Information regarding voting

1 Entitlement to attend and vote

In accordance with Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth) and ASX Settlement Operating Rule 5.6.1, the Directors have determined that a shareholder's entitlement to vote at the AGM is as set out in the Company's share register as at 7:00pm (Melbourne time) on 14 November 2017. In the case of joint shareholders, all holders may attend the meeting but only one holder may vote at the meeting in respect of the relevant shares (including by proxy). If more than one joint holder is present, and more than one of the joint holders vote in respect of the relevant shares, only the vote of the joint holder whose name stands first in the register in respect of the relevant shares is counted. A corporate shareholder may appoint one or more persons to act as its representative(s), but only one representative may exercise the corporate shareholder's powers at any one time.

Transactions registered after 7:00pm (Melbourne time) on 14 November 2017 will be disregarded in determining the shareholders entitled to attend and vote at the AGM.

2 Proxies

(a) **Proxy form:** A proxy form is included with this Notice of AGM.

(b) **Appointing a proxy:** If you are entitled to attend and vote at this AGM, you may appoint:

- a person ("person" can be an individual or a body corporate (if you appoint a body corporate as a proxy, that body corporate will need to ensure that it appoints an individual as its corporate representative to exercise its powers at the meeting and provide satisfactory evidence of the appointment of its corporate representative prior to the commencement of the AGM, in accordance with the instructions set out in Note 3 below)); or
- if the shareholder is entitled to cast two or more votes at the meeting, two persons,

as your proxy or proxies to attend and vote for you at the AGM. A proxy need not be a shareholder.

(c) **Maximum of two:** You may appoint a maximum of two proxies and may state on the proxy form what proportion or number of your votes each proxy is being appointed to exercise. If you appoint two proxies and do not specify the proportion or number of votes each proxy may exercise, each of the proxies may exercise half of your votes.

(d) **Deadline for receipt:** The Company must receive at least 48 hours before the AGM (ie. by 3:00pm (Melbourne time) on 14 November 2017):

- your completed proxy form; and
- if you sign under power of attorney or corporate representative, that power of attorney or corporate representative appointment or a certified copy of it.

Any proxy form received after this deadline (including at the AGM) will be invalid.

(e) **How to send:** The proxy form (and any authority appointing an attorney or corporate representative) must be:

- sent by post to the Company's registry:

Costa Group Holdings Limited
C/ - Link Market Services Limited
Locked Bag A14
Sydney South NSW 1235
Australia

- delivered by hand to the Company's registry:

Link Market Services Limited
1A Homebush Bay Drive
Rhodes NSW 2138

OR
Level 12
680 George Street
Sydney NSW 2000

- sent by fax to the Company's registry on +61 2 9287 0309; or
- lodged online at www.linkmarketservices.com.au.

(f) ***How and when a proxy must vote:*** If the appointment of a proxy specifies the way the proxy is to vote on a particular resolution:

- the proxy is not required to vote on a show of hands, but if the proxy does so, the proxy must vote as directed (subject to any applicable voting exclusions);
- if the proxy has two or more appointments that specify different ways to vote on the resolution, the proxy must not vote on a show of hands;
- if the proxy is not the Chairman of the AGM, the proxy need not vote on a poll but if the proxy does so, the proxy must vote as directed (subject to any applicable voting restrictions); and
- if the proxy is the Chairman of the AGM, the proxy must vote on a poll and must vote as directed.

(g) ***Default to the Chairman of the meeting:*** If:

- a poll has been called on a resolution; and
- a shareholder has appointed a proxy other than the Chairman of the meeting and the appointment of the proxy directs the proxy how to vote on the resolution; and
- the shareholder's proxy either:
 - is not recorded as attending the AGM; or
 - attends the AGM but does not vote on the resolution,

then the Chairman of the meeting will, before voting on the resolution closes, be taken to have been appointed as the proxy for that shareholder for the purposes of voting on that resolution. In these circumstances, the Chairman of the meeting must vote in accordance with the written direction of that shareholder.

(h) ***Directing proxy votes:*** We encourage shareholders who are appointing proxies to direct their proxies how to vote on each resolution by crossing either a "For", "Against", or "Abstain" box before lodging their proxy form so that, subject to any

applicable voting exclusions, their proxy will vote on their behalf in accordance with their instructions.

