

**Release to the Australian Stock Exchange**

## **Bravura Solutions Limited**

### **Market Update**

**Sydney, 1 February 2017 – Bravura Solutions Limited (Bravura; ASX:BVS)** a leading provider of software solutions for the wealth management, life insurance and funds administration industries, today reconfirms the guidance for Bravura's FY2017 first half and full year earnings as referred to in the Bravura prospectus dated 28 October 2016 and lodged with the ASX on 16 November 2016.

Bravura, having executed a major new UK contract in late December 2016 and with a robust pipeline of new sales and services revenue, remains on track to deliver the guidance provided in its 2016 IPO prospectus. As the recent UK sale also highlights, Brexit is having no material effect on UK sales with our UK business continuing to be strong.

Full details of the company's financial results for the 6 month period to 31 December 2016 will be provided in late February 2017.
