#### **Directors' recommendation**

19 The Directors (with Mr Hollis abstaining) recommend the re-election of Mr Hollis to the Board.

# **Resolution 5: Approval or ratification of issue of Shares**

- In accordance with Superloop's announcement to the market on 11 September 2017, Superloop entered into a binding agreement to acquire all of the issued share capital of NuSkope Pty Ltd, RA-WIFI Pty Ltd and RA-ADSL Pty Ltd (**Acquisition**) for consideration of \$7,000,000 cash and 1,221,110 Superloop Shares at an issue price of \$2.457 (representing the 30 day VWAP to 6 September 2017). The agreement is subject to several conditions precedent, some of which may not have been satisfied prior to the date of the AGM.
- The purpose of resolution 5 is for Shareholders to approve or ratify (as the case requires) the issue of the 1,221,110 Superloop Shares (**Consideration Shares**) to the NuSkope Vendors as partial consideration for the Acquisition. In the event that the Acquisition is yet to complete as at the date of the AGM, Superloop seeks pre-approval from Shareholders for the issue of the Consideration Shares under Listing Rule 7.1 or, if the Acquisition has completed, Superloop seeks the ratification for the issue of the Consideration Shares to the NuSkope Vendors under Listing Rule 7.4.
- ASX Listing Rule 7.1 restricts a company from issuing more than 15% of its issued share capital (**Placement Capacity**) during any 12 month period, subject to certain exceptions. Listing Rule 7.4 provides that where a company ratifies an issue of securities, the issue is treated as having been made with approval for the purpose of Listing Rule 7.1, thereby replenishing that company's Placement Capacity and enabling it to issue further securities up to that limit during the applicable 12 month period. Although Shareholder approval is not required for the issue of the Consideration Shares (which represent 0.55% of Superloop's issued share capital), Superloop wishes to retain the flexibility to issue further securities up to its full Placement Capacity without the requirement to seek Shareholder approval.

# **Listing Rule 7.3 and Listing Rule 7.5**

For the purposes of Listing Rule 7.3 (if the Acquisition is not complete at the AGM) and for the purposes of Listing Rule 7.5 (if the Acquisition has completed and the Consideration Shares have been issued as at the date of the AGM) Superloop provides the following information to Shareholders:

# **Directors' Recommendation**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 6.

# **Background to Resolutions 7 and 8 – Grant of Options to Executive Directors**

- As referred to in the Remuneration Report, the subject of resolution 1, in August 2017, after a review of best practice remuneration frameworks, the Board implemented a comprehensive remuneration policy including at-risk short term and long term incentives which the Board believes will support the Group's vision and strategy.
- The purpose of the long term incentive policy is to align executive rewards with sustainable growth in Shareholder value over time and to act as a retention mechanism for key executives.
- The initial measurement period of long term incentives is three financial years from 1 July 2017. The policy intends for grants to be issued annually in overlapping cycles.
- Incentives are to be issued in the form of options or performance rights, subject to Shareholder approval for Executive Directors. Where Shareholder approval is not received for the grant of options or performance rights to Executive Directors, incentives will be issued in cash. The amount of such cash payment will be the amount that the Board considers to be reasonable remuneration given the circumstances of Superloop and the Executive Director.
- Resolutions 7 and 8 seek approval for the grant of options to Executive Directors, Mr Matthew Hollis and Mr Jason Ashton, in accordance with the Company's long term incentive policy.

# **Resolution 7: Grant of Options to Mr Matthew Hollis**

- Resolution 7 seeks approval from Shareholders under Listing Rule 10.14 and section 208(1)(a) Corporations Act for the Board to grant 94,413 incentive Options to Mr Matthew Hollis, an Executive Director of Superloop, under and subject to the terms of Superloop's Executive Option Plan.
- 35 Mr Hollis is Superloop's Group GM Sales and Marketing.
- The key terms of the Options are as follows:
  - (a) each Option will convert into one Superloop Share;
  - (b) the Options will be granted for no consideration;
  - (c) the exercise price for the Options is \$2.50;
  - (d) the Options will expire on 15 September 2022;
  - (e) the Options are not transferable; and
  - (f) the Options vest and are exercisable from 15 September 2020, subject to meeting performance hurdles including earnings per share targets and operational performance objectives.
- 37 The Options are also subject to the other conditions in the Executive Option Plan. A summary of the Executive Option Plan is attached in the Schedule to the Explanatory Memorandum.

