Philip Trueman
Company Secretary

ASX RELEASE

14 December 2017

Monadelphous Contracts Update

Engineering company Monadelphous Group Limited (ASX:MND) (“Monadelphous” or “the Company”) today announced it has secured new maintenance and construction contracts in the resources and infrastructure sectors with a combined value of approximately \$110 million.

New maintenance work comprises:

- A three year contract for the supply of rope access based mechanical maintenance, inspection and protective coating services for Dalrymple Bay Coal Terminal in Mackay, Queensland;
- A three year contract for the operation and maintenance of the coal handling facility at the Muja Power Station for Synergy in Collie, Western Australia;
- A two year contract extension for the supply of mechanical services for Queensland Alumina Limited in Gladstone, Queensland; and
- A three year contract to provide shutdown maintenance, breakdown and repair services, minor projects and ad hoc services for BHP at Mount Arthur Coal in the Hunter Valley, New South Wales.

In addition, the Company has secured a contract with Pukaki Irrigation Company Limited for the design, supply, installation and commissioning of a gravity pressurised irrigation scheme in the Mackenzie Basin in the South Island, New Zealand. The contract is expected to be completed in October 2018.
