- **Company Update**

ATA Alloys Ltd (**ATA** or the **Company**) (ASX:ATA) advises that it remains in dispute with its 40% joint venture partner, Mr Guangyu Chen, with respect to its ATC Ferro-Tungsten Joint Venture in Vietnam (Joint Venture). ATA intends to continue to fully and tirelessly pursue its legal rights as 60% owner of the Joint Venture in Australia, Hong Kong and Vietnam and expects to be in a position to update the market as to actions taken in this regard by 16th November.

ATA is also working with its Auditors to complete its 2016 Financial Reports, and again expects to be in a position to update the market as to actions taken in this regard by 16th November.
