Retail Entitlement Offer - Update

Bellamy's Australia Limited (ASX: BAL) (**Bellamy's** or the **Company**) today announced the completion of the retail component (**Retail Entitlement Offer**) of its 5 for 38 fully underwritten pro rata accelerated non-renounceable entitlement offer (**Entitlement Offer**) of new fully paid ordinary shares in Bellamy's (**New Shares**).

By way of clarification of its earlier announcement, Bellamy's received total applications from eligible retail shareholders for New Shares (including applications for additional New Shares in excess of an eligible retail shareholders entitlement (**Additional New Shares**)) representing approximately 98% of New Shares under the Retail Entitlement Offer.

Following further analysis undertaken by Bellamy's share registry, Bellamy's can confirm that, of these applications, valid applications from eligible retail shareholders for New Shares (including applications for Additional New Shares) represented approximately 82% of New Shares under the Retail Entitlement Offer. The shortfall after the issue of the New Shares and Additional New Shares will be allocated to sub-underwriters.
