IMPORTANT INFORMATION

TIME AND PLACE OF MEETING

Notice is given that the General Meeting of the Shareholders, to which this Notice of General Meeting relates, will be held at 10.00am WST on 23 February 2017 at Cliftons, Ground Floor, Parmelia House, Perth WA 6000.

YOUR VOTE IS IMPORTANT

The business of the General Meeting affects your shareholding and your vote is important.

VOTING ELIGIBILITY

The Directors have determined, pursuant to Regulation 7.11.37 of the Corporations Regulations 2001 (Cth), that the persons eligible to vote at the General Meeting are those who are registered Shareholders at 10.00am WST on 21 February 2017.

VOTING IN PERSON

To vote in person, attend the General Meeting at the time, date and place set out above.

VOTING BY PROXY

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, members are advised that:

a member who is entitled to cast two or more votes may appoint two proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints two proxies and the appointment does not specify the proportion or number of the members' votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

New sections 250BB and 250BC of the Corporations Act came into effect on 1 August 2011 and apply to voting by proxy on or after that date. Shareholders and their proxies should be aware of these changes to the Corporations Act, as they will apply to this General Meeting. Broadly, the changes mean that:

if proxy holders vote, they must cast all directed proxies as directed; and

any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Further details on these changes are set out below.

Proxy vote if appointment specifies way to vote

Section 250BB (1) of the Corporations Act provides that an appointment of a proxy may specify the way the proxy is to vote on a particular resolution and, **if it does**:

- the proxy need not vote on a show of hands, but if the proxy does so, the proxy must vote that way (i.e. as directed); and
- if the proxy has 2 or more appointments that specify different ways to vote on the resolution the proxy must not vote on a show of hands; and
- if the proxy is the chair of the meeting at which the resolution is voted on the proxy must vote on a poll, and must vote that way (i.e. as directed); and
- if the proxy is not the chair the proxy need not vote on the poll, but if the proxy does so, the proxy must vote that way (i.e. as directed).

Transfer of non-chair proxy to chair in certain circumstances

Section 250BC of the Corporations Act provides that, if:

- the appointed proxy is not the chair of the meeting; and
- at the meeting, a poll is duly demanded on the resolution; and
- either of the following applies:
 - the proxy is not recorded as attending the meeting;
 - the proxy does not vote on the resolution,

the chair of the meeting is taken, before voting on the resolution closes, to have been appointed as the proxy for the purposes of voting on the resolution at the meeting.

Capitalised terms in this Notice of General Meeting and Explanatory Statement are defined either in the "Glossary" Section or where the relevant term is first used.

Voting exclusion

The Company will disregard any votes cast on this Resolution by any person who may obtain a benefit, except a benefit solely in the capacity of a holder of ordinary securities, if the Resolution is passed, and any associates of those persons.

However, the Company need not disregard a vote if:

- (a) it is cast by a person as proxy for a person who is entitled to vote in accordance with the directions on the Proxy Form; or
- (b) it is cast by the Chair as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

DATED: 20 January 2017

By Order of the Board

Simon Whybrow

COMPANY SECRETARY

EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions which are the subject of the business of the Meeting.

1. RESOLUTION 1 - CHANGE TO SCALE OF ACTIVITIES

1.1 Background

Resolution 1 seeks approval from Shareholders for a change to the scale of the activities of the Company.

On 5 January 2017, the Company entered into two option agreements (**Agreements**) with Apollo Security Pty Ltd (**Apollo**) whereby Apollo has granted the Company two options (**Options**) to acquire Grade One Security Monitoring and Queensland Security Rangers (together, the **Apollo Businesses**), which are two of Apollo's security service businesses based in New South Wales and Queensland respectively (the **Transaction**).

The Apollo Businesses were initially established in 2007 and have grown to be major privately owned security monitoring service providers on the eastern seaboard of Australia. Grade One Security Monitoring, the New South Wales division of Apollo, operates a control room in Sydney and provides monitored security services to both residential and commercial clients in New South Wales and Queensland (through the monitored lines of Queensland Security Rangers). For the Company, the Transaction would add approximately 250 resellers nationwide and service over 16,000 monitored customers.

1.2 Agreements

The material terms of the Agreements are as follows:

- (a) The Company has paid an option fee of \$150,000 (**Option Fee**), which will be offset against the aggregate purchase price in the event the Company exercises the Options.
- (b) The Option Fee is fully refundable unless and until the Options are exercised by the Company.
- (c) The Company must exercise the Options on or before 31 March 2017.
- (d) The aggregate purchase price of the Transaction, should the Options be exercised by the Company, is approximately \$6,000,000, with:
 - (i) \$3,700,000 payable in cash to Apollo at completion of the Transaction; and
 - (ii) the balance of the purchase price being payable 12 months post completion of the Transaction. The calculation of the balance payable is subject to a purchase price adjustment in respect of the Apollo Businesses monitoring revenue averaged over the 12 month period following completion of the Transaction.
- (e) If the Options are exercised by the Company, the parties will negotiate and enter into formal agreements whereby both parties will give warranties and undertakings considered standard for acquisition agreements of this nature.
- (f) The Transaction is subject to the Company completing satisfactory due diligence enquiries and obtaining Shareholder approval for the purposes of Listing Rule 11.1.2.

