Dear Shareholder

OROCOBRE LIMITED

A\$79 MILLION RENOUNCEABLE ENTITLEMENT OFFER – NOTIFICATION TO INELIGIBLE RETAIL SHAREHOLDERS

On Tuesday, 16 January 2018, Orocobre Limited ("**Orocobre**") announced a fully underwritten pro rata renounceable entitlement offer of new Orocobre ordinary shares ("**New Shares**") (with retail entitlements trading) to raise approximately A\$79 million ("**Entitlement Offer**"). The offer price is A\$6.55 per New Share ("**Offer Price**").

This letter is to inform you about the Entitlement Offer, and to explain why you will not be able to subscribe for New Shares under the Entitlement Offer. This letter is not an offer to issue New Shares to you, nor an invitation for you to apply for New Shares. **You are not required to do anything in response to this letter but there may be financial implications for you as a result of the Entitlement Offer that you should be aware of.**

The Entitlement Offer and use of proceeds

The Entitlement Offer comprises an institutional entitlement offer and an offer to eligible retail shareholders to participate at the same Offer Price and offer ratio ("**Retail Entitlement Offer**"). The Entitlement Offer is being made in accordance with section 708AA of the Corporations Act 2001 (Cth) ("**Act**") (as modified by Australian Securities and Investments Commission Corporations (Non-Traditional Rights Issues) Instrument 2016/84), meaning that the Entitlement Offer is not being conducted by way of a prospectus.

UBS AG, Australia Branch is acting as underwriter to the Entitlement Offer ("**Underwriter**").

In addition to the Entitlement Offer, Orocobre is also undertaking a 15% placement to Toyota Tsusho Corporation ("**TTC**") (on a fully expanded basis) for A\$282 million, at a price of A\$7.50, representing a 17% premium to Orocobre's 30 day volume weighted average price as at close on Monday, 15 January 2018 of A\$6.43. Proceeds from the Entitlement Offer and the placement to TTC will be used to provide Orocobre with an appropriate level of cash liquidity to support development of the Phase 2 expansion of the Olaroz Lithium Project.

Details of the Retail Entitlement Offer

The Retail Entitlement Offer is being made to eligible shareholders on the basis of 1 New Share for every 20 existing Orocobre ordinary shares held as at 7.00 pm (Sydney time) on 19 January 2018 ("**Record Date**") ("**Entitlement**"). An offer booklet in relation to the Retail Entitlement Offer ("**Retail Information Booklet**") will be despatched to Eligible Retail Shareholders (as defined below) on or around 23 January 2018.

Eligibility criteria

"**Eligible Retail Shareholders**" are those persons who are a holder of existing Orocobre ordinary shares as at 7.00pm (Sydney time) on the Record Date and who:

- have a registered address on the Orocobre share register in Australia or New Zealand;
- are not in the United States and are not acting for the account or benefit of a person in the United States (to the extent they are holding Orocobre ordinary shares for the account or benefit of such person in the United States);
- were not invited to participate (other than as nominee, in respect of other underlying holdings) in the institutional entitlement offer and were not treated as ineligible institutional investors under the institutional entitlement offer; and
- are eligible under all applicable securities laws to receive an offer under the Retail Entitlement Offer without any requirement for a prospectus or offer document to be lodged or registered.

Shareholders who are not Eligible Retail Shareholders and who did not participate in the institutional entitlement offer are "**Ineligible Shareholders**" and are consequently unable to participate in the Retail Entitlement Offer.

The restrictions upon eligibility to participate in the Retail Entitlement Offer arise because of the legal and regulatory requirements in countries other than Australia or New Zealand and the potential costs of complying with these legal and regulatory requirements compared with the relatively small number of shareholders in those countries, the relatively small number of existing Orocobre ordinary shares they hold and the relatively low value of New Shares to which they would otherwise be entitled.

Orocobre has determined, pursuant to Listing Rule 7.7.1(a) of the ASX Listing Rules and section 9A(3)(a) of the Act (as modified by Australian Securities and Investments Commission Corporations (Non-Traditional Rights Issues) Instrument 2016/84), that it would be unreasonable to make offers to shareholders in certain countries under the Retail Entitlement Offer.

Determination of eligibility of investors for the purposes of the Retail Entitlement Offer is determined by Orocobre with reference to a number of matters. The Underwriter, its affiliates and related bodies corporate and each of their respective directors, officers, partners, employees, advisers and agents disclaim any liability in respect of any determination as to eligibility, to the maximum extent permitted by law.

Unfortunately, according to our records, you do not satisfy the eligibility criteria for an Eligible Retail Shareholder stated above. Accordingly, in compliance with ASX Listing Rule 7.7.1(b) and section 9A(3)(b) of the Act, Orocobre wishes to advise you that it will not be extending the Retail Entitlement Offer to you and you

will not be able to subscribe for New Shares under the Retail Entitlement Offer. You will not be sent the documents relating to the Entitlement Offer.

However, as the Entitlement Offer is renounceable, you may receive value for entitlements you would have received had you been eligible to participate in the Retail Entitlement Offer. Arrangements have been made for the New Shares that would have represented the entitlements of Ineligible Shareholders to be sold via a retail shortfall bookbuild on 7 February 2018, which is to be undertaken by the Underwriter. You will receive any proceeds in excess of the Offer Price in respect of each entitlement to subscribe for New Shares sold in the retail shortfall bookbuild that you would have received under the Retail Entitlement Offer if you were eligible to participate, net of any applicable withholding tax. However, there is no guarantee that you will receive any value as a result of the retail shortfall bookbuild.

The retail entitlements of Eligible Retail Shareholders will be tradeable on ASX. The assignment, transfer and exercise of retail entitlements trading on ASX will be restricted to persons meeting certain eligibility criteria. In particular, persons in the United States and persons acting for the account or benefit of persons in the United States will not be eligible to purchase or trade retail entitlements or to exercise retail entitlements they acquire. If you buy retail entitlements during the trading period, but you do not meet the eligibility criteria, you will not be able to take up or exercise those entitlements and, as a result, you may receive no value for them.

You are not required to do anything in response to this letter.

For further information on the Entitlement Offer or if you believe that you are an Eligible Retail Shareholder, you can call the Orocobre Offer Information Line on 1300 117 912 (Australia) or +61 3 9415 4337 (International callers) from 8.30am to 5.00pm (Sydney time) Monday to Friday during the Retail Entitlement Offer period. If you have any further questions, you should contact your stockbroker, accountant or other professional adviser.

On behalf of the Board of Orocobre, I thank you for your continued support.

Yours faithfully

Orocobre Limited
