Explanatory memorandum

This Explanatory Memorandum has been prepared to provide members with information about the items of business to be considered at the Annual General Meeting.

This Explanatory Memorandum is important and should be read carefully, in its entirety, by all members.

ACCOUNTS AND REPORTS

The annual financial report, Directors' report and auditor's report for the Company for the year ended 30 June 2016 will be laid before the Annual General Meeting.

There is no requirement for members to approve these reports. However, the Chairman will allow a reasonable opportunity for members to ask questions or make comments about those reports and the management of the Company. Members will also be given a reasonable opportunity to ask the Company's auditor questions about the conduct of the audit and the preparation and content of the auditor's report.

In addition to taking questions at the Annual General Meeting, written questions to the Chairman about the management of the Company, or to the Company's auditor about the:

- preparation and content of the auditor's report;
- conduct of the audit;
- accounting policies adopted by the Company in relation to the preparation of the financial statements; and

- independence of the auditor in relation to the conduct of the audit,

may be submitted no later than five business days before the date of the Annual General Meeting to the Company Secretary.

ITEM 1 – ADOPTION OF THE REMUNERATION REPORT

Overview

Pursuant to the Corporations Act, the Directors have included a Remuneration Report in their Directors' report for the year ended 30 June 2016. Section 250R(2) of the Corporations Act requires that the Remuneration Report be put to the vote at the Annual General Meeting.

The Remuneration Report that forms part of the Directors' report for the year ended 30 June 2016 is set out in the Company's 2016 Annual Report. Members can view the Annual Report on the Company's website: www.baseresources.com.au and on ASX's website: www.asx.com.au.

Section 250R(3) of the Corporations Act provides that the vote on the adoption of the Remuneration Report is advisory only and does not bind the Directors or the Company. However, the Corporations Act requires that, if a company's remuneration report receives an "against" vote of 25% or more at two consecutive annual general meetings, a resolution must be put at the

later of the two annual general meetings that another meeting be held (within 90 days) at which all Directors (other than the Managing Director) who were in office at the date of that resolution must stand for re-election. In summary, members will be entitled to vote in favour of holding a general meeting to re-elect the Board if the Remuneration Report receives "two strikes".

By way of summary, the Remuneration Report:

- explains the Company's remuneration policy and the process for determining the remuneration of the Directors and executive officers;
- addresses the relationship between the Company's remuneration policy and the Company's performance; and
- sets out remuneration details for each Director and each of the Company's executives and group executives named in the Remuneration Report for the financial year ended 30 June 2016.

There will be a reasonable opportunity for members to comment on and ask questions about the Remuneration Report at the Annual General Meeting.

If you chose to appoint a proxy for the Meeting, you are encouraged to direct your proxy how to vote on Item 1 by marking either "For", "Against" or "Abstain" on the Proxy Form.

No Directors' recommendation on Item 1

Because Item 1 deals with remuneration of the Company's key management personnel, and in light of the provisions in the Corporations Act relating to voting by key management personnel and their closely

related parties on such remuneration related resolutions, the Directors do not make a recommendation to members about how to vote on Item 1.

ITEM 2 – RE-ELECTION OF MR MALCOLM MACPHERSON AS A DIRECTOR

Mr Malcolm Macpherson was appointed as a Director by the Board on 25 July 2013, and was elected by members at the Company's 2013 annual general meeting. In accordance with rule 3.6 of the Company's constitution, Mr Macpherson automatically retires at the Annual General Meeting and being eligible, offers himself for re-election.

Mr Macpherson is an accomplished business leader, with decades of experience in the global mining industry at executive management and board level. Mr Macpherson spent 25 years from 1974 at Iluka Resources, the world's largest mineral sands company, rising from mine manager to Managing Director and Chief Executive Officer. He has previously held the position of Chairman with Azumah Resources Limited and Western Power Corporation and been a director of Portman Mining Limited and Minara Resources Limited. Mr Macpherson has also been the Senior Vice President of the Minerals Council of Australia, President of the Western Australian Chamber of Minerals & Energy, and a member of the Senate at Murdoch University.

Mr Macpherson is a member of the Board's Remuneration & Nomination Committee and the Audit Committee.

Explanatory memorandum

If re-elected, Mr Macpherson will continue to qualify as an independent director in accordance with the definition of independence adopted in the Company's Board Charter. Further details of Mr Macpherson's qualifications, experience and contributions to the Company can be found in the Company's 2016 Annual Report.

Directors' recommendation on Item 2

Consistent with the recommendation of the Remuneration & Nomination Committee whose role it is to consider a Director's suitability for re-election, the Directors, other than Mr Macpherson whose re-election is the subject of Item 2, are of the view that the Board has benefited and will continue to benefit from the skills, knowledge and experience that Mr Macpherson brings to the Company and recommend the re-election of Mr Macpherson as a Director.

ITEM 3 – RE-ELECTION OF MR COLIN BWYE AS A DIRECTOR

Mr Colin Bwye was appointed as a Director by the Board on 12 July 2010, and was last re-elected by members at the Company's 2013 annual general meeting. In accordance with rule 3.6 of the Company's constitution, Mr Bwye automatically retires at the Annual General Meeting and being eligible, offers himself for re-election.

