## HUB24 PASSES \$5b MILESTONE

HUB24 (ASX:HUB) is pleased to announce that it has exceeded \$5 billion in Funds Under Administration (FUA) on the company's investment and superannuation platform (FUA now at \$5.05b). This achievement is the result of continuing strong inflows across HUB24's broadening client base as well as inflows from new advisers selecting HUB24 to administer their client's portfolios.

This milestone has been achieved through the ongoing support from advisers, clients, shareholders and staff. HUB24 is well positioned to continue its growth and the development of the company's market leading platform.

HUB24 Managing Director Andrew Alcock said: "Reaching \$5b in FUA is a significant achievement for both HUB24 and for our industry. It's an accolade for choice, innovation, value and great technology. These factors as well as client demand for heightened control, flexibility and transparency are representative of the ongoing transformation of wealth management for all stakeholders."

"HUB24 has tripled in size over the last 2 years and we are continuing to grow rapidly. We value the support of all our clients and business partners who fuel our commitment for further innovation every day", added Mr Alcock.
