SWICK ANNOUNCES CONTINUATION OF ON-MARKET SHARE BUY-BACK

The Board of Swick Mining Services Ltd (ASX: SWK) is pleased to announce the continuation of the Company's on-market share buy-back. Under the buy-back, Swick proposes to buy-back up to 10% of its issued ordinary shares (approximately 21.1 million shares) during the next 12 months.

The previous 12 month buy-back was completed on 13 December 2016. A total of 7,241,255 shares were bought back and cancelled for a total consideration of \$1,078,951, being an average price of 14.9 cents per share. Ordinary shares on issue have reduced over the period to 211,203,887.

The share buy-back is being undertaken as part of the Company's capital management strategy, particularly given the lower market trading price of Swick shares in comparison to the net tangible asset backing of the Company's shares. The Board believes that the current market share price does not reflect the fair value of the Company and the share buy-back therefore constitutes a sound use of available capital.

Swick's Managing Director, Kent Swick, said: "Given Swick's strong balance sheet, sound operational performance and conservative approach to capital expenditure, the Board believes that the continuation of the share buy-back is a sensible opportunity to provide significant future value to Swick shareholders."

In accordance with the ASX Listing Rules, the prices paid for shares purchased under the buy-back will be no more than 5% above the volume weighted average price of Swick shares over the five prior trading days on which sales in shares are recorded. The total number of shares to be purchased by Swick under the buy-back will depend on market conditions and volumes, but will not exceed 10% of Swick's current issued capital. The buy-back will be open for 12 months from 21 December 2016.

Petra Capital Limited has been appointed as broker for the buy-back. An Appendix 3C in relation to the on-market buy-back is attached to this announcement.