Mr Bwye has over 25 years' experience in the mineral sands sector, having commenced his professional career with RGC Mineral Sands (since consolidated into Iluka Resources) as a plant metallurgist in 1988. He undertook a number of technical, production and mining roles

within RGC and then, after a period of time consulting to the industry, joined Doral Mineral Industries, a subsidiary of Iwatani Corporation of Japan. Here he was a leader in the development and operation of the Dardanup mineral sands mine in Western Australia before taking on the role of managing director and becoming accountable for the fused materials (zirconia and alumina) processing facilities as well as the mineral sands operation. In 2010 Mr Bwye joined the Company as Executive Director – Operations and Development. Mr Bwye has an extensive knowledge of all aspects of the mineral sands industry, including downstream processing and marketing of mineral sands products. He was born in Kenya and lived there prior to migrating to Australia in 1987 and so brings a deep understanding of the country and its culture.

Further details of Mr Bwye's qualifications, experience and contributions to the Company can be found in the Company's 2016 Annual Report.

Directors' recommendation on Item 3

Consistent with the recommendation of the Remuneration & Nomination Committee whose role it is to consider a Director's suitability for re-election, the Directors, other than Mr Bwye whose re-election is the subject of Item 3, are of the view that the Board has benefited and will continue to benefit from the skills, knowledge and experience that Mr Bwye brings to the Company and recommend the re-election of Mr Bwye as a Director.

ITEMS 4 AND 5 – APPROVAL OF GRANT OF PERFORMANCE RIGHTS TO MR TIM CARSTENS AND MR COLIN BWYE UNDER THE BASE RESOURCES LONG TERM INCENTIVE PLAN

Member approval is sought for the grant of:

- (a) 1,725,567 Performance Rights to Mr Carstens (and the acquisition of Shares by Mr Carstens upon the vesting and exercise of any such Performance Rights) (the subject of Item 4); and
- (b) 1,725,567 Performance Rights to Mr Bwye (and the acquisition of Shares by Mr Bwye upon the vesting and exercise of any such Performance Rights) (the subject of Item 5),

under the Base Resources Long Term Incentive Plan (**Plan**), for the purposes of ASX Listing Rule 10.14 and for all other purposes.

The Plan is designed to attract executives and maintain a stable leadership team and explicitly align the interests of the Company's leadership team with that of members. The Plan primarily seeks to grant certain eligible employees the opportunity to share in the growth and value of the Company's business over the longer term by giving these employees an opportunity to be allocated Shares in the future, depending on the Company's corporate performance.

Generally, the Plan operates on the basis of a series of cycles (**Plan Cycle**). Each Plan Cycle commences annually on 1 October and consists of a three year period (**Performance Period**), after which the

Performance Rights will vest subject to their terms of issue (including the achievement of specified Performance Criteria).

The Plan was first approved by members at the Company's 2012 annual general meeting and was subsequently re-approved, in an updated form, by members at the 2015 annual general meeting. The Performance Rights proposed to be granted to Mr Carstens (the subject of Item 4) and Mr Bwye (the subject of Item 5) are in respect of the 2016 Plan Cycle commencing on 1 October 2016 and, in all material respects, will be issued in accordance with the terms of the Plan as approved by members at the Company's 2015 annual general meeting and as otherwise specified in this Explanatory Memorandum. This is consistent with the terms of issue of Performance Rights offered to other eligible employees of the Company under the 2016 Plan Cycle. A summary of the general terms and conditions of the Plan that will apply to the Performance Rights to be granted to Mr Carstens and Mr Bwye was set out in schedule 2 of the Company's 2015 notice of annual general meeting, which is available from www.asx.com.au. The specific Performance Criteria that will apply to the Performance Rights to be granted to Mr Carstens and Mr Bwye are described below.

Performance Rights and applicable Performance Criteria

A Performance Right as provided for by the Plan, is a right to be allocated a Share upon exercise and payment of the applicable exercise price (if any), subject to meeting specified performance criteria and performance hurdles (**Performance Criteria**).

Explanatory memorandum

The grants of Performance Rights to Mr Carstens and Mr Bwye, the subject of Items 4 and 5, will have a nil exercise price and an expiry date of 30 September 2024. The Board further proposes that the Performance Criteria described below will apply to grants of Performance Rights to Mr Carstens and Mr Bwye:

- (a) 50% of the Performance Rights will be subject to a total shareholder return (TSR) hurdle, which ranks the TSR performance of the Company against a comparative group of companies (**Relative TSR Performance Rights**); and

- (b) 50% of the Performance Rights will be subject to the achievement of the Company's specific internal TSR targets over the three year Performance Period (**Absolute TSR Performance Rights**).

Broadly, TSR is the return to shareholders over a period calculated by reference to capital value growth and dividends and distributions on the relevant shares.

Testing of the Performance Criteria will be conducted as at the last day of the Performance Period. To the extent that the Performance Criteria are not satisfied over the Performance Period, the Performance Rights are automatically forfeited.

