Nearmap Brings the Real World to You

We capture, manage and deliver the most frequently-updated location content in the world, allowing businesses and governments to explore their environment easily. With Nearmap, organisations unlock opportunities that consistently inform decision making and transform the way they work. Delivered within days of capture, our imagery is much higher resolution than satellite imagery and shows changes over time. Nearmap helps users save time and money, reduce site visits and make better informed decisions with current, clear imagery.

Nearmap is delivered through our web-based MapBrowser or accessed via third party applications.
