Notice of proceedings relating to proposed merger

SKY and Vodafone have received copies of proceedings filed on behalf of 2degrees, Spark and InternetNZ seeking interim orders from the courts to stay the effect of any decision on the clearance applications of SKY and Vodafone for the proposed merger, in the event that the New Zealand Commerce Commission gives its clearance. The stay is sought for a period of 36 hours (in addition to any non-working day period) after receipt of the full reasons for the decision.

A hearing time for these proceedings has been set down for Wednesday 22 February 2017 at 10:00a.m.

As previously advised, SKY does not consider that there is any proper basis for seeking an interim stay and SKY intends to oppose any such application and seek an undertaking as to damages.