# **Listing Rule 10.14**

The acquisition of securities by a Director under an employee incentive scheme (such as the Executive Option Plan) requires Shareholder approval under Listing Rule 10.14. Accordingly,

Shareholder approval is sought for the grant of Options to Mr Hollis and to the extent those Options are exercised, the issue of the underlying Shares.

- Once approval is obtained under Listing Rule 10.14, Superloop is entitled to rely on Listing Rule 10.12, Exception 4 as an exception to any requirement that may otherwise apply requiring Shareholder approval under Listing Rule 10.11. Similarly, approval will not be required under Listing Rule 7.1.
- 40 Specific information which must be provided to Shareholders in accordance with Listing Rule 10.15 is set out below.

# **Corporations Act**

- Section 208(1) of the Corporations Act provides that a public company must not, without the approval of the company's members, give a financial benefit to a related party. Mr Hollis is a related party of Superloop for the purposes of section 228(2) Corporations Act as he is a Director. The grant of Options will constitute the giving of a financial benefit to a related party for the purposes of section 229(3)(e) Corporations Act.
- It is the view of the Board that the terms of the financial benefit, being the grant of Options, in conjunction with other components of Mr Hollis' remuneration as set out below, comprises reasonable remuneration having regard to Superloop's circumstances, and would therefore fall within an exception set out in sections 210 to 216 of the Corporations Act. However, as a matter of sound corporate governance, the Board felt it prudent to seek Shareholder approval under Chapter 2E of the Corporations Act for the issue of Options to Mr Hollis.

Specific information must also be provided to Shareholders in accordance with section 219 of the Corporations Act. The majority of this information is set out above in accordance with Listing Rule 10.15, with the balance of the information regarding the value of the financial benefit and the Directors' recommendation is set out below.

# **Corporations Act**

- Section 208(1) of the Corporations Act provides that a public company must not, without the approval of the company's members, give a financial benefit to a related party. Mr Ashton is a related party of Superloop for the purposes of section 228(2) Corporations Act as he is a Director. The grant of Options will constitute the giving of a financial benefit to a related party for the purposes of section 229(3)(e) Corporations Act.
- It is the view of the Board that the terms of the financial benefit, being the grant of Options, in conjunction with other components of Mr Ashton's remuneration as set out below, comprises reasonable remuneration having regard to Superloop's circumstances, and would therefore fall within an exception set out in sections 210 to 216 of the Corporations Act. However, as a matter of sound corporate governance, the Board felt it prudent to seek Shareholder approval under Chapter 2E of the Corporations Act for the issue of Options to Mr Ashton.
- Specific information must also be provided to Shareholders in accordance with section 219 of the Corporations Act. The majority of this information is set out above in accordance with Listing Rule 10.15, with the balance of the information regarding the value of the financial benefit and the Directors' recommendation is set out below.

