Review of Operations

Clover Corporation Limited (Clover) has reported a net profit after tax of \$1.037 million for the half year ended 31 January 2017 (2016: \$0.801 million) an increase of 29.5%. While sales revenue decreased 1.3% to \$19.4 million (2015: \$19.7 million), the gross margin for the period improved, with a broader spread of sales to new customers and new products. The resetting of the Company's terms of trade with key customers has provided the protection of a natural hedge on foreign exchange purchases which has assisted in realising profit objectives.

Financial Highlights

- Clover has continued to increase its customer base across geographies and products resulting in an improved profit margin. This is a welcome reversal of a trend of recent years, during which profit margin on some of the Company's older products has declined. Extensive business development activities and technical collaborations with prospective customers has enabled Clover to find and win new accounts. These strategic efforts of the past two years are now impacting the company's profitability, as lengthy product trials by customers, often taking twelve to twenty-four months, are successfully completed and new orders are placed.
- Changes in the regulations on sale of infant formula in China have affected Clover's product sales. Demand from Clover's more traditional customers have generally maintained the levels of the previous year, despite a general trend to reducing inventory whilst manufacturers engage in a process to achieve new licenses for their China product sales.
- The Company's balance sheet remains strong with cash at \$8.7 million and net current assets of \$24.0 million (2016: \$23.7 million). The inventory position remains a key focus, currently at \$13.8 million (2016: \$13.6 million).

Operational Highlights

- Clover has appointed new distributors in both the Infant Formula and Food Ingredients sectors across some smaller markets in S.E. Asia, and in the USA and Europe. These distributors have relationships and expertise to focus on Clover's product categories and, at the same time, to service markets requiring local capabilities. These distributors are providing introductions for Clover's rebuilt sales and business development and technical teams with a range of potential new customers.
- The company continues to invest in its future through Research and Development with the addition of essential equipment to support the specialised expertise added to the team in 2016. This will allow innovation projects, including product development in collaboration with customers, to be fast tracked to pilot production stage. It has already seen the release of new products on trial with existing and new customers. As an example, in September 2016 Clover launched a new

DIRECTORS' REPORT continued

concentrated Docosahexaenoic Acid (DHA) encapsulated product targeting the Sports Nutrition and Food Ingredients markets.

- The New Zealand Spray dryer facility, in which Clover invested in 2015/16, is now fully operational with the first sales of NZ-produced products recorded during the half year.

With continuing business development activities, and increasing level of enquiry, the Company is expecting demand patterns from customers to improve in the second half of the financial year.

Dividend

After careful consideration of the company's short term cash requirements, the Board has declared a fully franked interim dividend of 0.25 cent per share in respect of the financial period ended 31 January 2017.

Rounding of Amounts

The economic entity has applied the relief available to it in ASIC Class Order 98/0100 and accordingly amounts in the financial report and the directors' report have been rounded off to the nearest thousand dollars, unless otherwise stated.

Auditors Independence Declaration

The auditor's independence declaration for the half-year ended 31 January 2017 has been received and is set out on page 17.

This report is signed in accordance with a resolution of the directors.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE HALF YEAR TO 31 JANUARY 2017

1. Significant accounting policies

Basis of preparation

The interim condensed consolidated financial statements of Clover Corporation Limited and its controlled entities ('the Company') for the half-year ended 31 January 2017 have been prepared in accordance with the requirements of Australian Accounting Standard AASB 134 Interim Financial Reporting. The Financial Statements were authorised for issue in accordance with a resolution of the directors on 21 March 2017.

The interim condensed consolidated financial statements do not include all the information and disclosures required in the annual financial statements, and should be read in conjunction with the group's annual financial statements as at 31 July 2016, and any public announcements made by the Company during the half-year in accordance with the continuous disclosure requirements of the ASX listing rules.

The Company has applied the relief available to it in ASIC Class Order 98/0100 and accordingly amounts in the financial statements and the directors' report have been rounded off to the nearest thousand Australian dollars, unless otherwise stated.

The accounting policies adopted in the preparation of the interim condensed consolidated financial statements are consistent with those followed in the preparation of the Company's annual financial statements for the year ended 31 July 2016, except for the impact, if any, of adoption of new standards and interpretations noted below.

New/Amended Accounting Standards and Interpretations

(i) New standards and interpretations

In the half year the Company has reviewed all of the revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to the Company and effective for annual reporting periods beginning on or after 1 August 2016. It has been determined that there is no impact on the Company, material or otherwise, of those pronouncements.

(ii) Early adoption of standards

The Company has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

DIRECTORS' DECLARATION

In accordance with a resolution of the directors of Clover Corporation Limited, I state that:

In the opinion of the directors:

- (a) the financial statements and notes of the consolidated entity as set out in this financial report:
 - 1. give a true and fair view of the consolidated entity's financial position as at 31 January 2017 and of its performance for the half year ended on that date; and
 - 2. comply with Accounting Standard AASB134 Interim Financial Reporting and the Corporations Act 2001; and

- (b) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Directors.

Independent Auditor's Review Report to the Members of Clover Corporation Limited

Report on the Condensed Half-Year Financial Report

We have reviewed the accompanying condensed half-year financial report of Clover Corporation Limited (the consolidated entity) which comprises the statement of financial position as at 31 January 2017, the statements of profit or loss and other comprehensive income, changes in equity, and cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal controls as the directors determine are necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 January 2017 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Clover Corporation Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We have given to the directors of Clover Corporation Limited a written auditor's independence declaration, a copy of which is referenced in the directors' report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the condensed half-year financial report of Clover Corporation Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 January 2017 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
