Rox Resources App Launched

Rox Resources is always striving to improve its relationship with shareholders and future investors.

With this in mind, Rox is proud to announce the launch of the Rox Resources App.

The Rox Resources App has some great features, including:

- End of day share price data and charting;
- Project Information;
- Corporate Information;
- Push button ASX Announcement notification;
- Past Financial reports, Research reports, Company presentations, Quarterly, Half Yearly and Annual reports;
- Latest ASX announcements.

Simply go to the Apple store or Google Play and search for Rox Resources to install the App.

Links are also available on the Rox Resources website.