# Schedule

Summary of the key terms of the Executive Option Plan

Eligible Participant	The Board may designate a Superloop director, employee or consultant as an eligible participant for the purposes of the Executive Option Plan ( <b>Eligible Participant</b> ). Eligible Participants may nominate a proprietary limited company that they Control ( <b>Permitted Nominee</b> ) to hold their options, though Superloop has absolute discretion to decide whether the options are granted to the Eligible Participant or the Permitted Nominee. For the purposes of this Schedule, 'Participant' means an Eligible Participant or its Permitted Nominee (as the case requires).			
Administration	The Executive Option Plan will be administered by the Board, which has an absolute discretion to determine appropriate procedures for its administration and resolve questions of fact or interpretation and formulate special terms and conditions in addition to those set out in the plan.			
Grant of options	All options are to be offered to Participants for no consideration. The offer must be in writing and specify, amongst other things, the number of options for which the Participants may accept, the period within which the options may be exercised and any conditions to be satisfied before exercise, the option expiry date (as determined by the Board) and the exercise period for the options.			
Acceptance of offer by Eligible Participant	To accept an Offer, an Eligible Participant must complete, sign and return the acceptance form annexed to their Offer in accordance with the Offer.			
Exercise	The options may be exercised, subject to any exercise conditions, by the Participant giving a signed notice to Superloop.			
Lapse	The options shall lapse upon the earlier of the date specified by the Board or events contained in the Executive Option Plan rules, including termination of employment or resignation, redundancy, death or disablement.			
Rights of participants	Once the Superloop Shares are issued upon exercise of the options, the Participant will hold the Superloop Shares free of restrictions subject to the restriction on disposal. The Superloop Shares will rank equally for dividends declared on or after the date of issue but will carry no right to receive any dividend before the date of issue.			
	Should Superloop undergo a reorganisation or reconstruction of capital or any other such change, the terms of the options will be correspondingly changed to the extent necessary to comply with the ASX Listing Rules. In the event of a change of control, the Board shall have discretion to deal with the options, including allowing accelerated vesting or the issue of options in the substituted corporation. A holder of options is not entitled to participate in a new issue of Superloop Shares or other securities made by Superloop to shareholders merely because he or she holds options.			
Quotation	Superloop will not apply to ASX for official quotation of the options. However, as Superloop Shares are officially quoted by ASX, the Company will apply to ASX for official quotation of any Superloop Shares issued to a Participant after exercise of the options within the time prescribed by the			

	Listing Rules but, in any event, within ten Business Days of the issue of those Superloop Shares.			
Assignment	The options are not transferrable or assignable without the prior written approval of the Board, having regard to the restriction on disposal.			
No voting rights	A Participant does not have the right to vote in respect of the options.			
No interest in Superloop Shares	A Participant has no interest in Superloop Shares the subject of options unless and until the options are exercised and Superloop Shares are issued to that Participant.			
Change of Control Trigger Event	Unless the Board decides otherwise, if a Change of Control Trigger Event occurs, all Options vest immediately and may be exercised by a Participant (regardless of whether any Vesting Conditions have been satisfied).			
	For the purposes of this Schedule, `Change of Control Trigger Event' means:			
	<ul> <li>(a) a person acquires voting power (within the meaning of section 610 of the Corporations Act) in more than 50% of the ordinary shares in the Company;</li> </ul>			
	(b) an order of the court made for the purposes of section 411(4)(b) of the Corporations Act, in connection with a members' scheme of arrangement to effect a change of Control of the Company, is lodged with ASIC under section 411(10) of the Corporations Act;			
	(c) the Company disposes of the whole or a substantial part of its assets or undertaking; or			
	(d) an event set out in paragraph (a) or (b) is, in the opinion of the Board, likely to occur in the near future and the Board decides to nominate a date on which a Change of Control Trigger Event is taken to have occurred.			
Issue of Superloop Shares on exercise	The Company will issue Superloop Shares to a Participant at the next Board meeting, or within 20 Business Days, whichever first occurs after receiving an exercise notice from a Participant.			
Ranking of Superloop Shares issued	A Superloop Share issued on the exercise of the options will rank equally with all existing Superloop Shares from the date of allotment.			
Disposal restrictions	If an offer contains disposal restrictions, the Participant must comply with the disposal restrictions in relation to all Superloop Shares issued on exercise of the options. If the Superloop Shares issued on exercise of the options are subject to a disposal restriction the Company may implement any procedure (including a holding lock) it considers appropriate to ensure the disposal restriction is complied with for the period specified in the offer. A disposal restriction ceases to apply immediately upon a Change of Control Trigger Event occurring.