1.3 **Listing Rule 11.1**

Listing Rule 11.1 provides that where an entity proposed to make a significant change, either directly or indirectly, to the nature or scale of its activities, it must provide full details to ASX as soon as practicable and comply with the following:

- provide ASX information regarding the change and its effect on future potential earnings, and any information that ASX asks for;
- if ASX requires, obtain shareholder approval and comply with any requirements of ASX in relation to the associated notice of meeting; and
- if ASX requires, meet the requirements of Chapters 1 and 2 of the Listing Rules as the entity were applying for admission to the official list of ASX.

ASX has indicated to the Company that given the potential change in the scale of the Company's activities resulting from the Transaction, the Company is required to obtain Shareholder approval for the purposes of Listing Rule 11.1.2. Accordingly, Resolution 1 seeks approval from Shareholders for a change to the scale of the activities of the Company.

As required by ASX Guidance Note 12: Significant Changes to Activities, the following information is provided in relation to Resolution 1:

(a) Material terms of the transaction

A summary of the key terms of the Agreements are set out in Section 1.2.

(b) Financial effect of the transaction on the entity and on the interests of security holders

Assuming both Options are exercised, the financial effect of the Transaction on the Company and on the interests of Shareholders is set out below:

Total no. of Options	145,900,000	-	145,900,000	0%

Assuming both Options are exercised, the pro-forma statement of financial position of the Company is annexed at the Annexure.

(c) Details of how the entity will be modifying its business model to accommodate the significant change in the scale of the entity's activities

Other than as disclosed elsewhere in this Notice, the Board has no current intention of making any changes to the business model of the Company as a result of any significant change in the scale of the Company's activities which may arise in connection with the Transaction, other than to expand its business operations further in New South Wales and commence business operations in Queensland. The Company's operational staff possesses the expertise to maximize the efficiencies acquired as a result of the Transaction.

(d) Information about the entity's need to borrow any funds or raise any capital in the short term as a result of the transaction

The Transaction will be fully funded by the Company's Facility and Convertible Note Agreement with First Samuel Limited announced to ASX on 3 November 2016. As at the date of this Notice, the Company has not issued any convertible notes (**Convertible Notes**) to First Samuel Limited. If Shareholders approve Resolution 1, the Company intends to issue Convertible Notes prior to the proposed completion date of the Transaction, being 1 March 2017, to fund the first tranche of the Transaction purchase price.

The conversion of Convertible Notes into Shares pursuant to the Facility and Convertible Note Agreement is subject to the Company obtaining Shareholder approval for the purposes of item 7 of Section 611 of the Corporations Act. The Company intends to obtain Shareholder approval for the conversion of Convertible Notes into Shares at its 2017 Annual General Meeting.

Instructions for Completing 'Appointment of Proxy' Form

- 1. (Appointing a proxy): A Shareholder entitled to attend and cast a vote at the Meeting is entitled to appoint a proxy to attend and vote on their behalf at the Meeting. If a Shareholder is entitled to cast 2 or more votes at the Meeting, the Shareholder may appoint a second proxy to attend and vote on their behalf at the Meeting. However, where both proxies attend the Meeting, voting may only be exercised on a poll. The appointment of a second proxy must be done on a separate copy of the Proxy Form. A Shareholder who appoints 2 proxies may specify the proportion or number of votes each proxy is appointed to exercise. If a Shareholder appoints 2 proxies and the appointments do not specify the proportion or number of the Shareholder's votes each proxy is appointed to exercise, each proxy may exercise one-half of the votes. Any fractions of votes resulting from the application of these principles will be disregarded. A duly appointed proxy need not be a Shareholder.
- 2. (**Direction to vote**): A Shareholder may direct a proxy how to vote by marking one of the boxes opposite each item of business. The direction may specify the proportion or number of votes that the proxy may exercise by writing the percentage or number of Shares next to the box marked for the relevant item of business. Where a box is not marked the proxy may vote as they choose subject to the relevant laws. Where more than one box is marked on an item the vote will be invalid on that item.
- 3. (Signing instructions):
 - (Individual): Where the holding is in one name, the Shareholder must sign.
 - (Joint holding): Where the holding is in more than one name, all of the Shareholders should sign.
 - (Power of attorney): If you have not already provided the power of attorney with the registry, please attach a certified photocopy of the power of attorney to this Proxy Form when you return it.
 - (Companies): Where the company has a sole director who is also the sole company secretary, that person must sign. Where the company (pursuant to Section 204A of the Corporations Act) does not have a company secretary, a sole director can also sign alone. Otherwise, a director jointly with either another director or a company secretary must sign. Please sign in the appropriate place to indicate the office held. In addition, if a representative of a company is appointed pursuant to Section 250D of the Corporations Act to attend the Meeting, the documentation evidencing such appointment should be produced prior to admission to the Meeting. A form of a certificate evidencing the appointment may be obtained from the Company.
- 4. (Attending the Meeting): Completion of a Proxy Form will not prevent individual Shareholders from attending the Meeting in person if they wish. Where a Shareholder completes and lodges a valid Proxy Form and attends the Meeting in person, then the proxy's authority to speak and vote for that Shareholder is suspended while the Shareholder is present at the Meeting.
- 5. (Return of Proxy Form): To vote by proxy, please complete and sign the enclosed Proxy Form and return by:
 - (a) post to the Company, PO Box 561, BELMONT WA 6984; or
 - (b) facsimile to the Company on facsimile number +61 (08) 9322 9711,

so that it is received not less than 48 hours prior to commencement of the Meeting.

Proxy Forms received later than this time will be invalid.