The Chairman intends to vote undirected proxies on, and **in favour** of, all the proposed resolutions.

If there is a change in how the Chairman intends to vote undirected proxies, the Company will make an announcement to the market.

3 Body corporate representative

Any corporation wishing to appoint a person to act as representative at the AGM may do so by providing that person with:

- a "Appointment of Corporate Representative" form which can be obtained from the Company's registry; or
- a letter or certificate authorising the person to act as the corporation's representative in accordance with the corporation's constitution; or
- a copy of the resolution appointing the representative, certified by a secretary or director of the corporation.

4 Questions from shareholders

A shareholder of the Company who is entitled to vote at the AGM may submit a written question to the Chairman or Auditor by sending it to the Company no later than the fifth business day before the AGM is to be held (ie. by 9 November 2017).

5 Annual Report information

The 2017 Annual Report is being sent separately to shareholders who have elected to receive an Annual Report. A copy of the Company's Annual Report is available to all shareholders upon request and can be viewed at <http://investors.costagroup.com.au/investor-centre/?page=latest-reports> or an electronic or printed copy can be requested from the Company's registry.

Explanatory notes on the business to be transacted at the AGM

Item 1 – Consideration of Reports

The Financial Report for the Company and its controlled entities, the Directors' Report and the Auditor's Report for the financial year ended 25 June 2017 as set out in the Company's 2017 Annual Report will be laid before the AGM. Shareholders will be given a reasonable opportunity to ask the Auditor questions about the conduct of the audit and the content of the Auditor's report.

Item 2 – Remuneration Report

In accordance with the *Corporations Act 2001* (Cth), the Company is required to present the Company's Remuneration Report to shareholders for consideration and adoption at the AGM.

The Remuneration Report is located on pages 37 to 47 of the Company's 2017 Annual Report and is also available on the Company's website www.costagroup.com.au. The Remuneration Report:

- explains the structure of and rationale behind the Company's remuneration practices and the link between the remuneration of employees and the Company's performance;
- sets out remuneration details for each director and each other member of the Company's key management personnel; and
- confirms that the basis for remunerating non-executive Directors is distinct from the basis for remunerating executives, including executive Directors.

Shareholders will have an opportunity to ask questions and comment on the Remuneration Report at the AGM.

The vote on this resolution is advisory only and does not bind the Directors or the Company. Nevertheless, the Board will take into account the outcome of the vote when considering the future remuneration arrangements of the Company.

The remuneration framework adopted by the Board is designed to attract and retain key talent, reward the achievement of strategic objectives and align reward with the creation of shareholder wealth. Where appropriate, the Company obtains independent input to confirm the appropriateness of these arrangements.

Noting that each Director has a personal interest in their own remuneration from the Company as described in the Remuneration Report, the Board recommends that shareholders vote **in favour** of the resolution in Item 2.

The Chairman intends to vote undirected proxies able to be voted **in favour** of this resolution.

Voting Exclusion – Item 2

- 1 Subject to paragraph 2, a vote must not be cast (in any capacity) on the resolution in Item 2 by or on behalf of a member of the Company's key management personnel (including the Directors), details of whose remuneration are included in the Remuneration Report ("**KMP**") or their closely related parties, whether as a shareholder or as a proxy except that a vote may be cast on the resolution in Item 2 by a KMP, or a closely related party of a KMP if:
 - (a) the vote is cast as a proxy appointed in writing that specifies how the proxy is to vote on the resolution in Item 2; and
 - (b) the vote is not cast on behalf of a KMP or a closely related party of a KMP.
- 2 If you appoint the Chairman of the AGM as your proxy or the Chairman of the AGM is appointed as your proxy by default¹, you do not need to direct your proxy how to vote on the

¹ Due to the failure of your nominated proxy to attend or if no proxy was identified in your lodged proxy form.

resolution in Item 2 on the proxy form. In this case, you will be expressly authorising the Chairman of the AGM to exercise your proxy in favour of the resolution in Item 2 even if Item 2 is connected directly or indirectly with the remuneration of a member of the KMP, which includes the Chairman of the AGM.