Relative TSR Performance Rights

The TSR of the Company will be compared to the TSR of each member of a selected comparative group of companies (**TSR Comparator Group**) for the purposes of determining the rank of the Company within that comparator group. The percentage TSR is converted to a percentile ranking, which is used to determine the proportion of the Relative TSR Performance Rights that will vest:

TSR OF THE COMPANY RELATIVE TO TSR'S OF TSR COMPARATOR GROUP	% OF RELATIVE TSR PERFORMANCE RIGHTS THAT VEST
Less than 40th percentile	Nil
40th percentile	25% (Threshold performance)
Between 40th and 50th percentile	Pro-rata between 25% and 50% vesting
50th percentile	50% (Target performance)
Between 50th and 75th percentile	Pro-rata between 50% and 100% vesting
75th percentile and above	100% (Stretch performance)

Notwithstanding the above, the Board has absolute discretion to determine that no Relative TSR Performance Rights vest if the Company's TSR is negative (despite its relative placing within the TSR Comparator Group).

Absolute TSR Performance Rights

The proportion of Absolute TSR Performance Rights which vest will be determined on the basis of the following scale:

THE COMPANY'S 3-YEAR TSR	% OF ABSOLUTE TSR PERFORMANCE RIGHTS THAT VEST
Less than 40.5%	Nil
40.5% (12% compound annual growth rate)	25% (Threshold performance)
Between 40.5% and 56%	Pro rata between 25% and 50%
56% (16% compound annual growth rate)	50% (Target performance)
>56% and <73%%	Pro rata between 50% and 100%
73% or greater (20% compound annual growth rate or more)	100%

Further details of the Performance Rights can also be found in the Company's 2016 Annual Report.

Reasons member approval is being sought

Specific approvals for Mr Carstens' and Mr Bwye's respective grants under the Plan are required in accordance with the ASX Listing Rules, which provide that the Company must not, without member approval, issue securities under an employee incentive scheme to a director or an associate of a director.

For the purposes of ASX Listing Rule 10.14 and for all other purposes, member approval is being sought so that Mr Carstens and Mr Bwye can be granted Performance Rights under the Plan and that Shares can be allocated (by way of newly issued Shares or the acquisition of existing Shares on-market) upon the vesting of those Performance Rights,

and subsequent exercise, in accordance with the Plan.

Approval under ASX Listing Rule 10.14 is an exception to the prohibition on a Company issuing shares to related parties without member approval under ASX Listing Rule 10.11, and is an exception to the Company's 15% placement capacity in ASX Listing Rule 7.1. If approval is given under ASX Listing Rule 10.14, further approval under ASX Listing Rule 7.1 is not required.

Chapter 2E of the Corporations Act also regulates the provision of "financial benefits" to "related parties" by a public company. For the purposes of Chapter 2E, Mr Carstens and Mr Bwye, being Directors, are "related parties" of the Company and the grant of Performance Rights pursuant to the Plan will constitute the giving of "financial benefits".

The Board (other than Mr Carstens and Mr Bwye, because of their interest in Items

Explanatory memorandum

4 and 5 respectively) considers that the grant of Performance Rights to Mr Carstens and Mr Bwye is an appropriate and reasonable component of their respective remuneration, and that the financial benefit represented by the grant of the Performance Rights falls within the “reasonable remuneration” exception in section 211 of the Corporations Act. For this reason, it is not necessary to seek specific member approval of Items 4 and 5 for the purposes of Chapter 2E of the Corporations Act.

Specific information required by ASX Listing Rule 10.15

In accordance with ASX Listing Rule 10.15, the following information is provided in relation to Items 4 and 5.

This grant was approved by members at the Company's 2015 annual general meeting and the Performance Rights were issued for nil cash consideration. - (iii) No other person of the kind referred to in ASX Listing Rule 10.14 has been issued securities under the Plan since it was last approved by members at the Company's 2015 annual general meeting.
- (f) Mr Carstens and Mr Bwye are the only persons of the kind referred to in ASX Listing Rule 10.14 who are entitled to participate in the Plan. Any future grants to Directors under the Plan will remain subject to member approval under ASX Listing Rule 10.14.
- (g) No loans will be advanced to Mr Carstens or Mr Bwye in respect of the acquisition of the Performance Rights.
- (h) Should Items 4 and/or 5 be approved by members, the relevant Performance Rights will be granted to Mr Carstens and/or Mr Bwye, respectively, as soon as possible after the date of the Annual General Meeting and in any event within 12 months of the date of the Annual General Meeting.

Directors' recommendation on Items 4 and 5

Subject to below, the Directors recommend that members vote in **favour** of Items 4 and 5.

Mr Carstens does not make a recommendation in relation to Item 4 as he has an interest in the outcome of that Item. Mr Bwye does not make a recommendation in relation to Item 5 as he has an interest in the outcome of that Item.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

Appointment of Proxy

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

Signing Instructions for Postal Forms

Individual: Where the holding is in one name, the securityholder must sign.

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.
