Profit Guidance - Six months ending 31 December 2017

Sydney, January 19, 2018 - Integrated Research ("IR") is in the early stages of preparing its half year financial statements for the six months ending 31 December 2017. Based on internal management accounting and subject to audit review, the Company continues to generate strong profit growth.

Profit after tax for the half is expected to be in the range of \$8.9 to \$9.3 million compared to \$7.7 million for the equivalent prior period, representing 15% to 21% growth.

Licence sales are expected to be in the range of \$25.0 to \$26.0 million, representing 5% to 7% growth. Pleasingly, strong licence sales from Unified Communications and Contact Centre grew circa 25%, offset by the normal cyclical downturn in licence sales from Infrastructure. Total consolidated revenue for the half is expected to be in the range of \$45.0 to \$46.0 million.

This statement is made for market guidance, IR does not expect to make any further comment until the accounts have been finalised and approved for release to the ASX (anticipated announcement date: 15 February 2018).