Items 3 and 4 – Election of Directors

The Board undertakes a regular review of its performance, policies and practices. The review includes an assessment of the performance of each Director, their experience and skills. This is taken into account by the Board in determining whether to endorse Directors standing for re-election and anyone offering themselves for election as a Director.

The Board wishes to continue the program of staggered retirement and re-election for its existing Directors initiated at the 2016 annual general meeting. As part of this process, Mr Chatfield and Mr Schwartz offer themselves for re-election each for a three year term commencing from the conclusion of this year's AGM.

The resolutions to appoint these Directors are proposed separately as ordinary resolutions.

Item 3 – Re-election of Neil Chatfield as a Director

Mr Chatfield has been a Director since 7 October 2011 and Chairman since 24 June 2015. Mr Chatfield is also a member of the Remuneration Committee and Nomination Committee. He ceased to be a member of the Audit and Risk Committee on 17 November 2016.

Mr Chatfield is an established executive and non-executive director with extensive experience across all facets of company management, and with specific expertise in financial management, capital markets, mergers and acquisitions, and risk management.

Mr Chatfield is currently the Chair and a non-executive director of Seek Limited. He is also a non-executive director of Transurban Group, and Launch Housing, a not-for-profit organisation. Mr Chatfield was previously a non-executive director of Iron Mountain Inc. (to September 2017), Recall Holdings Limited (to May 2016), Chair and non-executive director of Virgin Australia Holdings Limited (to May 2015) and non-executive director of Grange Resources Limited (to April 2014).

Mr Chatfield previously served as an executive director and Chief Financial Officer of Toll Holdings Limited (from 1997 to 2008).

The Directors (with Neil Chatfield abstaining and not voting) recommend that you vote in favour of the resolution in Item 3.

Item 4 – Re-election of Kevin Schwartz as a Director

Mr Schwartz has been a Director since 7 October 2011 and is a member of the Nomination Committee.

Mr Schwartz is the Chief Executive Officer of Paine Schwartz Partners (since February 2017) which he co-founded in 2006. He was a Managing Director at the predecessor firm, Fox Paine & Company, which he joined in 2002.

Mr Schwartz serves on the boards of directors of AgBiTech, Global ID, Verdesian Life Sciences, and Wawona Delaware Holdings, LLC. He is also a member of the Rush Associates Board of the Rush University Medical Center. He has previously served as a director of Advanta, Seminis, Inc., Sunrise Holdings (Delaware), Inc., Suba Seeds International and on the Board of United American Energy Corp.

During the past four years, Mr Schwartz has not served as a director of any other Australian listed company.

The Directors (with Kevin Schwartz abstaining and not voting) recommend that you vote in favour of the resolution in Item 4.

Items 5 and 6 – Managing Director’s FY18 Remuneration

The Board reviewed Mr Debney’s remuneration package for the 2018 financial year (“**FY18**”), with the aim of ensuring that Mr Debney’s remuneration package for FY18 is market competitive, reasonable and creates adequate incentives for both short term and long term financial performance, strategic growth and creation of shareholder value.

As a result of that review, the Board determined that Mr Debney’s FY18 remuneration package should be structured as follows:

Total fixed remuneration	At risk remuneration	
	Short term incentive (1 year)	Long term incentive (3 years)
\$997,019	<ul style="list-style-type: none"> \$448,659 (at target) \$697,913 (stretch performance – maximum award) 	\$348,957 ²

The non-executive Directors have concluded that the remuneration package for Mr Debney (including the proposed grants of securities under the short term incentive (“**STI**”) Plan and long term incentive (“**LTI**”) Plan) is reasonable and appropriate having regard to the circumstances of the Company and the duties and responsibilities of Mr Debney.

Accordingly, the non-executive directors recommend that shareholders vote **in favour** of the resolutions in Items 5 and 6.

The Chairman intends to vote undirected proxies able to be voted **in favour** of the resolutions in Items 5 and 6.

