FY2017 recap – Financial information

GTN's FY2017 results exceeded Prospectus forecast excluding the impact of its USTN operations

Key Highlights

FY17 results (Ex-USTN) exceeded Prospectus forecast⁽¹⁾

- Adjusted EBITDA of \$28.9 million (\$48.9 million ex USTN, +7% on Prospectus forecast)
- NPATA of \$12.3 million (\$32.5 million ex USTN, +26% on Prospectus forecast)

FY17 revenue underpinned by positive operating results across four original geographies

 BTN reported positive EBITDA for the first time following strong increase in revenue (including increase in spots inventory and sell-out rate)

Strong liquidity position with net cash of \$0.7 million

- Sufficient balance sheet flexibility to take full advantage of growth opportunities across existing jurisdictions and USTN
- Final dividend paid of 4.8cps fully franked

USTN continues to present a significant opportunity

- Initial costs in-line with expectations
- Large investment in salesforce and local management team
- Number of key radio stations added to network

All figures in A\$m unless otherwise stated. (4). NPATA per share Ex-USTN is calculated based on NPATA Ex-USTN and 201.2 million total shares on issue to be consistent with Prospectus forecast. Additional share issuance during FY17 related to funding of USTN. (5) FY 17 Statutory (Ex-USTN) results have been included to provide a useful comparison against the Prospectus forecast.

FY2017 recap – Revenue drivers

GTN group revenue (ex USTN) exceeded FY17 Prospectus forecast by \$1.2m (+0.7%) and grew by +7.5% on FY16

GTN revenue profile

Commentary

- Revenue result driven by growth across GTN's original markets in local currency with Australia, Brazil and Canada exceeding FY17 Prospectus forecasts
 - United Kingdom exceeded Prospectus forecast revenue in local currency but was impacted by unfavourable foreign exchange movements related to Brexit
- USTN contributed \$35.1 million in revenue for the seven months it was operated by GTN
 - Contribution consistent with expectations
 - Includes only 3 month impact of CBS contract

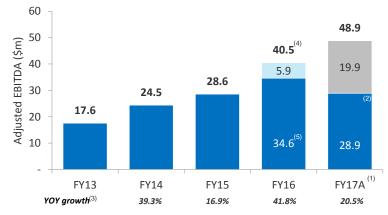

FY17 revenue result by jurisdiction

A\$m	FY17 Actual	Statutory FY17 Prospectus	% Difference
Australia (ATN)	98.7	91.8	+7.5%
Canada (CTN)	28.0	26.0	+7.6%
U.K (UKTN)	40.9	51.0	(19.8%)
Brazil (BTN)	11.0	8.6	+28.2%
	178.5	177.4	+0.7%
USA (USTN)	35.1	-	-
Total	213.6	177.4	+20.5%

FY2017 recap - Earnings drivers

GTN group Adjusted EBITDA (ex USTN) exceeded FY17 Prospectus forecast by \$3.2m (+7.0%). FY17 NPATA (ex USTN) was \$32.5m, exceeding Prospectus forecast by ~\$6.8m (+26.3%)

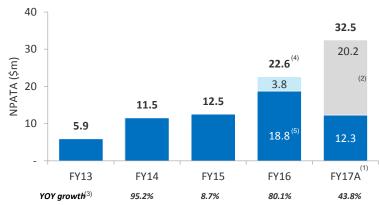

GTN Adjusted EBITDA profile

Commentary

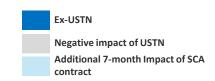

- Lower operating expenses due to foreign currency differences main contributor
 - Revenue outside Australia outperformed Prospectus forecast by greater margin in local currency than reflected in financials
 - Negative impact on reported revenue but positive impact on operating expenses
- Revenue exceeding Prospectus forecast contributing factor as well
- USTN incurred an Adjusted EBITDA loss of \$19.9m, consistent with expectations

GTN NPATA profile

Commentary

- Over delivery of Adjusted EBITDA compared to Prospectus forecast primary reason for NPATA exceeding Prospectus forecast prior to Canada tax benefit
- In addition, \$5.0 million tax benefit from recognition of Canada net operating losses
 - Exceeded Prospectus forecast NPATA before Canada tax benefit
- USTN incurred an NPATA loss of \$20.2m, consistent with expectations

Progress against key priorities

Increase audience

— Current weekly audience of 164m radio listeners

Increase Revenue

- Most of projected sales staff hired by 30 September 2017
 - Sales staff and management (approximately 50 staff)
 - Actively recruiting additional sales staff

GTN growth strategy and outlook for FY18

- GTN original markets continue to be very attractive:
 - Outstanding station affiliate line-ups with large audience reach
 - Effective, well-regarded product for advertisers
 - Highly skilled, experienced sales staff
 - Well run broadcast operations
- USTN has started more slowly than originally anticipated but investment thesis remains unchanged
 - Vast audience (~164 million people)
 - Large inventory of advertising spots (~3.3 million radio spots per year)
 - Attractive market (United States largest advertising market in the world)
 - Significant progress in hiring sales staff and management to generate revenue
- In order to continue execution of the USTN growth strategy, the board is analyzing various alternatives to ensure sufficient cash to fund the expected longer lead time to profitability, including but not limited to:
 - -Modifying the dividend
 - —Raising additional equity capital
 - -Borrowing additional debt
 - —Any combination of the above

Disclaimer and important information

The information contained in this document is general background information about GTN Limited (ACN 606 841 801) (the "Company") and its activities as at the date of this document. It is in summary form and does not purport to be complete. It should be read in conjunction with the Company's other periodic and continuous disclosure announcements. It is not financial product advice and does not take into account the investment objectives, financial situation or particular needs of individual investors. These should be considered, with or without professional advice, before deciding if an investment in the Company is appropriate.

The information contained in this document may include information derived from publicly available sources that has not been independently verified. No representation or warranty is made as to the accuracy, completeness or reliability of the information in this document or any assumptions on which it is based.

All amounts are in Australian dollars unless otherwise indicated.

This document may contain forward-looking statements, including the Company's expectations about the performance of its business. These forward-looking statements may be identified by the use of forward-looking terminology, including the terms "believe", "estimate", "plan", "project", "anticipate", "intend", "likely", "may", "will", "could" or "should" or, in each case, their negative or other variations or other similar expressions, or by discussions of strategy, plans, objectives, targets, goals, future events or intentions. Indications of, and guidance on, future earnings and financial position and performance are also forward-looking statements.

Forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of the Company and which may cause actual results to differ materially from those expressed or implied in such statements. Readers are cautioned not to place undue reliance on any forward-looking statements. Actual results or performance may vary from those expressed in, or implied by, any forward-looking statements. Past performance is not necessarily a guide to future performance and no representation or warranty is made by any person as to the likelihood of achievement or reasonableness of any forward-looking statements. The Company does not undertake to update any forward-looking statements contained in this document, to the maximum extent permitted by law.

Certain financial information in this document is prepared on a different basis to the Company's Annual Financial Report, which is prepared in accordance with Australian Accounting Standards. Where financial information presented within this document does not comply with Australian Accounting Standards, a reconciliation to the statutory information is provided.

This presentation may contain certain unaudited financial information in relation to the Company. As such, it has not been subject to an audit or an audit process or otherwise independently verified.
