (including any reasonable expenses arising in connection therewith) ("Losses") to the extent that such Losses are incurred or made as a result of a breach of the Block Trade Agreement by the Seller, including any breach of any of the representations, warranties or undertakings given by the Seller, or otherwise arising in connection with the Sale and will reimburse the Lead Manager on behalf of any Indemnified Parties for all reasonable out of pocket costs, charges and expenses which it may properly pay or properly incur in connection with investigating, disputing or defending in good faith and on reasonable grounds any such action, demand or claim for which it is indemnified under the Block Trade Agreement. The indemnity in this paragraph 4.1 of these Terms of Business does not extend to and is not to be taken as an indemnity against any Losses of an Indemnified Party to the extent any Losses result primarily as a result of any fraud, recklessness, wilful misconduct or gross negligence of the Indemnified Party.

4.2 The Seller agrees that none of the Indemnified Parties will have any liability (save for the obligations imposed on them under the Block Trade Agreement) to the Seller or any of its Affiliates directly or indirectly, arising out of or in connection with the Sale or any transactions contemplated hereby except to the extent that any Losses are incurred by the Seller primarily as a result of any recklessness, gross negligence, fraud

or wilful misconduct by the Lead Manager.

4.3 Each party shall notify, at any time prior to Completion, the other party as soon as it becomes aware of either (a) any material change affecting any of the representations, warranties or undertakings set out in Schedule 1 of the Block Trade Agreement or (b) any of its representations, warranties or undertakings set out in Schedule 1 of the Block Trade Agreement becoming materially untrue or incorrect if such representations, warranties and undertakings were to be given and made at such time.

4.4 The indemnity and release of liability contained in this paragraph 4 of these Terms of Business and the representations and warranties of the Seller and Lead Manager (respectively) set forth in the Block Trade Agreement are continuing obligations and shall remain operative and in full force and effect regardless of any termination of the Block Trade Agreement or Completion.

4.5 Both the Seller and an Indemnified Party must not settle any action, demand or claim to which the indemnity in paragraph 4.1 of these Terms of Business relates without the prior written consent of the Seller or the Lead Manager, as applicable, such consent not to be unreasonably withheld or delayed.

4.6 Each Indemnified Party, whether or not a party to the Block Trade Agreement, will be entitled to the benefit of this paragraph 4 of these Terms of Business and this paragraph 4 is entered into and may be enforced on that Indemnified Party's behalf by the Lead Manager.

5. Termination

5.1 If any of the following events occur during the Risk Period, the Lead Manager may terminate its obligations under the Block Trade Agreement without cost or liability to itself at any time before expiry of the Risk Period by giving written notice to the Seller:

(a) **ASX actions:** ASX does any of the following:

(i) announces that the Entity will be removed from the official list of ASX or the Securities will be suspended from quotation;

(ii) removes the Entity from the official list; or

(iii) suspends the trading of any Securities for any period of time.

(b) **ASIC inquiry:** ASIC issues or threatens to issue proceedings in relation to the Sale or commences, or threatens to commence any inquiry or investigation in relation to the Sale.

(c) **Other termination events:** Subject to paragraph 5.2 of these Terms of Business, any of the following occurs:

(i) **Banking moratorium:** A general moratorium on commercial banking activities is declared by U.S. Federal or New York State authorities, authorities in the United Kingdom or Australia, or there is a disruption in securities settlement, payment or clearance services in the United States, the United Kingdom or Australia;

(ii) **Breach of Agreement:** Failure by the Seller to comply with or perform all of the covenants, obligations and agreements to be complied with and performed by it under the Block Trade Agreement, or any breach of, or any event rendering untrue or incorrect, any of the representations and warranties referred to in Schedule 1 prior to Completion; and

(iii) **Change in law:** There is introduced, or there is a public announcement of a proposal to introduce, into the Parliament of the Commonwealth of Australia or any State or Territory of Australia a new law, or the Government of Australia, any State or Territory of Australia, the Reserve Bank of Australia or any Minister or other governmental authority of Australia or any State or Territory of Australia, adopts or announces a proposal to adopt a new policy (other than a law or policy

which has been announced before the date of the Block Trade Agreement).