Why the Company is seeking approval – Items 5 and 6

Under the ASX Listing Rules, the Company must seek shareholder approval to grant securities to any director of the Company under an employee incentive scheme. As the deferred component of the Company’s FY18 STI Plan involves performance rights and the Company’s FY18 LTI Plan involves options, shareholder approval is being sought for Mr Debney’s participation in both the deferred component of the FY18 STI Plan (Item 5) and the FY18 LTI Plan (Item 6) and subsequently, the issue or transfer of shares in the Company to Mr Debney. Details of the FY18 STI Plan and FY18 LTI Plan are set out below.

Managing Director’s entitlements under FY18 STI Plan – Item 5

Under the FY18 STI Plan, Mr Debney is entitled to an STI award. At target, the STI award will be equal to 45% of his total fixed remuneration (“**TFR**”), with an opportunity to receive a maximum STI award equal to 70% of his TFR.

The exact amount of the STI award which Mr Debney will receive, if any, will be subject to performance measures linked to the Company’s financial performance and Mr Debney’s individual performance over the financial year, with the maximum STI award only being realised if a specified stretch target is achieved. The performance measures will be set by the Board each year. Consistent with the prior year, FY18 STI targets are based on 80% financial performance relative to Board

² Total indicative value of options to be issued to Mr Debney as part of the FY18 LTI Plan, as at the effective date of the independent indicative valuation issued on 31 August 2017. As required by AASB 2 Share Based Payments, the final fair value of the LTI Options will be determined on the grant date should shareholders approve the issuance of LTI Options to Mr Debney.

determined budgets and 20% personal components. Financial measures are EBIT (before SGARA) and cashflow generation. The individual performance measures for FY18 will relate to key business drivers, which will be set by the Board and may include measures related to safety, quality, people and execution of key projects.

Where Mr Debney becomes entitled to receive an STI award, it will be paid in the following way:

- (a) two thirds of the STI award will be paid in cash following the end of the performance year; and
- (b) one third of the STI award will be deferred for 12 months in the form of performance rights granted under the Company's FY18 STI Plan ("**STI Performance Rights**").

Terms of the STI Performance Rights – Item 5

Each performance right is a right to receive one ordinary share in the Company upon vesting. The performance rights will ordinarily vest on 1 September 2019, however they will automatically lapse if Mr Debney ceases to be an employee and the Board determines that he is not a "good leaver" under the terms of the FY18 STI Plan.

In addition to conveying a right to receive an ordinary share in the Company, each of the STI Performance Rights will convey a right to receive cash payments equal to the value of the dividends paid by the Company from time to time on one ordinary share during the period the performance right is held.

Managing Director's FY18 LTI Options – Item 6

The Company's CEO and Managing Director, Mr Harry Debney, is eligible to participate in the Company's FY18 LTI Plan for the 3 year performance period commencing from the beginning of the Company's 2018 financial year to the end of the 2020 financial year ("**Performance Period**").

Under the FY18 LTI Plan, Mr Debney is entitled to receive options to acquire ordinary shares in Costa Group Holdings Ltd valued at \$348,957³, being 35% of his total fixed remuneration for FY18. Based on an independent valuation conducted by Ernst & Young, which valued each option at \$0.99, Mr Debney is entitled to receive 352,481 options under the FY18 LTI Plan.

The number of options that vest at the end of the Performance Period will depend on the Company's performance during the Performance Period against performance hurdles set by the Board, being an earnings per share ("**EPS**") hurdle and a strategic growth hurdle. Consistent with the performance hurdles adopted for the FY17 LTI Plan, when setting the performance hurdles for the FY18 LTI Plan, the Board considered that:

- the use of an EPS hurdle is consistent with Costa's FY17 LTI Plan for Company executives;
- dual measures provide a more balanced approach than relying on a single measure;
- a strategic growth hurdle that drives sustainable long term value creation, via strategic growth and diversification, remains suitable during this stage of the Company's growth cycle; and
- as Costa does not have direct competitors in the ASX, comparative measures such as relative total shareholder return measured against a selected comparator group are less suitable.

Accordingly, the Board adopted an EPS hurdle and a strategic growth hurdle for the FY18 LTI Plan.

