

ASX Announcement

23 November 2017

Major agreement signed with Victorian Government to support LiveTiles' global growth plans

- Significant agreement signed with State Government of Victoria to support the establishment of LiveTiles' Asia-Pacific headquarters and a Global Innovation Centre in the city of Geelong, Victoria
- The Geelong team will provide digital marketing, sales, technical and operational support to LiveTiles' fast-growing global business
- Leverages the Company's previous experience developing and managing highly skilled teams in regional areas

LiveTiles Limited (ASX:LVT) ('LiveTiles' or 'the Company'), a global software company that empowers its users to drive their own intelligent workplace experiences, is pleased to announce it has signed a significant agreement with the State Government of Victoria (Victorian Government).

Under the agreement, LiveTiles will establish its Asia-Pacific headquarters and a Global Innovation Centre in the city of Geelong during FY18, to support the Victorian Government's initiative to promote innovation in regional Victoria.

The Geelong team will focus on digital marketing, lead generation, customer success and technical support to drive LiveTiles' expansion in the Asia-Pacific region and support the Company's global operations. The expansion into Geelong will be supported by the Victorian Government, and follows the Company's previous success developing and managing highly skilled teams based in regional areas, demonstrated by its growth in Hobart, Tasmania and Tri-Cities, Washington State, USA.

As part of the initiative, LiveTiles will partner with local universities, TAFEs and secondary schools on collaborative innovation projects and to facilitate career opportunities for tech graduates.

This initiative will help drive LiveTiles' strong customer and revenue growth expected in FY18, which is also being fueled by the Company's expanded sales and marketing footprint, close partnership with Microsoft, growing brand awareness and strengthening demand for LiveTiles' expanding range of innovative software products.

The Hon. Daniel Andrews MP, Premier of Victoria states: "We're excited to partner with LiveTiles - a fast growing and innovative company which is investing in Victoria, boosting our local tech industry and creating local jobs."

Karl Redenbach, LiveTiles co-founder and Chief Executive Officer said: "I would like express my thanks to the Victorian Government and the Hon. Daniel Andrews MP as Premier for Victoria, for their strong support."

"We expect this initiative will drive new opportunities and strong growth within the region, and support our aggressive global growth strategy for many years to come."

Ends.