5.2 No event listed in paragraph 5.1(c) of these Terms of Business entitles the Lead Manager to exercise its termination rights unless, in the bona fide opinion of the Lead Manager, it:

(a) has, or would reasonably be expected to have, a material adverse effect on:

(i) the willingness of persons to purchase the Sale Securities; or

(ii) the price at which Securities are sold on the ASX; or

(b) would reasonably be expected to give rise to a liability of the Lead Manager under the Corporations Act or any other applicable law.

5.3 Where, in accordance with this paragraph 5 of these Terms of Business, the Lead Manager terminates its obligations under the Block Trade Agreement, the obligations of the Lead Manager under the Block Trade Agreement immediately end and any entitlements of the Lead Manager accrued under the Block Trade Agreement up to the date of termination survive.

6. Miscellaneous

6.1 The Block Trade Agreement is binding upon, and shall inure solely to the benefit of, the Lead Manager and the Seller and their respective successors and permitted assigns and, to the extent expressly provided in the Block Trade Agreement, their respective Affiliates and any of the respective directors, officers, agents or employees of theirs and/or their respective Affiliates and no other person shall acquire or have any rights under or by virtue of the Block Trade Agreement. Time shall be of the essence in the Block Trade Agreement, and neither party may assign any of its rights or obligations under the Block Trade Agreement to any other person without the prior written consent of the other party.

6.2 Each party agrees, at its own expense, on the request of the other party, to do everything reasonably necessary to give effect to the Block Trade Agreement and the transactions contemplated by it.

6.3 The Block Trade Agreement may (a) be executed by any one or more of the parties in any number of counterparts, each of which will be deemed to be an original, but all such counterparts will together constitute one and the same instrument (b) only be altered in writing signed by each party.

6.4 The Block Trade Agreement (including these Terms of Business) and any agreement as to fees referred to in clause 3.1 of the Block Trade Agreement constitute the entire agreement of the parties about the subject matter of the Block Trade Agreement and supersede all previous agreements, understandings and negotiations on that matter.

6.5 If the whole or any part of a provision of the Block Trade Agreement is void, unenforceable or illegal in a jurisdiction it is severed for that jurisdiction. The remainder of the Block Trade Agreement has full force and effect and the validity or enforceability of that provision in any other jurisdiction is not affected.

7. GST

7.1 Unless otherwise expressly stated, all amounts payable under this Agreement are expressed to be exclusive of GST. If GST is payable on a Taxable Supply, the amount payable for that Taxable Supply will be the amount expressed in the Block Trade Agreement or any agreement to fees referred to in clause 3.1 of the Block Trade Agreement (as the case may be) plus GST.

7.2 Without limiting paragraph 7.1 of these Terms of Business, if an amount payable under the Block Trade Agreement is calculated by reference to a liability incurred by a party, then the liability must be reduced by the amount of any Input Tax Credit to

which that party is entitled in respect of that liability. A party will be assumed to be entitled to a full Input Tax Credit unless it demonstrates that its entitlement is otherwise prior to the date on which payment must be made.

7.3 A party receiving a Taxable Supply (the "Recipient") is not required to pay an amount on account of GST to the party making the Taxable Supply (the "Supplier") until the Supplier has provided the Recipient with a Tax Invoice.

7.4 In this paragraph 7 of these Terms of Business, all capitalised terms are (to the extent not otherwise defined in the Block Trade Agreement) given their respective meanings in the A New Tax System (Goods and Services Tax) Act 1999 (Cth).

8. Governing Law

8.1 The Block Trade Agreement is governed by, and construed in accordance with, the laws of New South Wales.

8.2 Any claims or disputes arising out of, or in connection with, the Block Trade Agreement are subject to the non-exclusive jurisdiction of the courts of New South Wales. Each party agrees that service of process, and written notice of said service to the party, by the person serving the same to the address provided in the Block Trade Agreement, will be deemed in every respect effective service of process upon such party in any such suit or proceeding.