Terms of the LTI Options – Item 6

Key terms of the options to be granted to Mr Debney (and other senior executives of the Company) under the FY18 LTI Plan ("**LTI Options**") are as follows:

³ Total indicative value of options to be issued to Mr Debney as part of the FY18 LTI Plan, as at the effective date of the independent indicative valuation issued on 31 August 2017. As required by AASB 2 Share Based Payments, the final fair value of the LTI Options will be determined on the grant date should shareholders approve the issuance of LTI Options to Mr Debney

Exercise price \$4.82 per share, being the volume weighted average price of an ordinary fully paid share in the capital of the Company recorded on the ASX over the 10 ASX trading days ending on 25 June 2017.

EPS hurdle 75% of the options ("**EPS Options**") will be subject to a performance hurdle based on the Company's Earnings Per Share (basic) compound annual growth rate ("**CAGR**") over the Performance Period, with performance and vesting outcomes as follows:

Company's EPS CAGR over Performance Period	Percentage of EPS Options that will vest
Less than 10%	0%
10%	50%
Between 10% and 13% (inclusive)	50%-100%, on a straight line sliding scale
Above 13%	100%

The Board retains discretion to adjust the calculation of EPS (for example, to exclude the impact of significant events that may occur during the Performance Period).

Strategic growth hurdle 25% of the options ("**Growth Target Options**") will be subject to a performance hurdle based on geographic and category diversification and growth designed to support sustainable long term value creation. Growth includes the scaling up of the avocado category pillar and continuing the growth trajectory of the Company's international joint ventures.

The number of Growth Target Options that vest will be determined by the Board (with the Managing Director not voting) based on an assessment of the Company's performance during the Performance Period against the growth and diversification targets set by the Board.

The Company considers the performance targets for this hurdle to be commercially sensitive, with the result that publication of that information prior to the end of the Performance Period may be prejudicial to the interests of the Company. Accordingly, complete details regarding the outcomes of vesting will be disclosed at the end of the Performance Period in the 2020 Remuneration Report.

Entitlements Options will not carry rights to dividends or voting rights prior to vesting.

Option exercise Vested options must be exercised within 2 years from the vesting date of the options ("**Expiry Date**").

Prior to the Expiry Date, Mr Debney can exercise by either:

- providing the Company with an exercise notice that specifies the number of options to be exercised, together with the exercise price in respect of those exercised options; or
- electing a cashless exercise in respect of some or all of his options.

If Mr Debney pays the exercise price, he will be issued with one share per exercised option. If he elects a cashless exercise, he will be issued with a lower number of shares, calculated in accordance with the following formula:

(A minus B) divided by C, where:

A = Number of Shares to which each Vested Option relates (ie. 1) x Number

of Vested Options exercised x Market Price per Share

B = Number of Vested Options exercised x Exercise Price per Option

C = Market Price per Share, being an amount equal to the volume weighted average price of a Share recorded on the ASX over 10 ASX trading days immediately preceding the date on which the Market Price is to be calculated or, if no sale occurred during such period, the last sale price of a Share recorded on the ASX.

Sale restriction	Shares delivered on the exercise of 50% of the vested options will be subject to a restriction period (during which the shares cannot be sold or otherwise dealt with) which will end on the earlier of (i) 12 months following vesting and (ii) the date that Mr Debney ceases employment with the Company.
Service conditions	<p>If Mr Debney ceases employment before his options vest due to termination for cause, all of his unvested Options will lapse at cessation.</p> <p>Where Mr Debney ceases employment for any other reason (which generally includes “good leaver” circumstances such as death or disability), a pro-rata number of unvested options (based on the proportion of the performance period served) will generally continue on-foot and be tested at the end of the original vesting date against the relevant performance conditions. However, the Board has discretion to apply any other treatment that it deems appropriate in the circumstances.</p>

Maximum number of STI Performance Rights and LTI Options that Mr Debney may receive – Items 5 and 6

Plan	Maximum number and value of securities and price
STI Plan	The maximum number of performance rights that Mr Debney may receive in respect of FY18 will be performance rights with a value equal to \$232,638 (being one third of his maximum STI award). The exact number of performance rights will be determined by dividing the dollar value of the deferred component of Mr Debney’s STI award by an amount equal to the volume weighted average price of an ordinary fully paid share in the capital of the Company recorded on the ASX over 10 ASX trading days immediately preceding the date of determination of the STI outcome or, if no sale occurred during such period, the last sale price of an ordinary fully paid share in the capital of the Company recorded on the ASX.
LTI Plan	Under the FY18 LTI plan, Mr Debney is entitled to receive options to acquire ordinary shares in Costa Group Holdings Ltd valued at \$348,957 ⁴ , being 35% of his total fixed remuneration for FY18. Based on an independent valuation conducted by Ernst & Young, which valued each option at \$0.99, Mr Debney is entitled to receive 352,481 options under the LTI Plan.

