Market Update: Federal Court Proceedings

After the close of business yesterday Slater and Gordon Limited (ASX:SGH) was served with an Application to the Federal Court issued on behalf of Mr Delaney by his solicitors ACA Lawyers (the “Delaney Application”). The Delaney Application seeks orders from the Federal Court that Mr Delaney and his advisors be provided with notice of steps taken in the court ordered mediation of the proceedings commenced by Mr Matthew Hall (the “Hall Proceedings”) on the basis that Mr Delaney and the group members he purports to represent as representative applicant are giving consideration to bringing claims against SGH, on a basis similar but not identical to the claims which are the subject of the Hall Proceedings.

At this stage SGH does not intend to make any further announcement concerning the Delaney Application which has been listed for hearing at the time of the next scheduled directions hearing of the Hall Proceeding on 2 June 2017.
