Dear ASX

Trading halt request

This Company hereby requests a trading halt in respect of its securities effective immediately.

For the purposes of ASX Listing Rule 17.1, the following information is supplied:

The reason for the trading halt is that the Company has completed a prefeasibility study in respect of its principal asset, the Hawsons Iron Project and is preparing an announcement in respect of that study. A trading halt is sought until the approval of that announcement by relevant engineers and other contractors involved in the conduct of the prefeasibility study.
2. It is anticipated that the trading halt will be required for a period of one to two business days.
3. The Company is not aware of any information why the trading halt should not be granted.