Price payable for the STI Performance Rights and LTI Options – Items 5 and 6

No monetary payment will be payable by Mr Debney in connection with either the grant or vesting of the STI Performance Rights or LTI Options.

Grants under the Company’s STI Plan and LTI Plan since the last Annual General Meeting – Items 5 and 6

⁴ Total indicative value of options to be issued to Mr Debney as part of the FY18 LTI Plan, as at the effective date of the independent indicative valuation issued on 31 August 2017. As required by AASB 2 Share Based Payments, the final fair value of the LTI Options will be determined on the grant date should shareholders approve the issuance of LTI Options to Mr Debney.

Since the Company's last Annual General Meeting:

- (a) 46,508 performance rights were issued to Mr Debney for nil monetary consideration under the Company's FY17 STI Plan (in accordance with approval of shareholders at the Company's 2016 Annual General Meeting). No consideration will be payable for the shares that are issued upon vesting of the performance rights; and
- (b) 607,938 options were issued to Mr Debney for nil monetary consideration under the Company's FY17 LTI Plan (in accordance with approval of shareholders at the Company's 2016 Annual General Meeting). Those options have an exercise price of \$2.78 per share, being the volume weighted average price of an ordinary fully paid share in the capital of the Company recorded on the ASX over the 10 ASX trading days ending on 30 June 2016.

No other options or performance rights have been granted to persons referred to in ASX Listing Rule 10.14 since the Company's last Annual General Meeting.

Directors' eligibility to participate in the FY18 STI Plan and the FY18 LTI Plan – Items 5 and 6

Mr Debney is the only director of the Company and the only person referred to in Listing Rule 10.14 who is eligible to participate in the FY18 STI Plan and the FY18 LTI Plan.

Date by which FY18 STI Performance Rights and FY18 LTI Options will be granted – Items 5 and 6

If Item 5 is approved at the AGM, it is intended that any performance rights granted to Mr Debney will be granted shortly following the determination of his final FY18 STI award which will occur following the release of the Company's FY18 annual results. In any event, the performance rights will be issued within 12 months after the date of the AGM. If shareholders do not approve Item 5 at the AGM, it is intended that all of Mr Debney's FY18 STI award will be provided in cash.

If Item 6 is approved at the AGM, the FY18 LTI Options will be granted to Mr Debney shortly following the AGM and in any event no later than 12 months after the date of the AGM. To compensate Mr Debney for the remuneration he would forego if shareholder approval is not obtained, the Company may pay Mr Debney a cash amount (equivalent to the value the grant would have had at vesting had it been approved by shareholders). Mr Debney will only receive a cash payment if the performance hurdles are satisfied.

Voting Exclusion – Items 5 and 6

Items 5 and 6 are resolutions connected directly or indirectly with the remuneration of key management personnel. The following persons may not vote, and the Company will disregard any vote cast by the following persons, on Items 5 and 6:

- (a) any director of the Company (including Mr Debney) who is eligible to participate in any employee incentive scheme and any of their associates. The Company does not need to disregard votes by such a person as proxy for another person who is entitled to vote if:
 - (i) the vote is cast in accordance with the directions on the proxy form; or
 - (ii) the vote is cast by the Chairman of the meeting as a proxy, in accordance with the direction on the proxy form to vote as the proxy decides; and
- (b) any member of the Company's key management personnel (or a closely related party of any such member) that is appointed as proxy where the proxy appointment does not specify the way the proxy is to vote on Items 5 and 6, unless:
 - (i) the proxy is the Chairman of the meeting at which Items 5 and 6 are voted on; and

- (ii) the proxy appointment expressly authorises the Chairman to exercise the proxy even though Items 5 and 6 are connected directly or indirectly with the remuneration of a member of the Company's key management personnel.
